SANSKRITI EDUCATIONAL ACADEMY founded as a Public School in 2017 in Rudrapur, is a Private institution runs by **GPS SHIKSHA SAMITI**. The school considers education to be a life-long process which should have a strong foundation. The goal of the school is to inculcate in the students a love for learning and a desire to excel at every level. The school also aims at equipping the students with the intellectual and practical skills that are necessary to meet the challenges in the future.

We, at Sanskriti Educational Academy work consistently to meet the needs of today's learners.

The pedagogical plan is prepared to provide an insight into the effective use of time and resources to achieve the optimum output by the faculty and ensure all round development of the students.

CONTEXT OF THE SCHOOL:

At **Sanskriti Educational Academy (SEA)**, we recognize the importance of imparting an educational experience that is world-class and which prepares children to be global citizens. We are a school with an Indian mind, an Indian heart and an Indian soul. Sanskriti is a school that celebrates the culture of excellence. We believe that a curriculum of excellence with a global dimension is central to the education of children to face the challenges of the 21st century with confidence and strength of character.

A plethora of academic and co-curricular activities offer opportunities to all students to develop several facets of their personalities. We believe, children need not always be taught to do things; instead they should be encouraged to explore, discover and learn by reflection, under the caring guidance of the teachers.

OUR VISION: To help our children bloom to their full potential and equip them to excel in the journey of life.

At Sanskriti Educational Academy (SEA), we recognize the imperative of imparting an educational experience that is world-class in every respect and which prepares children for global citizenship. We are a school with an Indian mind, an Indian heart and an Indian soul; a school that celebrates the culture of excellence and is an embodiment of values. We believe that a curriculum of excellence with a global dimension is central to the education of children to face the challenges of the 21st century with confidence and strength of character.

OUR MISSION: The school's mission is to uphold high professional standards to provide quality education that encourages children to bring out the best in themselves

OUR MOTTO

Tamaso ma jyotirgamaya which means "Lead me from darkness to light".

Symbolic or deep meaning is “Lead me to the enlightenment from ignorance created by my actions, thoughts and understanding”.

The state of awareness about the omniscient, omnipresent and omnipotent power present inside you is the enlightenment mentioned here.

OUR VALUES AND ATTRIBUTES

Our values and attributes, which align with our guiding statements, are integral to creating a school culture and climate to realize our educational goals:

- Cleanliness
- Honesty
- Responsibility
- Compassion
- Integrity
- Self-Discipline
- Commitment
- Perseverance
- Teamwork
- Determination
- Respect
- Trust

PHILOSOPHY OF SCHOOL REGARDING EDUCATION:

“Education is the manifestation of the perfection already in man” Swami Vivekananda
Education is a journey of a young mind from darkness to light, the realization of the inherent talents, the movement towards realizing his/ her qualities and the potential to overcome challenges.

Sanskriti Educational Academy strives to create a balance between academics and extracurricular activities to ensure that children are happy in and outside school.

To provide better understanding of the subject and inculcate the habit of reasoning and logical thinking the staff keeps pace with the teaching methodologies.

HOUSE SYSTEM & CLUBS:

To work for effective management of school activities, discipline and foster team spirit the school has House System. Each student is allocated one of the four houses. The names of the houses are Nalanda, Takshashila, Vikramshila and Vallabhi.

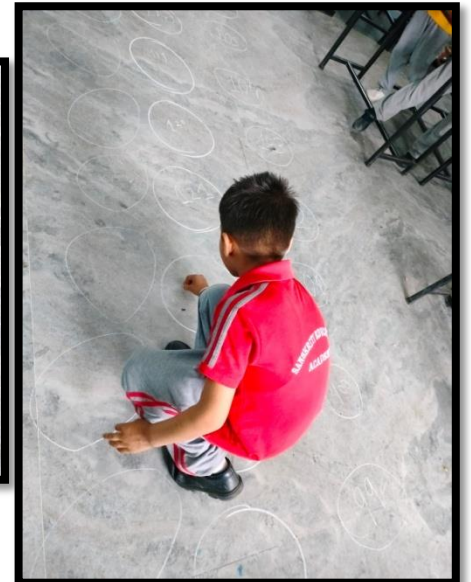

To create awareness among students and provide them with ample opportunities to develop their skills, the school has Clubs like: Literary Club, Cyber Club, Eco Green Club, Youth and Community Service Club.

GLIMPSE INTO ACTIVITY BASED LEARNING:

Learning Unitary Method through Hop Scotch (Grade 3)

Maths Activity: Skip counting (HOPPING AND JUMPING) (Grade 3)

- **GENERAL AWARENESS:**

A poster is a very useful means of making an announcement or appeal, issuing a notice, advertising a product or bringing about awareness on any issue of public interest. A poster should be visually attractive and readable from a distance.

