PTSO CORNER 2018-2019
(316)298-5296
finleyfarmsptso@gmail.com**

Welcome to the 2018-2019 School Year!

We are looking forward to getting to know the new parents, teachers and students to Finley Farms Elementary this year as well as the returning Falcons!

The Finley Farms Community is an important part of all of our lives and the PTSO is here to provide an avenue for open communication among the Administration, Teachers, Parents and the Students of Finley Farms Elementary.

The PTSO develops all of the events through committees made up of members of our Finley Farms Elementary Community. The PTSO would like to invite all parents to be a part of the decisions and planning by becoming a member of the PTSO. PTSO meetings are open to the public and registered members of the PTSO that attend General Meetings are eligible to vote. To become a committee Chair or member of a committee that provides a positive impact our community you must be a member of the PTSO.

The membership fee(s) for the PTSO will all go towards the funding of the supplemental reading programs for the K-6th graders at Finley Farms Elementary. One membership fee provides funds for 2 students!

The PTSO will have a booth at school events to provide the information each family needs to be a part of the events happening throughout the year. T-Shirts sold by the PTSO are encouraged to be worn on School Spirit Days and to field trips and events.

Fundraising efforts last year provided a much-needed, brand-new sound system for our Gym/Cafeteria, student supplementary programs along with many playground and classroom enhancements.

This year's fundraising efforts are primarily focused on business sponsorships. Families are encouraged to support local businesses and provide the PTSO with their favorite businesses and/or friends and families that own them to give them the opportunity to support ours.

**Finley Farms PTSO working together
to make our community better!**
