

Prisca Truth—Lost in Translation

By dl Andrews, July 11, 2020

Confucius once said: “Study the past to divine the future.” But then—Confucius must’ve had a “more sure word of prophecy” than we have today after a couple thousand years in translations from various languages and by differing points of theological views.

One of the. Most important points Isaac Newton and his Fellows in Study learned, was that “Many Prisca Truths have been Lost in Translation”—not only regarding study of the Bible but also of science, history, geography, technology and every other area of life.

Why is it so important to research and find prisca truths in history and Bible Beginnings? Because without knowing the truth, we cannot understand why we do the things we do, fear what we fear, and why we should faithfully hold to traditions of the past. And besides—truth of past history is necessary in keeping proper respect for God and His awesome magnificence, mighty power and His workings in our universe as well as in our lives.

I’ve picked five of the most worthy questions we should have about our past—that may pleasingly redefine our present and dispel some of our fears:

- 1) What are the UFOs that’ve been around forever, with sightings becoming more and more frequent? And, What is their mission?
- 2) What was the reasoning behind a blood sacrifice to win God’s favor?
- 3) When, where, why and how—were the grand ancient cities covered with dirt and debris, causing them to appear as simply mountains?
- 4) What sorts of information was the Church at Rome covering up when they carried out their “Inquisitions” committing genocide on everyone who could read and write?
- 5) What was the purpose for the many intaglios and geoglyphs at Nazca, Peru and in other countries—seen only from aircraft?

Answers:

- 1) What are the watchers/sons of God/angels/children of Eden—mentioned in the Bible by Daniel, Isaiah, Jeremiah, Job, Zechariah and Jude? By all the evidence we catch when looking at the Hebrew definitions—they were Adam’s and Eve’s offspring when they multiplied as God told them to—when He first put them into the Garden. An angel told Zechariah the four motherships that came from between two mountains of brass—were the four spirits of the heavens which go forth from standing before the Lord of all the earth. The black ships would go into the north country and quiet God’s Spirit and the white would go after them as white bricks of clay (to strengthen them who wished to know the Spirit?); The grizzled went forth toward the South countries and the Bay wanted to walk up and down thru the earth to spot any problems and report to the angels—who would come for our help.
- 2) What is homeopathy? The blood sacrifice was instituted as a homeopathic remedy for Adam’s and Eve’s sin when they disobeyed and became flesh and blood physical beings. The blood of bulls and sheep could not hide sin forever, but God gave them a promise to—in the fulness of time—send the seed of a woman that would be strong enough to resist all temptations and become the perfect blood sacrifice to not only hide sin; but to wash it away—never to be remembered by God; and to restore back into perfect fellowship with Him—anyone who wants Him bad enough to die to sin and be buried by water baptism in His Name for complete remission of sin.
- 3) What is - The Day of The Lord? Prophet Jeremiah gave the answer in a nutshell when he said it was at the time The Lord would begin to bring evil upon the city called by His Name—that every nation on earth would drink the wine cup of God’s fury. The Lord said *“For I will call for a sword upon all the inhabitants of the earth, saith the LORD of hosts... The LORD shall roar from on high, and utter His voice from His holy habitation; He shall mightily roar upon His habitation; he shall give a shout, as they that tread the grapes—against all the inhabitants of the earth. A noise shall come even to the ends of the earth; for the LORD hath a controversy with the nations, He will plead with all flesh; He will give them that are wicked to the sword, saith the LORD. Thus saith the LORD of*

hosts—Behold, evil shall go forth from nation to nation, and a great whirlwind shall be raised up from the coasts of the earth. And the slain of the LORD shall be at that day from one end of the earth even unto the other end of the earth: they shall not be lamented, neither gathered, nor buried; they shall be dung upon the ground.” And, He said it would be when 70 years were accomplished (after His coming to earth in the days of His flesh)—that He would punish the king of Babylon/ Assyria/Rome and that whole nation—for their iniquity, with the land of the Chaldeans, and make it a perpetual desolation (as Babylon in Syria is today).

- 4) What is Technology, and events that transpired during the first eight to nine centuries CE? And because the Bible contains all this information—a new language was developed in Italy, called Latin. One of the early bishops at Rome gathered up all the books of history, science and religion that would have that information (more than 400 books) and translated them into Latin so that the mill and run of society could not understand them. Then the churches of Italy and France instituted the Inquisitions to torture and kill-off all scientists, philosophers, Bible scholars and everyone else in the world who could read and write—casting a covering over the eyes of the nations! But Isaiah said “And He will destroy in this mountain (the city of the Terrible ones/Romans) the face of the covering cast over all people, and the vail that is spread over all nations.” The year 2012 marked the beginning of a new era of enlightenment; but like the circus flees that wouldn’t jump out of the crate when the lid was removed—Bible scholars are afraid to break out of their box of organized religion and take Bible prophecy as literal events.
- 5) What is the Feast of Tabernacles? All the prophecies of the Old and New Testaments when taken literally—prove the existence of the First Dominion of the Messiah beginning in the Last Days of the Israelite. And during that First Dominion, all peoples of earth must appear at Jerusalem yearly to enjoy a week of camping with YHSWH the king of all the earth. What types of transportation did they have? And where would they meet to wait on their ride to the New Jerusalem? Isaiah said The Lord would set a sign among the nations and they would come to Jerusalem and see His glory; He would scatter them again among the nations and they would increase as they had increased before. That means there were so many—they would take their camping gear and go to certain areas—each family waiting at their sign—for their ride. And seeing from the air—the many signs along the runways at Nazca Peru—you can imagine the many Maya families—each gathering at their own sign.

[If they are sons of God by Adam and Eve multiplying themselves—they are **terrestrial** beings, sometimes called angels or watchers..]

One of the many signs along the ancient runways at Nazca, Peru, known as geoglyphs—may be seen only from high aerial position.

One of the signs at Blythe, California known as an intaglio. May be seen only from aircraft.
