

CLIENT ENDORSEMENTS

CONTACT

"Delray Ventures highly recommends Peak HG for any Land Owner/Developer seeking the highest level of expertise and professionalism to guide you through challenging site conditions."
-Bill Caldwell, III, Construction Manager for Delray Ventures, LLC

"Peak HG helped facilitate a thorough investigation to collect sufficient information to clearly communicate environmental risks associated with the property transfer and ensure regulatory compliance."
-Max Kimmel, CEO for Mountain Environmental Services, Inc.

"We are very pleased with the comprehensive, prompt, and professional attention we received which allowed us to make informed and comfortable decisions for our project."
-Kevin & Mary Parker, Proprietors for GreenLife Inn at the Mimosa

"Peak HG is great to work with as the projects run smoothly, professionally, and are highly detailed, from start to finish."
-Aaron Black, PE/CEO Riverview Consultants, LLC
