

Advanced 12 lead Workshop

With Jake Good

Pre-Registration Required!

Simply add-on to your conference ticket at purchase or utilize the quick link in your conference confirmation email to re-enter the platform.

Cost: \$50 (non-refundable, may be transferred to another attendee)

Date/Time: Thursday, March 6, 0800-1700

Course Description

This is an intermediate and advanced level 12 lead course building on foundations learned during paramedic or nursing school. We will cover topics including catching the early MI, what to look for in syncope on the 12 lead, how electrolytes disturbances affect the ECG, and hidden MI's (to name a few) ... Plus other case specific scenarios including how to avoid clean kills in emergency cardiology!
