COVID-19 AND THE IMPACT ON EMPLOYEE BENEFITS

Employee benefits are not immune to the impacts of the far-reaching COVID-19 pandemic. We're about to take a look at how the employee benefit structure needs to change, what's important, and a useful resource for business owners during open enrollment.

LONG-TERM CARE AND ASSISTED LIVING FACILITIES: THE OVERLOOKED HEALTHCARE HEROES

Long-term care and assisted living communities and their employees—have not appropriately been recognized for their bravery and commitment to serving the most vulnerable portion of our population during the coronavirus pandemic.

FEDERAL LIABILITY SHIELDS FOR HOSPITALS AND NURSING HOMES

As a result of major death tolls, health provider organizations are pushing for federal-level legal shields to relieve long-term care and nursing home facilities of any legal pushback they may receive regarding medical treatment throughout the pandemic.

Why Compass?

The Compass Plan is a new and innovative health insurance product to help reduce employer costs through recruitment and retention. First picked up and endorsed by the [American Healthcare Association \(AHCA\)](#) in 2018, organizations operating across the US can add the Compass plan to their employee benefits package.

Starting at \$1 per hour for a full time employee, the Compass Plan heavily focuses on the day to day needs of front-line staff and their dependents with low copays for the most commonly used services while driving towards a free and unlimited telemedicine benefit!

Email or call me to find out how Compass Total Benefit Solutions can lower your employee benefit expenses and provide your employees with insurance that they'll use.
