

## We continue to celebrate Christ's Resurrection with the story of **THE ROAD TO FAMAUS**

## Read the story below and then fill in the word bubbles with what YOU think was said.

One day two disciples were walking on the road to Emmaus. Something terrible happened three days before. Jesus had been hung on a cross and crucified. They were sad and upset about this. While they were talking about what happened Jesus himself drew near, and went with them. They didn't know that it was Jesus. Jesus asked the disciples why they were so sad. They told about Jesus being crucified and how some women had been to the tomb that morning but his body wasn't there. The women had seen angels that said Jesus was alive!

Then Jesus began to explain that all through the writings of Moses and the prophets that these things were written about Him before they ever happened. As they listened their hearts were happy to hear the good news that Jesus suffered to save His people. But remember that they didn't realize it was Jesus yet. They wanted to spend more time with this stranger but he acted as if he had to continue his journey. They pleaded with him to stay for supper. As he sat down to eat he took bread, and blessed it, and brake, and gave to them.

And their eyes were opened, and they knew him; and he vanished out of their sight.
