Give back to the community & benefit your company, at the same time!

We are always looking for businesses and individuals to support our non-profit theatre company by advertising in our programs. Ticket sales cover just a small portion of a production's expenses. As a non-profit theatre company, we depend upon the support of program advertisers to help us produce a production. Your program ad/patron fee helps to subsidize production costs (such as sets and costumes) and allows us to maintain the kind of artistic quality our community has come to expect and enjoy.