Students made posters to spread awareness about HEALTH AND HYGIENE .

Group activity was conducted and students shown great interest and came up with these amazing posters.

- **SUBJECT ORIENTED LEARNING**

- (CLASS 7- MATHEMATICS):**

In the beginning of the class briefing related to fraction was done along with definition and types of fractions

Followed by the activity in which a packet containing candies (in a form of colourful papers) was given and then students determined the fraction of different coloured candies

After that they were given A4 sheets that were torn into pieces and then row wise the fraction of bits was determined.

Learning Outcome- Students were able to understand the concept of fraction and its significance

- **SUBJECT ORIENTED LEARNING**

- (SOCIAL STUDIES)**

To understand the journey a river makes from hills to the sea.

Activities performed-

1-How does river begin.(Short act performed by students)

2-Sources of river.

3-How does river water become dirty.

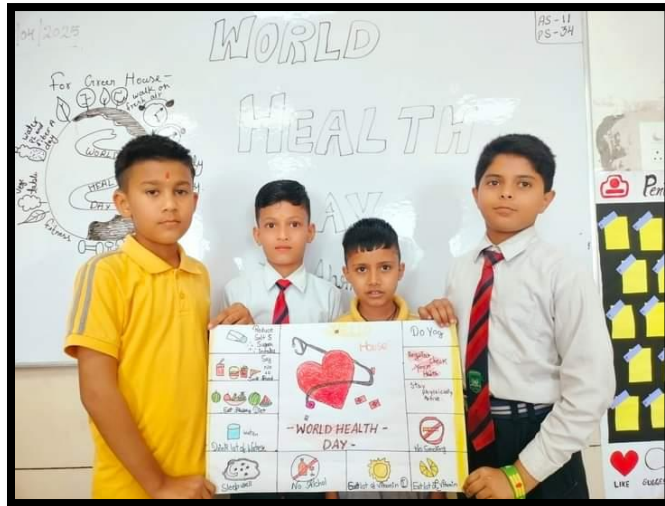

4-Importance of river.(Posters made by students)

- **LANGUAGE ORIENTED LEARNING:**

Various poem, debate, speech and extempore are conducted in the school premises both in Hindi and English to boost up the confidence among students and to develop a sense of expression in them.

CELEBRATION OF NATIONAL AND INTERNATIONAL DAYS:

World Health Day on 6th April, 2023: Raising awareness about physical health , mental wellbeing and various measures to combat global health challenges, Sanskriti Educational sAcademy celebrated World Health Day on 6th April, 2023. Students made beautiful posters with slogans, and videos depicting how taking healthy food , exercising regularly help us in maintaining good health.

Baishakhi on Friday, 13th April, 2023: To make our children aware of the spring harvest festival in all its essence, the students of Sanskriti Educational Academy celebrated Baishakhi on Friday, April 13, 2023.

A special musical assembly was arranged for the children and the facilitators presented a role play followed by activities for Baisakhi. The program was enjoyed by one and all.

International Day of Yoga 21st June 2023: International Day of Yoga was observed Students and teachers actively participated in the special yoga session.

World Tiger Day 29th July 2023: was observed to create awareness among students regarding tiger conservation. Students participated enthusiastically in mask-making, poster-making activities etc. It was a pleasure to see creative hands at work.

Independence Day 2023: Independence Day was celebrated with great zest and patriotic fervor.

To make learning fun and last forever we provide our students opportunities for participating and organizing various events and celebrating special days such as National Unity Day, Uttarakhand Foundation Day, Mathematics Day, International Tiger's Day, Grandparents Day, Women's Day, World Tobacco Day, Environment Day and many more.

Environment Day:

SPORTS ARENA:

Sports help children to develop mental and physical toughness. Keeping this in view and create awareness among students National Sports Day (2023-24) was observed on 29th August. Activities were planned for 3 days (26th August, 28th August & 29th August). Students participated in races like the Toffee Race, Balloon Race, Frog Race, Lemon Race, and Book Balancing Race.

CONCLUSION:

We, at Sanskriti Educational Academy, are working towards achieving the vision and mission of the school. We hope and sincerely aspire that students in our care will emerge as confident, responsible citizens of tomorrow who would carve a niche for themselves and achieve their optimum level of excellence.

PATH AHEAD

Each sunrise, brings in a new day with a promise of moving ahead on the path of success through consistent and sincere efforts.
