

## Our Bubble Packages

We love celebrations – everyone is in a great mood; there is lots of partying to do; your venue is unique; you are surrounded by friends and family; what's not to love?!

As each celebration is unique we will work with you to provide an experience that you and your guests will never forget. We will consult with you on the decorations to complement our Piaggio Ape van and every detail of the package, to ensure we provide a unique, fun, talking point and photo-friendly addition to your celebration.

We provide a range of different packages to suit the needs and budget of your celebration and we will travel to anywhere in the UK (additional mileage and overnight accommodation may apply).

At Simply Prosecco we are fully licensed and carry full public liability insurance.
