

NPSG Goal #4

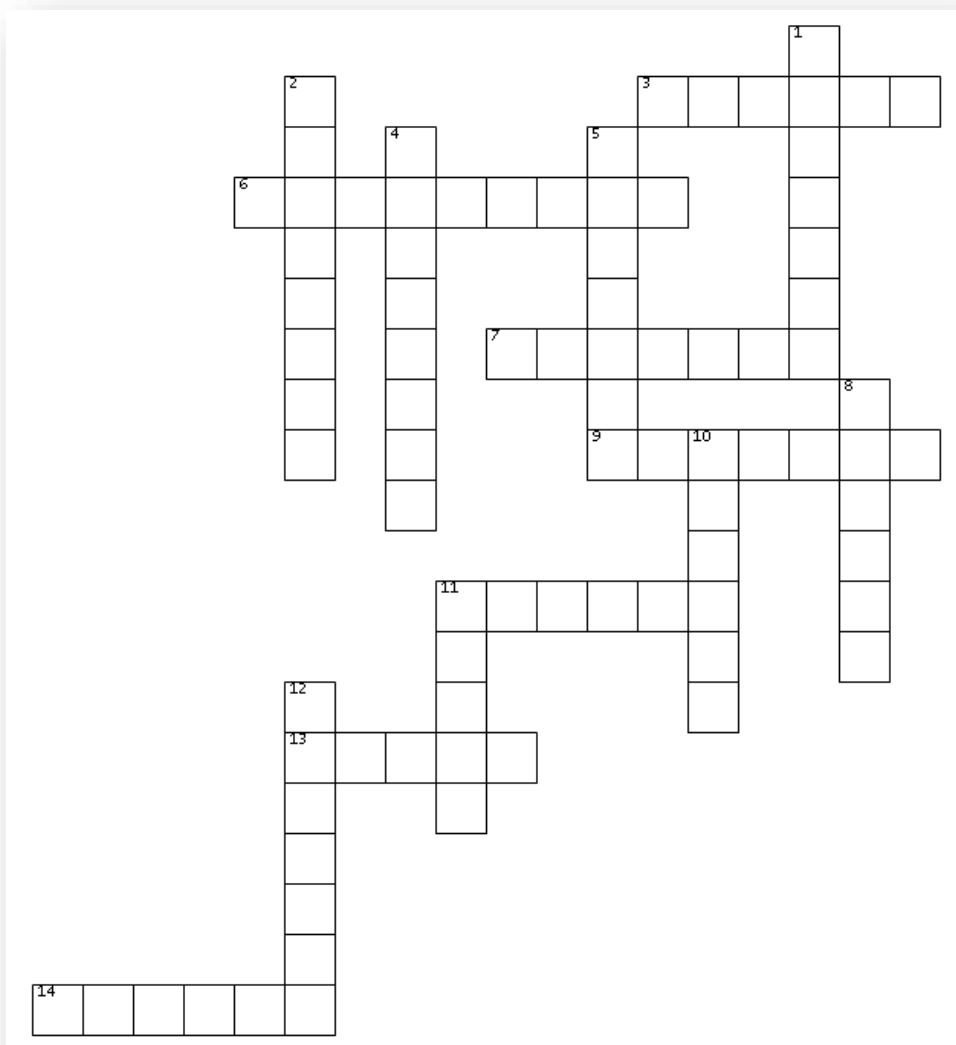

Use Alarms Safely

ACROSS

- 3. the reason alarms matter
- 6. what every beep requires
- 7. the person alarms are protecting
- 9. what you must do when an alarm beeps
- 11. what follows when an alarm is answered
- 13. state of being watchful like a meerkat
- 14. how loud the alarm is set

DOWN

- 1. our safety mascot who never misses a beep
- 2. customized parameters for each patient
- 4. working together to respond to alarms
- 5. device that displays vital signs
- 8. what you give when responding to an alarm
- 10. what an alarm truly represents
- 11. sound that signals action
- 12. what happens when alarms are ignored too often
