CONTEXT: Sinister is confiding with his secret lover regarding his insecurities of living up to his famous familial line and zombie legacy.

ARE WE ALL SO DIFFERENT? YOU ARE ALIVE BECAUSE OF SUPERNATURAL MAGIC, AND I AM ALIVE BECAUSE OF SCIENCE. TWO OPPOSITE ENDS OF THE SPECTRUM.

THEY SAY MY EMOTIONS MAKE ME WEAK AND THAT I'LL NEVER LIVE UP TO FRANKENSTEIN'S MONSTER. THAT A ZOMBIE LIVING AMONGST HUMANS IN HOLLYWOOD IS NOT DREADFUL ENOUGH FOR THE MONSTERS OF THE UNDERWORLD.

AND THAT COCKY LAZARUS, HE IS ONE TO TALK. HE BECOMES MORE HUMAN WITH EACH GULP OF PLASMA-SYNTH. NO ONE FEARS HIM ANYMORE; AND ALTHOUGH I WOULD PROTECT MY MAKER VICTORIA FRANKENSTEIN AT ALL COSTS, SHE IS STARTING TO SCARE ME. I JUST DON'T THINK OUR FAMILIAL CONNECTIONS MANDATES ME TO BE AN ACCOMPLICE TO MURDER.

NO ONE UNDERSTANDS WHAT IT IS TO BE IN THE SHADOW OF ALL THESE EVIL CREATURES. I AM ALWAYS SCARED THAT MY FRADULANCE WILL BE DISCOVERED, BUT IT'S TIME TO SHOW EVERYONE THAT I AM JUST AS VICIOUS AS EVERYONE ELSE. THEY WILL ALL REGRET UNDERESTIMATING ME.
