Notes:

As you finish your study of the Old Testament, chronologically this year, we have listed some resources below for you. You can get historical and cultural background that can help with the flow of events and see how it all ties together. With the books of the Bible written by more than 40 men over 1000 years, it's amazing how it all ties together. Put in a chronological order, the New Testament reading will be one that will give you a different point of view.
