

Thoughts from the desk of our new, premium curator, Vince Gold.

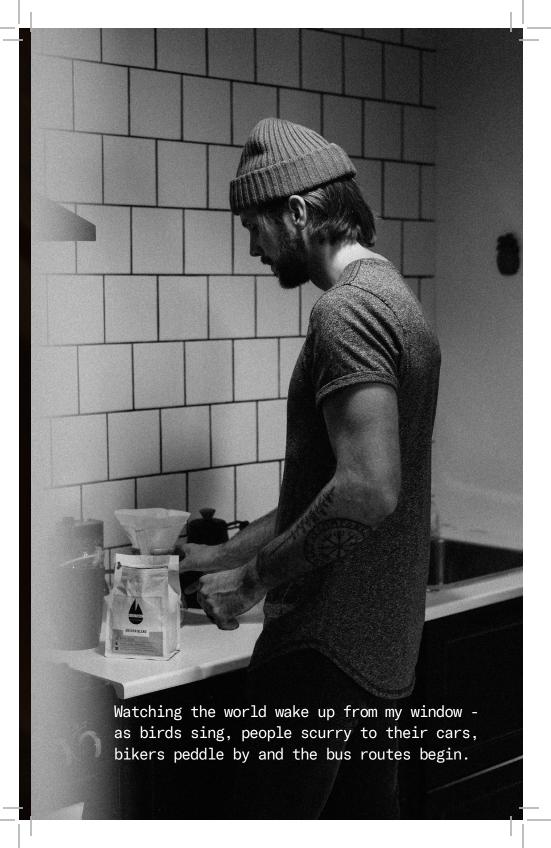

V. Gold

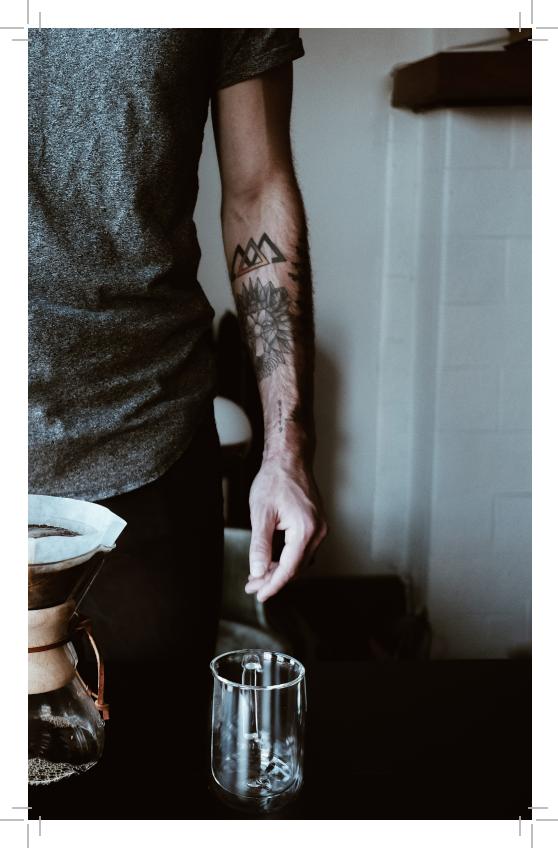

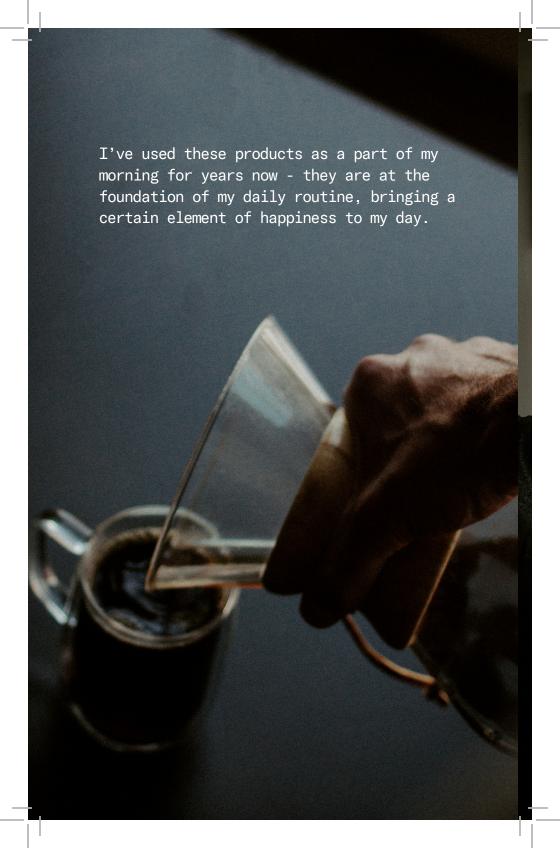

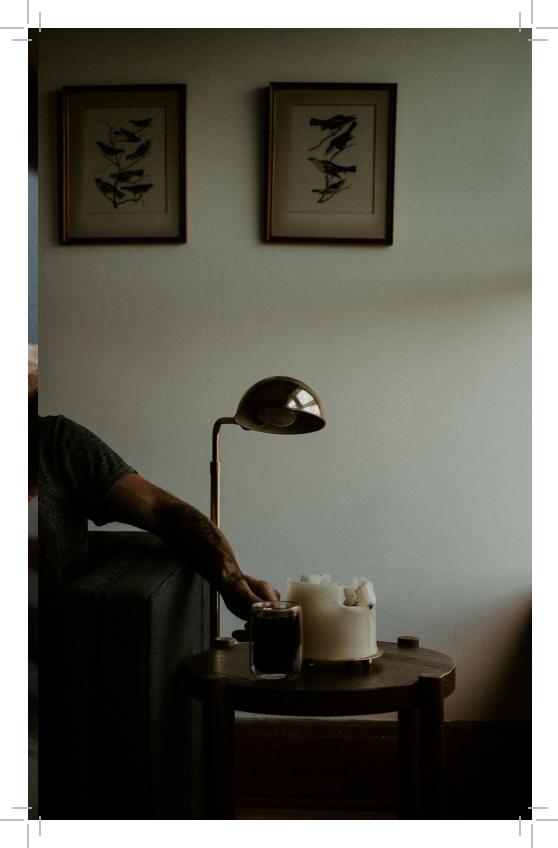

