Founded in 1938, Alpha Kappa Psi Building Corporation is a nonprofit organization which owns approximately sixty acres of land in Duluth, Georgia. Our organization began when brothers at Georgia State University in Atlanta banded together to maintain their collegiate ties after college days were over. Since that time, Brothers from Georgia Tech, the University of Georgia, West Georgia College and many other chapters nationwide have enjoyed this love of brotherhood which is the core of our organization even today. We feel blessed to have this retreat and would like to share our little oasis with other brothers in the area.

The Brothers and Associate Members of Alpha Kappa Psi Building Corporation would like to extend a warm welcome to all Alpha Kappa Psi Brothers living in the Atlanta area. We are currently searching for Alpha Kappa Psi alumni to join us. We would like to invite you and your family to a Fish Fry on Saturday, May 3rd, from 3 P.M. to 7 P.M. Dine on filet of bream freshly caught from our pristine waters. We will have all the fixings, including a hot grill for those who prefer a hamburger. Admission is free, so make plans to attend.

To RSVP for the dinner, please call Ron Neal at 770-963-8205 or Tom Proctor at 770-962-4145.

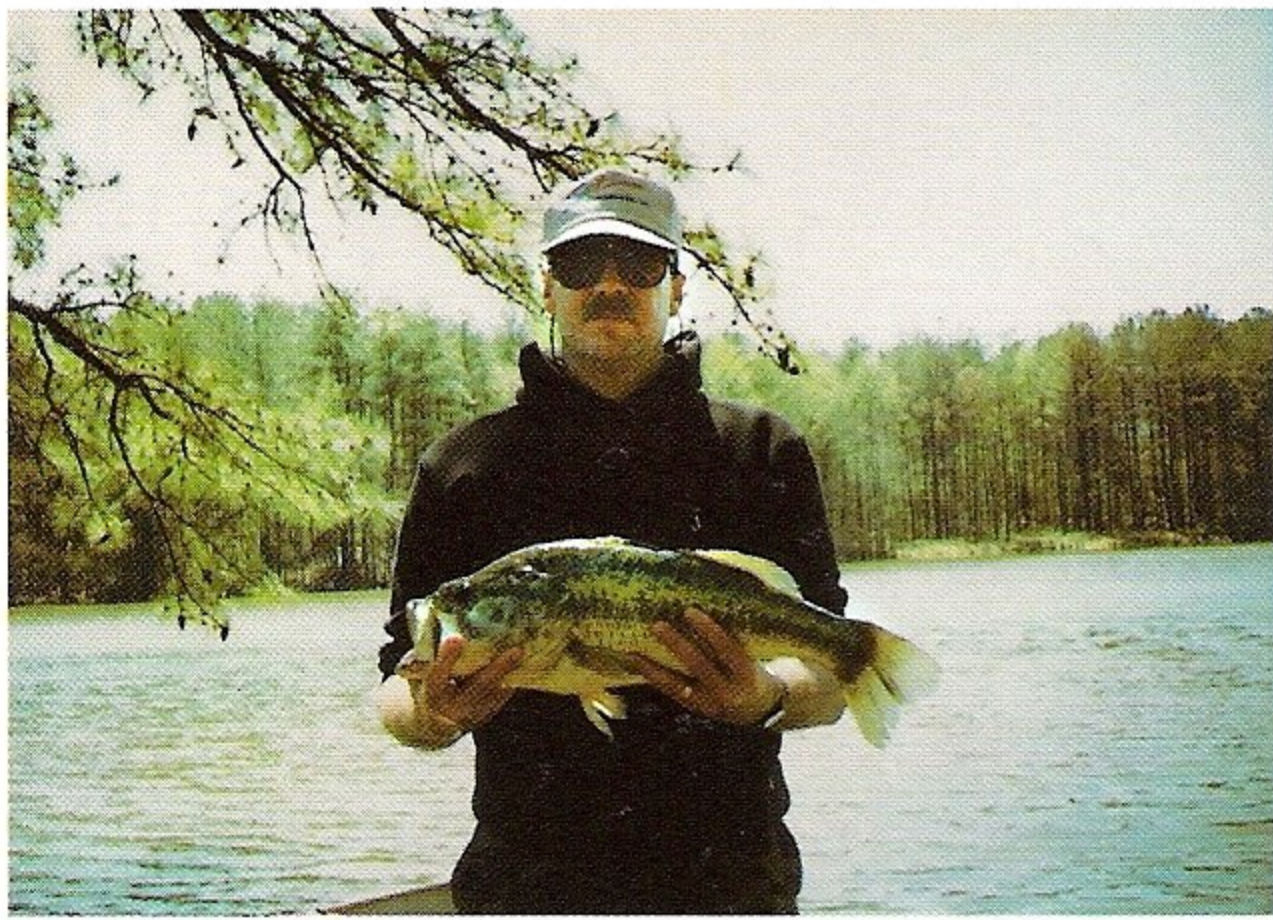

Our facility has a lodge, camping trailer area, a picnic area, and a twelve acre fishing lake. The lodge has a large meeting room, bathrooms with showers, and a kitchen. It also houses quarters for our caretaker family, who live full time on the property.

Our scenic "parklike" setting is so tranquil you won't believe you are only minutes from Gwinnett Place Mall. Located in the center of our property are twelve acres of the best fishing in the state. Nutrients are regularly added to produce an extraordinarily healthy fish population. Giant bass up to ten lbs. are often caught and generally released to provide sport for the next angler. The small bass are so abundant that no limit is imposed on those less than twelve inches long.

of this tasty fish.

