4 STRATEGIES TO HELP EMPLOYERS NAVIGATE IMPACTS OF COVID ON HEALTHCARE COSTS

The COVID-19 pandemic has created both a health and economic crisis, and it comes as no surprise that healthcare costs—which are inextricably linked to public health and the economy—are expected to rise over the next year. Considering that healthcare is already one of the largest expenses for your business - don't miss these tips.

THE STATUS OF THE CORONAVIRUS VACCINE AND ITS EFFECTIVENESS FOR THE ELDERLY

It is well known that a vaccine is what will truly bring an end to the spread of COVID-19. However, scientists are aware that vaccines are traditionally not as effective for the population that needs them the most – the elderly.

Why Compass?

The Compass Plan is a new and innovative health insurance product to help reduce employer costs through recruitment and retention. First picked up and endorsed by the [American Healthcare Association \(AHCA\)](#) in 2018, organizations operating across the US can add the Compass plan to their employee benefits package.

Starting at \$1 per hour for a full time employee, the Compass Plan heavily focuses on the day to day needs of front-line staff and their dependents with low copays for the most commonly used services while driving towards a free and unlimited telemedicine benefit!

Email or call me to find out how Compass Total Benefit Solutions can lower your employee benefit expenses and provide your employees with insurance that they'll use.
