We now have 7 maps

Eastern Oregon Northwest Oregon Facebook **Southeast Oregon**

Southwest Oregon (including corner of Northwest California Central Idaho (including NE Oregon, SE Washington and SW Montana) Southeast Washington/North Idaho

(Including NE Oregon and SW Montana) Southeast Idaho/Western Wyoming (Including SW Montans & NW Utah) For the most beautiful scenery found anywhere

in the country. Idaho's scenic Salmon River, Hells Canyon, Sawtooth mountains, beautiful lakes, wild and scenic rivers and fantastic scenery can be found around every corner. Don't forget, that wildlife abounds in Idaho's back country. Central Idaho has paved road for the road biker and an abundance of gravel and forest service roads for the dual sport rider. The twisties on White Bird Hill, Rattlesnake Grade between Enterprise and Clarkston, the roads around Hells Canyon and Oxbow Dams are full of corners. Many have 10 or more twisties per mile. There are some 15, 20 and 25 m.p.h. corners and they mean it. The road to Elk City has a rock hanging out over the road. (Plenty high enough for motorcycles but motor homes and trucks need to check the clearance.

The Northwest Passage from Lewiston up the Lolo Pass on Highway 12, Old Winchester Grade, Old White Bird Grade, are all must rides. Headed east on the Lolo Pass the signs June 29 Owyhee Motorcycle Racing Rd#5-Boise, Id. read corners for the next 100 miles. Don't forget to explore the highway through the Sawtooth mountains north of June 28 Biker Rodeo Series #2-High Desert H-D, Meridian, ID. Ketchum. Dual sport riders can ride the Magruder Corridor June 28 6th Annual McClain Memorial Motorcycle showfrom Elk City through to Montana, Kleinschmidt Grade, the Lewis & Clark Trail north of Lolo Pass and the Elk City Wagon Road. The Magruder Corridor has over 100 miles of gravel June 20 Guardians of the Children 5th Annual Awareness Rideroad with beautiful scenery. Kleinschmidt Grade has 5 miles of steep gravel. The view off the edge to the Snake River is June 29 15th Annual Patriot Thunder-High Desert H-D, breathtaking! It was used to transport copper ore down to the Snake River by horse and mule drawn freight wagons. The area abounds with history, from the Lewis July 3-6 West Koots Campout-www.advrider.com

and Clark Trail, the Nez Perce Indian battlefields to July 4-6 33rd Annual Mackay Motorcycle Rally & Rode IMRA, the goldfields, there is truly something for everyone. Remember to ride safely!
