

HABITAT FOR HUMANITY OF PIKE COUNTY, PA VOLUNTEER FORM

Habitat for Humanity is continually in need of volunteers, with and without experience.

Almost every Monday and Tuesday morning from April through October a group of generous and dedicated volunteers have been gathering to work on constructing one of the 33 homes that have been built by Habitat of Pike County over the last 22 years. They include volunteers from all walks of life, with all levels of experience.

Experienced workers provide direction and instruction as needed. Whether volunteers are working at the construction site, or doing clean-up, providing refreshments for the workers, working at a fundraiser, running errands, doing publicity—all are welcomed and appreciated.

If you are interested in volunteering, please complete this form, letting us know what you would like to do, when you are available and how we can contact you. Please return the form to the address below.
