-Within twenty four (24) hours after shipment of goods, Seller shall mail to Buyer two (2) copies of packing slip and a Bill of Lading, Express Receipt or Parcel Post Receipt, together with a separate invoice for each Purchase Order, all bearing the Buyer's Purchase Order number.

-Buyer may at any time by written notice make changes within the general scope of this Purchase Order. If any such change affects the time for or cost of performance, an equitable adjustment shall be made in the delivery schedule, purchase price, or both, but only by agreement of the parties. All claims by Seller for adjustment under this clause must be asserted, in writing and in full, within ten (10) days from the date of notification of the change or shall be waived. Nothing herein shall excuse Seller from proceeding with the Purchase Order as changed. No adjustments shall be effective except pursuant to written changes pursuant to this clause.

-Seller's relationship to Buyer in the performance of this Purchase Order is that of an independent contractor. Seller shall have no power or authority to bind Buyer for any purpose. Neither Seller nor any of the persons furnishing goods or services for this Purchase Order are employees of Buyer.

-Buyer retains title to all drawings, designs, specifications, technical data and materials furnished to Seller for use with this Purchase Order and the same shall be treated as Buyer's confidential information, shall be used by Seller only to complete this Purchase Order and shall be returned upon completion or termination of this Purchase Order, along with all copies or reproductions thereof, provided copies or reproductions shall be made only with Buyer's written consent.

-Seller hereby assigns to Buyer all right, title and interest for the entire world in and to any invention conceived or first actually reduced to practice during performance of this Purchase Order or arising out of actions related thereto. Seller will promptly furnish Buyer written disclosure of any such invention and cause to be executed and acknowledge any document required to secure patent protection, therefore.

-Title of specific PPE materials are assigned by the seller via a donation or "no charge" document for the purposes of Humanitarian process documentation under 501c4 conditions listed via CODE 26 CFR 1.506.

-All pricing in USD

-As a registered CAGE code company, 2D Tech USA (SELLER) retains the right under United States Department of Defense Logistics Agency FAR codes listed @ www.SAM.gov to accept, decline or cancel any order and to decline immediately with evidence of unlawful actions or discovery.

-Determination of misrepresentation, unlawful activities and violations of commerce laws may also be prosecuted.
