DEAR GENTLEMAN'S BOX MEMBER,

Happy November - one of my favorite months of the year! Fall in Michigan is such a beautiful time; the leaves changing colors, trips to the cider mill, warm dinners, and lots of hard cider (my favorite drink). This month is also exciting because it's mine and my fiances birthday month, along with four of our family members - so lots of celebrating for us.

I hope everyone is staying safe during these crazy times. My quarantine has been filled with working from home, hanging out with my two kitties, planning a wedding, and buying a house. #adulting

Although 2020 has been a crazy year, I hope you guys have found ways to stay positive during these times. 2021 is going to be awesome - I can feel it! We have some great things in store for Gentleman's Box next year - so stay tuned ;)

As always, if you have any questions or just want to chat about all things GBOX - feel free to email me at paiге@gentlemansbox.com. I love hearing from you.

Cheers!

HONORING OUR FAVORITE

Hacker

This month we honor a gentleman known for his acting career and his expressive, piercing blue eyes. One of his most successful and recent portrayals, was of the lead singer of Queen, Freddie Mercury, in the film *Bohemian Rhapsody*. This film was highly successful, grossing over \$900 million worldwide and his role largely played into that success. From 2015-2019, our honoree played Elliot Alderson, a cybersecurity engineer and hacker, in the USA Network series, *Mr. Robot*. Many would say this was his breakout role, and launched his career to new heights. He is a recipient of multiple industry awards, including an Academy Award, and Golden Globe award, to name a few. In 2019, he was named by TIME magazine, as one of the 100 most influential people in the world.

Another noteworthy trait of our honoree would be his style. He has consistent good taste. Most of his looks are simple and tailored, but he is not afraid to play around with patterns and texture. His streetwear style often includes a beanie, which is one item we have included for you in this month's box.

We hope you enjoy this month's box, inspired by “**Our Favorite Hacker.**”
