

Thank You Jesus for my Mother!

Today is Mother's Day!

Have you hugged your mother today?

Well, if you haven't already, make sure you do it  
before the day is over . . .  
because this is a very special day.

God has a very special place in His heart for MOTHERS!

Mary, Mother of God and our Mother in Heaven.

*Mary, is the  
greatest woman  
who ever lived.  
She is the Mother  
of God. Make a  
habit of praying to  
Mary.*

*She cares for us,  
protects us,  
intercedes for our  
needs and draws  
us closer to her  
Son, our Lord.*

Color, cut out and add to your mother's present.