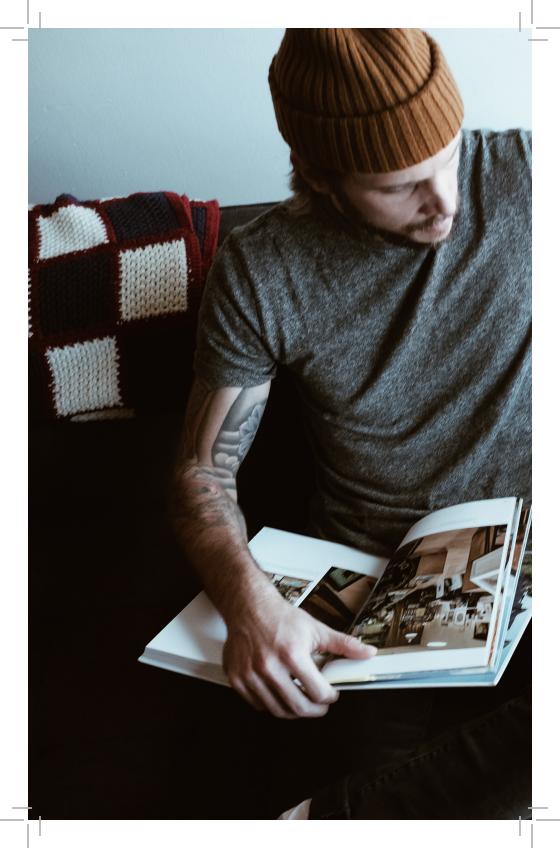

Finding joy in the simple pleasures of a fresh roasted cup of coffee, time for yourself and the quiet stillness that a home has at first light, will change the course of each and every day.

