KEEP IT SIMPLE AND BEAUTIFUL

WELCOME TO THE RADICAL BRANDING
PRESENTATION TEMPLATE

Create beautiful presentations
that are easy to manage – and
are consistent with your
brand identity to convey your
personality and authority.

A FRIENDLY LITTLE MESSAGE HERE

Introduce your presentation

- Presentations are powerful marketing tools that can set you apart from other people by clearly conveying who you are and how you help.
- By having a clean, cohesive design that is consistent with your brand, you visually support your authority in your space.
- That means lots of white space, big visuals. Follow the Steve Jobs rule of no more than 5 text elements on any slide.

03

Know your audience.

Be sure your presentation is geared to the hopes and dreams of your MVC - and how you're uniquely suited to help them achieve those hopes and dreams.

04

Tailor your content.

Keep your content tight to the hopes and dreams of your MVC so they can visualize their transformation. Keep the content short so it's easy to consume.

05

Use your brand identity.

Most people have crappy presentations. By having a cohesive and polished brand identity, you will have a beautiful prez that's easy to manage.
