

This image shows Jesus' hand raised giving a blessing. He also is pointing to the two rays that flow from His chest. One of the rays is red symbolizing the Blood of Jesus and the white ray symbolizes the Water that saves souls. The entire image brings to mind charity, forgiveness and God's incredible love for His children.

Today, besides being the second Sunday of Easter, we also celebrate the feast of Divine Mercy, the special day when we remember the mercy of God.

Mercy is when a person treats another better than they deserve. God always acts merciful towards us!!

Thank God today for all he has given you, especially giving up His life so that you can go to Heaven!
