Central Idaho (including NE Oregon, SE Washington and SW Montana)
Southeast Washington/North Idaho (including NE Oregon and SW Montana)
Southeast Idaho/Western Wyoming (including SW Montana & NW Utah)

North Idaho and Southeastern Washington have some GREAT motorcycle riding. Idaho's scenic St Joe River, Coeur d'Alene Lake, Dworshak Reservoir, the Old Ahsahka Grade, the great roads through the wheat fields of North Idaho and southeastern Washington, the dams along the Snake River are all awesome riding! There are paved road for the road biker and an abundance of gravel and forest service roads for the dual sport rider. The twisties on the old Spiral Highway above Lewiston, Rattlesnake Grade between Enterprise and Clarkston, the Lewis & Clark Trail and the road up the St. Joe River are only a few. Watch for deer, elk and moose as well as black bear, cougars, and wolves in the back country. Wolves were reintroduced into Idaho and are thriving. Be aware of poison oak. Watch for wheat trucks or grain on the road during the harvest season.

Anyone planning a trip over unimproved roads is encouraged to obtain weather, trail and road conditions from local Forest Service offices, carry a detailed map, have basic survival skills and equipment (i.e. compass or GPS).

The area abounds with history from the Lewis and Clark Trail and the Nez Perce Indian battlefields to the old railroad grades. There is truly something for everyone. Ride Safe!