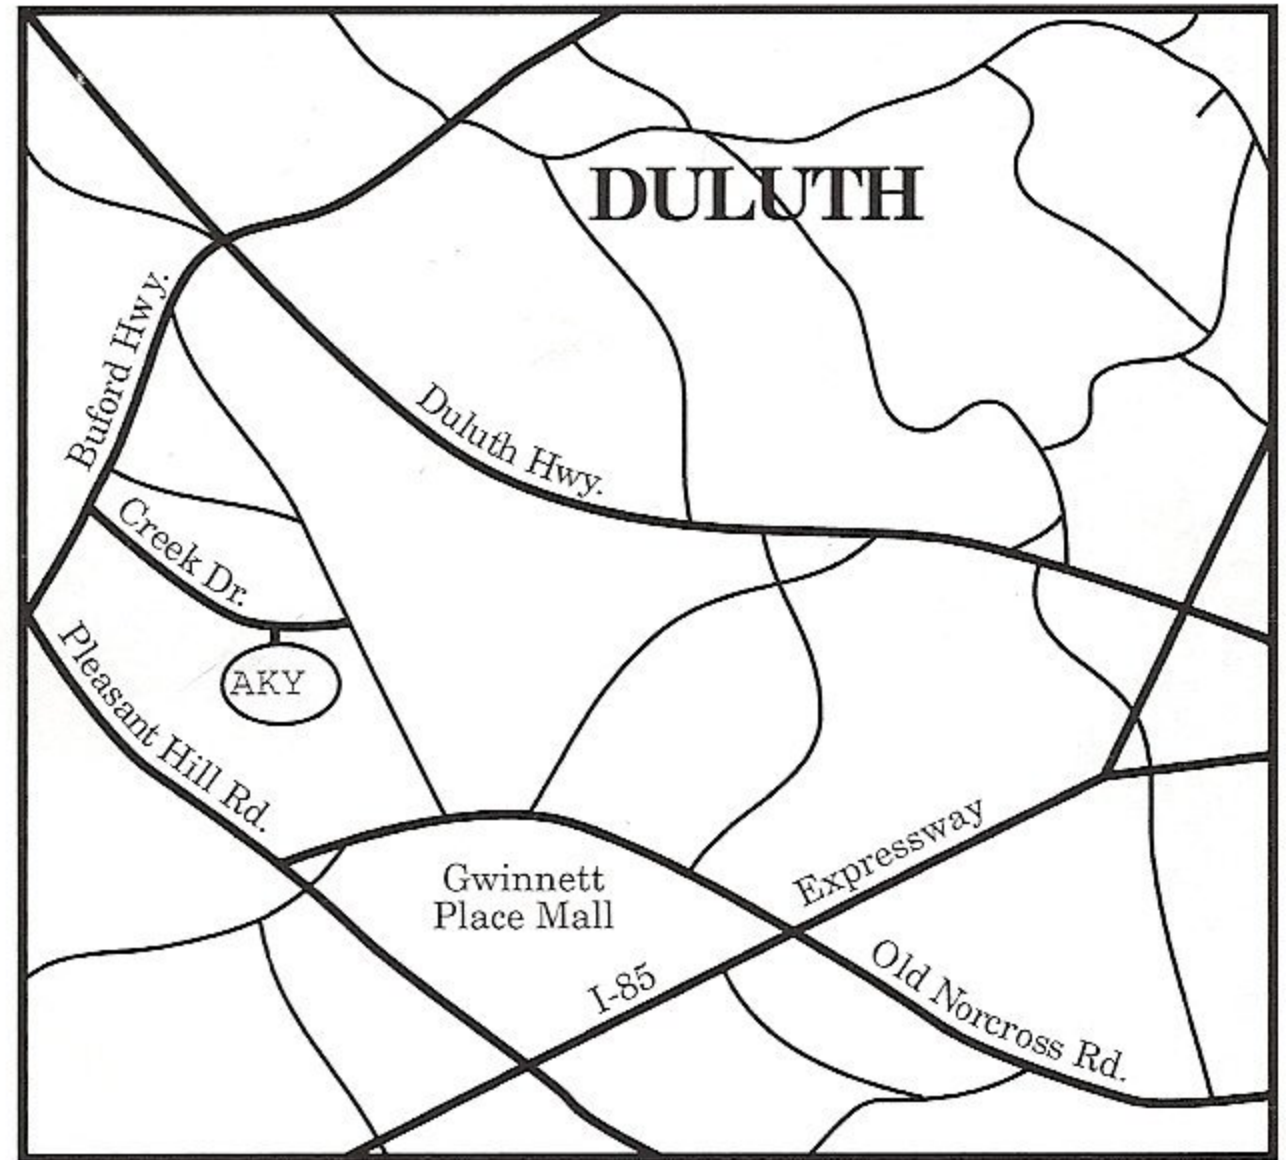

The organization has several boats and canoes available for use by all members. The campground has water and electric hookups. There are docks for swimming as well as fishing. Our picnic area is located lakeside among a grove of trees. The view from this area is beautiful. The large barbecue pit is located there under an open-sided shelter and is used for regularly scheduled cookouts during the summer as well as private parties.

The "King" fish in our lake is the Blue Gill. Our average bream is over ten inches long and weighs three-quarters of a pound. Our members regularly delight in large catches

We would like to show you our property and extend an invitation to you to join our organization. Annual dues are just . Come make new friends and possibly renew old acquaintances. One visit and you will agree that paradise can exist in your own backyard. Please feel free to call and make arrangements to visit our facility.

We look forward to meeting you and soliciting your help in keeping the spirit of Alpha Kappa Psi alive in Atlanta.

Directions: Take I-85 to Pleasant Hill Road. Take Pleasant Hill Road to Buford Highway (Hwy. 23). Turn right on Buford Highway. Turn right on Creek Drive (2nd road on the right). AKY will be 8/10 mile on the right.