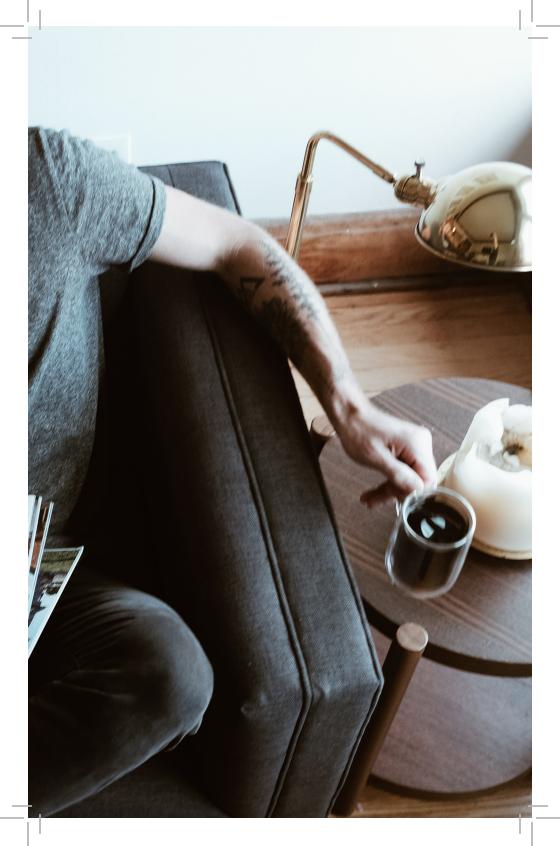

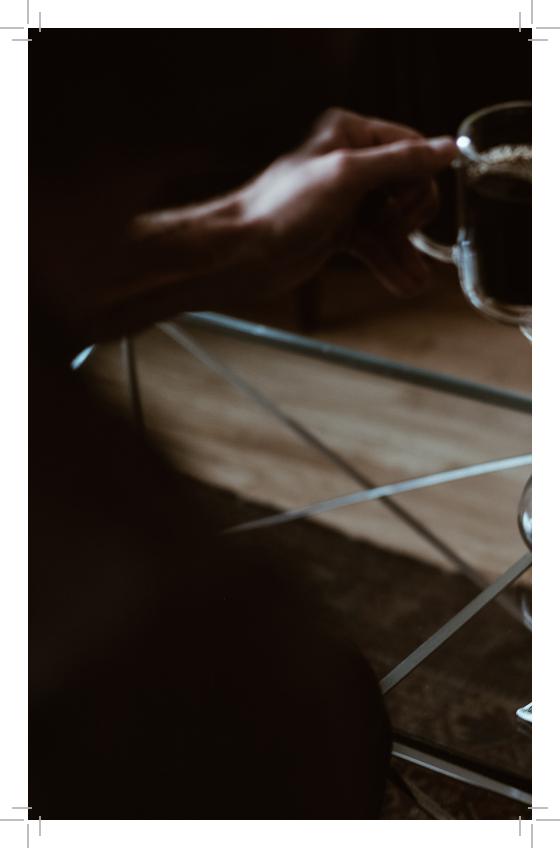

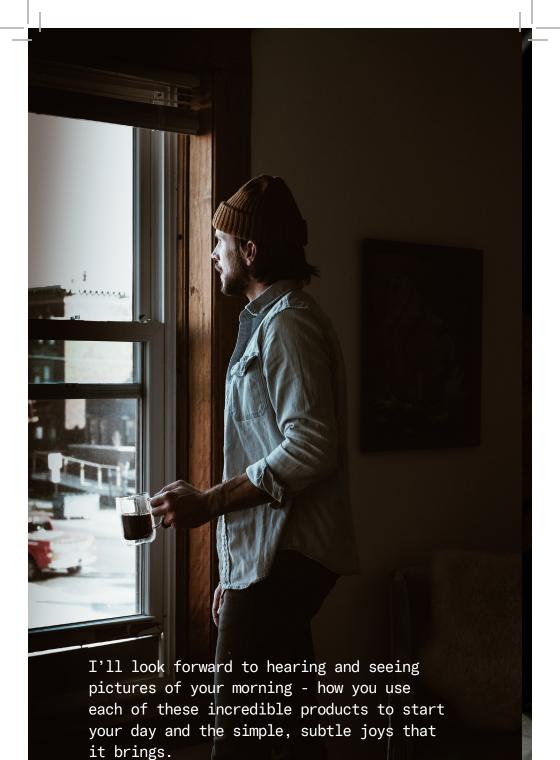

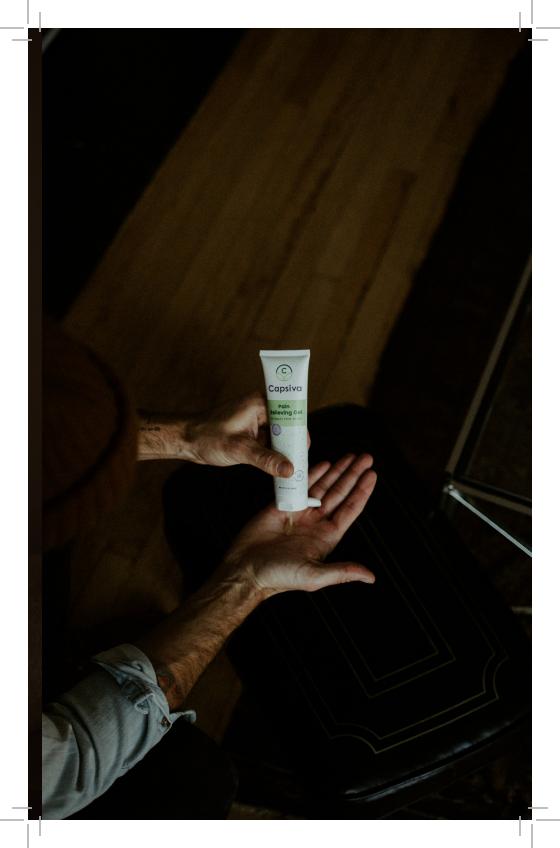

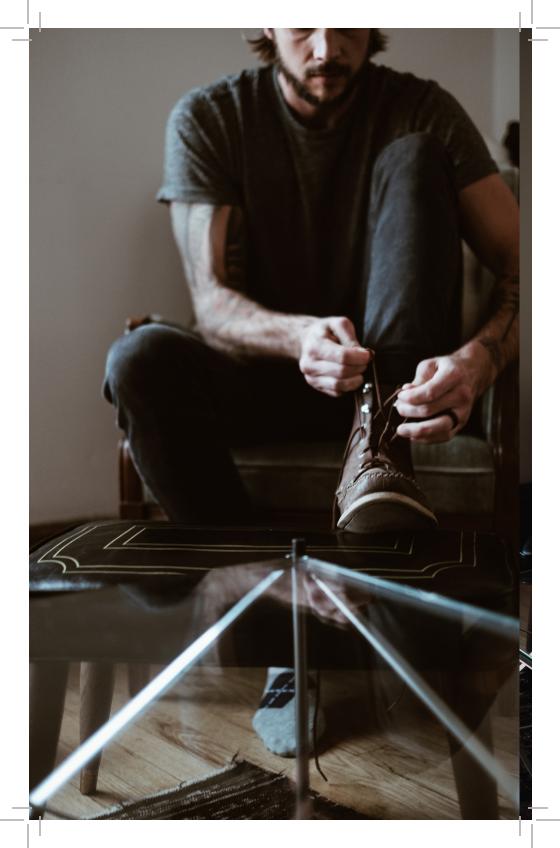

I have visions of you starting your day earlier and slower; with time for yourself. I urge you to enjoy the process that this box offers - it takes time; one of the most valuable things in this world.
