

## ***Reason for a Blood Sacrifice?***

Ancient Prophet Isaiah said *“Though your sins be as scarlet, they shall be white as snow.”* ...How will this happen?

It is a scientific fact that while beholding something red—thru a red lens—the article appears as white.

It seems no one likes the idea of 'blood sacrifices!' So, what was the reason for Christ being born to die as the 'blood sacrifice' of a being with no blemishes?

Why - blood? Why couldn't the idea of—giving-up human ambitions to do the Father's will, have been enough—without the sacrifice of blood?

In the garden of Eden God's created friends—Adam and Eve were given a command to 'multiply' and replenish the earth. So—Did they they multiply—creating many 'sons of God' also called 'watchers' and sometimes 'angels' who Do Not Have Blood, but only a type of serum flowing thru their veins?

They had also been given a command to not eat of the tree of the 'Knowledge of Good and Evil' because in the day they'd eat of that tree, they would surely die! And on the day they ate of the Tree of the Knowledge of Good and Evil—Adam's and Eve's bodies took-on a new substance called flesh and blood with internal organs to produce offspring by 'begetting' and 'bearing' children of flesh and blood thru much pain and suffering. And they began to die! And God could not look upon them as friends—without bringing a sacrifice of blood to symbolize their sin—fulfilling Isaiah's prophecy: "Tho your sins be as scarlet—they shall be as white as snow; or red like crimson—they shall be as wool. This is a law of our universe called 'homeopathy.'

But in His great Love for humanity, God gave them a promise that someday the Seed of the woman would defeat the serpent that beguiled them and took away the keys to their freedom and friendship. He even created the Israelite race with rules and regulations for the purpose of keeping a people strong enough to produce the 'Son of His Right Hand' (Psalm 80) who would be strengthened for the ability to set His face like a flint and go to the 'cross' - becoming the sacrifice of perfected scarlet blood that would purchase back to the Father - humanity as friends and 'sons of God!

And this freedom Christ purchased with His own blood - is available to all who will believe! God even gave us a promise that power to become 'sons of God' - is given to them that 'believe in His Name' and His Name includes all that Christ IS, and all He has done in reconciling the world back to the Father in heaven.

This is Love and this is Truth; and Love with Truth never fails!
