

## Flagpole Sitta by Harvey Danger

### [Verse 1]

I had visions, I was in them  
I was looking into the mirror  
To see a little bit clearer  
The rottenness and evil in me  
Fingertips have memories  
Mine can't forget the curves of your body  
And when I feel a bit naughty  
I run it up the flagpole and see  
Who salutes, but no one ever does

### [Chorus]

I'm not sick but I'm not well  
And I'm so hot 'cause I'm in hell

### [Verse 2]

Been around the world and found  
That only stupid people are breeding  
The cretins cloning and feeding  
And I don't even own a TV  
Put me in the hospital for nerves  
And then they had to commit me  
You told them all I was crazy  
They cut off my legs  
Now I'm an amputee, goddamn you

### [Chorus]

I'm not sick but I'm not well  
And I'm so hot 'cause I'm in hell  
I'm not sick but I'm not well  
And it's a sin to live so well

### [Bridge]

I wanna publish 'zines  
And rage against machines  
I wanna pierce my tongue  
It doesn't hurt, it feels fine

The trivial sublime  
I'd like to turn off time  
And kill my mind  
You kill my mind  
Mind

[Verse 3]

Paranoia, paranoia  
Everybody's comin' to get me  
Just say you never met me  
I'm runnin' underground with the moles  
Diggin' holes  
Hear the voices in my head  
I swear to God it sounds like they're snoring  
But if you're bored then you're boring  
The agony and the irony  
They're killing me, whoa

[Chorus]

I'm not sick but I'm not well  
And I'm so hot 'cause I'm in hell  
I'm not sick but I'm not well  
And it's a sin to live this well

[Outro]

One, two, three, four!
