## **MEDITACIÓN DEL EVANGELIO – ALENTAR UN ENTENDIMIENTO MÁS PROFUNDO DE LA ESCRITURA**

3er Domingo de Pascua

Ser testigos del Evangelio es el pedido de Jesús en este tercer Domingo de Pascua. ¿Qué significa esto? ¿Cómo hacerlo? De hecho, no es sencillo este pedido, ya que implica la propia vida de cada persona. Por esa razón los apóstoles al ver a Jesús, quedaron atónitos y asustados. Comprometerse con el Evangelio asusta, e implica un cambio radical del modo de vivir y de comportarse. Para lograr esto, el Señor insiste al presentarse ante ellos y darles el saludo de paz. Ya lo decíamos en el domingo anterior, la paz de Cristo quita cualquier susto y miedo. ¿Has experimentado esa paz? ¿Qué sentimientos afloran en tu corazón al tenerla?

El Papa Francisco insiste en: “Ser testigos de Cristo donde estamos, con una nueva vida transformada por su amor”. (Angelus 6-1-2020). Continúa diciendo el Papa: “La experiencia de Dios no nos bloquea, sino que nos libera; no nos aprisiona, sino que nos pone de nuevo en el camino, nos devuelve a los lugares habituales de nuestra existencia. Los lugares son y serán los mismos, pero nosotros, después del encuentro con Jesús, no somos los mismos de antes. El encuentro con Jesús nos cambia, nos transforma. Toda experiencia del encuentro con Jesús nos induce a emprender caminos diferentes, porque de Él proviene una buena fuerza que sana el corazón y nos separa del mal”. Esto es ser testigo de la Resurrección. Que, de discípulos asustados, seamos discípulos alegres y generosos en cualquier lugar y circunstancia, como nos lo indica el Papa Francisco.

### ADVOCATE FOR ETHICAL VACCINES

In the document Moral Considerations Regarding the New Covid-19 Vaccines, the U.S. bishops addressed the moral concerns raised by the fact that all the vaccines have a connection, some more remotely than others, to cell lines that originated with tissue taken from abortions. Though they concluded receiving a COVID-19 vaccine "is morally permissible and can be an act of self-love and charity toward others" given the gravity of the current pandemic and the lack of availability of alternative vaccines, they also warned that Catholics "must be on guard so that the new COVID-19 vaccines do not desensitize us or weaken our determination to oppose the evil of abortion itself and the subsequent use of fetal cells in research."

Therefore, the bishops believe it is the responsibility of Catholics and all people of good will to advocate to pharmaceutical companies and the government for the ethical development, production, testing and distribution of all vaccines and medicines. To assist with this advocacy, the Archdiocese is providing a sample letter for people to use as a template to send to pharmaceutical companies. Visit [www.archkck.org/vaccines](http://www.archkck.org/vaccines) for the template and to learn more.

Please read the original USCCB document ([www.usccb.org/moral-considerations-covid-vaccines](http://www.usccb.org/moral-considerations-covid-vaccines)) for a detailed explanation of the moral permissibility of taking the vaccines and to learn why the Pfizer and Moderna vaccines are preferred over the other currently available vaccines.
