

JEFFREY D. WATSON, M.D.

EDUCATION

| | |
|-----------------------------|---|
| June 1991 – May 1995 | May 1995 United States Air Force Academy Bachelor of Science, Biochemistry Colorado Springs, CO |
| August 1998 – December 2000 | University of Illinois Master of Science, Biochemistry Urbana-Champaign, IL |
| August 2001 – May 2005 | Georgetown University School of Medicine Doctor of Medicine Washington, DC |

POSTDOCTORAL TRAINING

| | |
|-----------------------|---|
| June 2005 – June 2006 | Washington Hospital Center General Surgery Internship Washington, DC |
| June 2006 – June 2010 | University of Maryland / Shock Trauma Orthopaedics Orthopaedic Surgery Resident Baltimore, MD |

LICENSURE

| | |
|-------------------------|---------------------------|
| February 2012 - current | State of Florida ME112198 |
|-------------------------|---------------------------|

CERTIFICATION

| | |
|---------------|---|
| December 2015 | ABOS MOC Certified through 12/31/2022 |
| July 2012 | American Board of Orthopaedic Surgery Board Certified Diplomate |

HOSPITAL AFFILIATION AND APPOINTMENTS

| | |
|------------------------|------------------------------------|
| January 2015-current | St Joseph's South Hospital, FL |
| September 2014-current | Florida Hospital Tampa, FL |
| July 2014-current | St Joseph's Main Hospital, FL |
| June 2014-current | Winter Haven Hospital, FL |
| September 2013-current | Brandon Regional Hospital, FL |
| July 2012-current | South Florida Baptist Hospital, FL |

December 2011-current Memorial Hospital of Tampa, FL

PRACTICE HISTORY

April 2019 – current Owner, Waypoint Orthopaedic Associates

August 2012 – current Partner, Orthopaedic Medical Group of Tampa Bay Tampa, FL

July 2010 – July 2014 Chief of Orthopaedics MacDill Air Force Base, FL

HONORS

1991 Distinguished Graduate United States Air Force Academy Preparatory School

1992 Western Athletic Conference Scholar Athlete Award, Basketball United States Air Force Academy

1994 Outstanding Survival Instructor SERE Course United States Air Force Academy

1995 1000 Club, Combined Fitness and Running Test Maximum Scores United States Air Force Academy

1995 Major Michael J. Keane Award, Top Order of Merit, 40th Squadron United States Air Force Academy

1995 Outstanding Research Award Society for Applied Spectroscopy

1996 Air Force Technical Applications Center Officer of the Quarter October-December, 1996

1997 Air Force Technical Applications Center Officer of the Quarter July-September, 1997

1997 Air Force Technical Applications Center Officer of the Year

1997 Patrick Air Force Base Officer of the Year Cocoa Beach, FL

1998 Armed Forces Graduate Scholarship Program August 1998-January 2000

2001 Armed Forces Health Professions Scholarship August 2001-May 2005

2008 Best PGY3 Orthopaedic Teaching Resident Journal of Orthopaedic Trauma

2010 Academic Chief Resident University of Maryland, 2009-2010

PRESENTATIONS AND SPEAKING ENGAGEMENTS

1995 Detection of wear metals in oil and transmission fluids by ion chromatography and inductively coupled plasma spectroscopy

Pittsburgh Conference, New Orleans

- 1999 Subcloning E2 deletion constructs of human papillomavirus type 11 (HPV-11) and transcriptional analysis of HPV-18 enhancer-promoter elements
Graduate Thesis, University of Illinois at Urbana-Champaign
- 2003 The Modified Reverdin-Laird bunionectomy: a retrospective review
Georgetown University Research Day, Washington DC
- 2005 Tibiotalocalcaneal fusion using a retrograde intramedullary nail technique as a result of a failed ankle replacement: a retrospective review of seven cases
American Academy of Orthopaedic Surgeons Annual Meeting, Washington DC
- 2010 Are two plates necessary for fractures of the distal humerus?
Maryland Orthopaedic Association, Baltimore, MD
- 2010 An investigation of multiligamentous knee injuries and associated morbidities from a Level I trauma referral center
Orthopaedic Trauma Association Annual Meeting, Baltimore, MD
- 2011 Are two plates necessary for fractures of the distal humerus?
American Academy of Orthopaedic Surgeons Annual Meeting, San Diego, CA
- 2011 Are two plates necessary for fractures of the distal humerus?
American Shoulder and Elbow Surgeons Open Meeting, San Diego, CA
- 2011 An investigation of multiligamentous knee injuries and associated morbidities from a Level I trauma referral center
International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine, Rio De Janeiro, Brazil
- 2014 Keynote Speaker
Tampa Sports Academy Service Awards
- 2014 Keynote Speaker
18th Annual Women's Health Seminar Tampa History Museum
Sponsored by MacDill AFB
- 2014 Lecturer – Injuries to the shoulder
Polk State Community College
Baycare Health and Wellness

| | |
|------|---|
| 2014 | Injury prevention for active adults seminar City of Tampa Health Seminar Baycare Health and Wellness |
| 2015 | Keynote Speaker Tampa Sports Academy Service Award |
| 2018 | CLE Keynote Speaker Application of Stem Cell Therapy and the Personal Injury Patient St. Petersburg, FL |
