Surgical Excellence for Personal Injury

Waypoint Orthopaedic Associates is an ortho-extremity surgical practice serving personal injury patients throughout Tampa Bay in four locations, including St. Petersburg, Tampa, Sun City and Fishhawk.

Dr. Jeffrey D. Watson, MD established Waypoint in 2019 to specialize in offering surgeries for the shoulder, elbow, hand/wrist, hips, knees, foot/ankle and fractures at every extremity level.

Company Summary

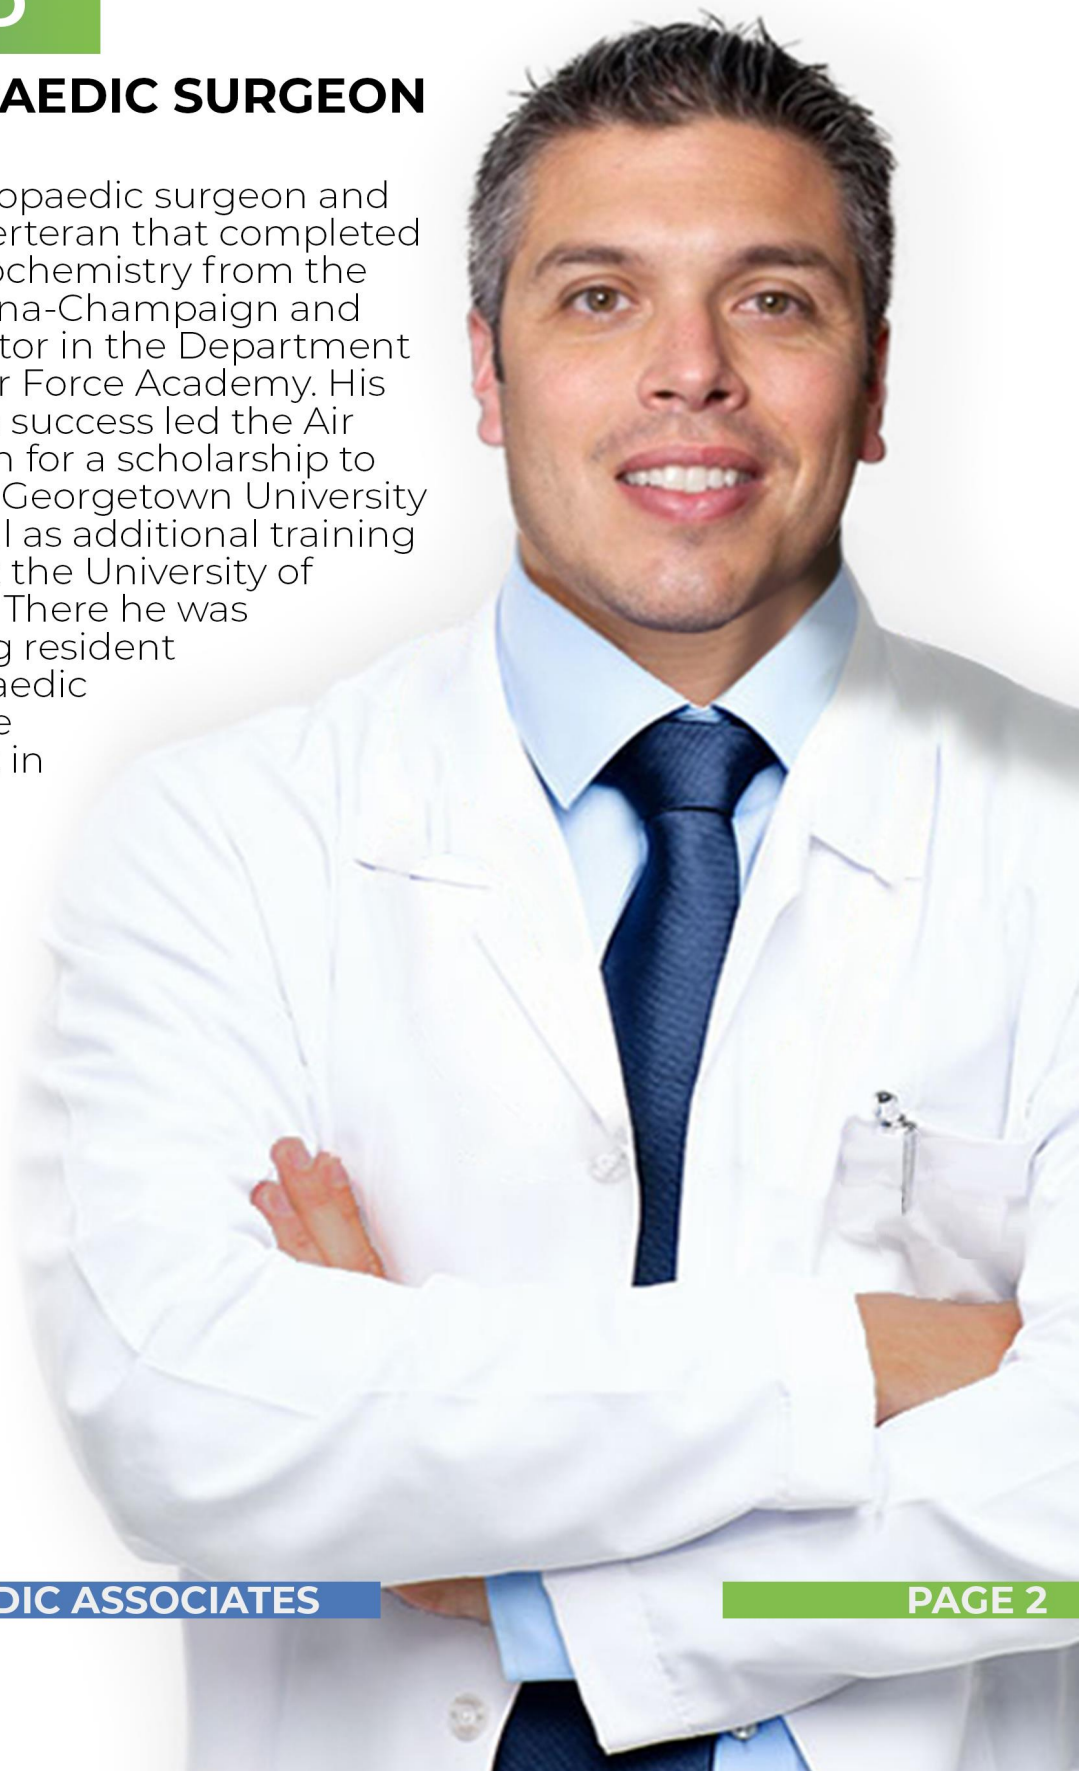

**Dr. Jeffrey
Watson, MD**

OWNER - ORTHOPAEDIC SURGEON

Dr. Jeff Watson is an orthopaedic surgeon and United States Air Force veteran that completed his Master's degree in Biochemistry from the University of Illinois, Urbana-Champaign and then served as an instructor in the Department of Chemistry at the US Air Force Academy. His academic and leadership success led the Air Force to select Dr. Watson for a scholarship to attend medical school at Georgetown University in Washington, DC as well as additional training in orthopaedic surgery at the University of Maryland/Shock Trauma. There he was awarded the top teaching resident by the Journal of Orthopaedic Trauma and served as the Academic Chief Resident in his final year.

Dr. Watson was the top ranking military officer in his department and served as the Chief of Orthopaedics at MacDill Air Force Base in Tampa, Florida. In 2014, Dr. Watson separated from the military to join Orthopaedic Medical Group and establish Waypoint Orthopaedic Associates.

PRACTICE MANAGER

Jon Wheeler brings 15 years experience working with medical practices participating in the treatment of personal injury patients. He specializes in building networks centered on patient care, generating new revenue lanes for physician offices, and maximizing case value for attorneys. For the past 10 years he has focused on the practice management of chiropractic services, physical therapy, primary care, telemedicine services, diagnostic imaging and orthopaedic surgery. His skills include utilizing information services and creating mobile technologies to increase practice efficiencies and medical reimbursement, as well as all aspects of digital and outbound marketing management.
