3 Investment selection

Before completing this section, check with your employer to determine the available investment options.

New participants: Any contributions (payroll deferrals or rollovers) to your account made before you make your investment selection(s) or before your employer updates your account on the recordkeeping system with your selection(s) will be invested in the plan's default investment. Assets will remain in the default investment until you use your plan's website, americanfunds.com/retire, or call your plan's toll-free phone service at **(877) 833-9322** to exchange assets into the investment(s) of your choice.

Existing participants: Any allocation changes will apply to future contributions **only** and will not change assets currently held in your account. Your new allocations will not be effective until your employer updates your account. You can immediately update your investment allocations and/or reallocate your current assets by using your plan's website or phone service to make the desired changes. (If you use the website or call to update your account, do not submit this form to your employer.)

Invest my contributions as follows. (Only **whole** percentages will be accepted; must total 100%.)
