ANCIENT MYSTERIES REVEALED

ALL OF HUMANITY - ROBBED!

MYSTERY BABYLON DECEIVED THE NATIONS !

The story began when the kingdom of the Messiah began looking like a worn garment. Men of other nations had walked in the name of their gods since the Mountain of the House of the Lord had been established upon the mountains at Jerusalem--following the Great Tribulation which shook the earth and turned it upside down while its occupants were hiding in dens and caves of the earth.

It was between 850-900 A.D. that King Jesus, for His faithful citizens of every nation; decided to give Satan, the devil an early release from his prison; knowing he would try to destroy Jerusalem and the saints who would be camping there during the last Feast of Tabernacles for that Kingdom Age. And just as King Jesus had dictated... Satan scouted the earth, enlisting all those of every nation who were disgruntled and unhappy with their King's edicts; especially millions who decried the fact they had to spend a whole week out of every year, camping with the King at Jerusalem--whose fields had gone barren and dry.

As the devil advanced, the numbers grew to as many as sand of the sea; though not one nation had taught war since Jesus the Most Holy had been anointed King. As they surrounded Jerusalem and the Camp of the Saints, suddenly the scene changed, and there were only the former hills, and the Mountain of the House of the Lord had surprisingly disappeared into thin air! leaving the devil and his entourage standing in the midst.

As the troops surrounding the area stood wondering what had just happened... GREAT FIRE came down from heaven and DEVoured THEM ALL, and SATAN was CAST INTO THE LAKE OF FIRE, which reportedly had been created for that purpose. But all the demonic forces were left to roam the earth until the end of the Gentile Age.

It seems there were a few folk of every nation who'd missed their ride to the Feast; as well as some who'd had second thoughts as they'd neared the City of shining splendor and tarried upon distant mountains to observe the devil's operations. Many of these were geologists and scientists given a fresh respect for their King, and they wrote extensively regarding the events of those days. But their works are now forbidden documents hidden away in the Vatican's secret library.

With the Messiah's Kingdom surviving in an unseen realm, and the devil's army destroyed; there were communities worldwide with no occupants whatsoever; but they were left unknown to the few scattered families here and there.

Being used-to attending the yearly feasts but not having transportation by air travel; much of Earth's sparse populace began making yearly religious pilgrimages to Jerusalem, which soon turned into ethnic battles for control of the city; but as time passed, the church at Rome developed a devious plan to rise up as religious center of the world, and instituted the Inquisitions--committing genocide upon everyone who could read and write--trying to erase all memory of the First Dominion of the Messiah.

The Inquisitions were court sessions targeting learned people of all walks of life. These were sought out and conducted into courts for questioning. If they refused to recant their knowledge of the former Age and their King and His technologies, they were tortured and killed by burning at the stake, or some other inhumane method. There were well known philosophers, scientists and spiritual leaders who were targeted as examples, for their followers--to hold their tongues and their pens.

Having no recourse but to philosophize the scriptures; religious leaders began making up their own doctrines to include events of the Age of the Israelite as something to take place in the future! In doing this, though: they had to pretend that those to whom Messiah's precious promises were made--never existed!

There was an ancient prophet who was given a vision that was written "for a time to come", and he saw a people ROBBED and SPOILED; all of them SNARED IN HOLES and HID IN PRISON HOUSES: all for a prey and for a spoil, with no one saying, "Restore!" And the prophet wondered, "Who will give an ear and hearken and hear, in that time to come?"

The same prophet, was told, "I will preserve your words and give them for a covenant of the people, to cause those people to inherit their desolate heritages; and that through his prophecies he would be saying to the prisoners, "Go forth", and to those in darkness, "Show yourselves."

By this Prophet Isaiah's words - Bible scholars worldwide should realize the extent to which the nations have been ROBBED, and thereby spoiled like a child who will not eat foods he's not used-to eating! And since this prophet's works have not been known to fail; we know there will be one to rise up and hearken, and say to those snared in holes of doctrinal issues and in prisons - "Go forth!" and to those hiding in darkness with the truth - "Show yourselves!"
