God often takes a course for accomplishing His purposes directly contrary to what our narrow views would prescribe. He brings a death upon our feelings, wishes, and prospects when He is about to give us the desire of our hearts.

Amazing grace! How sweet the sound,  
That saved a wretch like me! I once  
was lost but now am found, Was blind  
but now I see.

- John Newton

*PASTOR MESSAGE*

The greatest day in your life and mine is when we take total responsibility for our attitudes. That's the day we truly grow up.

Remember, man does not live on bread alone: sometimes he needs a little buttering up.

- John C. Maxwell
