

There's Always Something Happening Around *Paradise!*

October is here, bringing another full month of community activities, good friends, music, art, get-togethers, and plenty of **Halloween fun!**

It's also that time of year when we start welcoming back our **snowbirds!** We're looking forward to seeing familiar faces returning to Paradise and catching up with friends and neighbors who have been away for the summer.

Whether you're joining a committee, picking up a new book, enjoying some great music, meeting friends for brunch, or dressing up for Halloween, October is a great month to get out, get involved, and enjoy everything our community has to offer.

**Get involved. Meet your neighbors.
Have some fun.**

After all... we live in Paradise!
