## Word from the President

Not a lot going on except the rain.

It's going to clear off soon and we can get back on the course. Hopefully we will have a successful year!

The new board met in February and everyone seemed excited to get busy.

The tournaments have been set and the West TN Schedule will be out soon.

We are trying to find the best price on a pump for the pool. As soon as the weather breaks, Tommy and Nancy Hopper will be taking care of it this year, along with Missy Parkerson. Please thank them for their efforts, the pool isn't an easy job!

I'm going to need a lot of help this coming year. Thanks to everyone who has offered their help so far.

Please sign up in the Pro Shop before starting your round and be sure to pay your dues as early as possible. We always run tight on money, especially this time of year.

We have a lot of big plans this year. Let's all enjoy the course, the bar, the tournaments and activities.

See you at the club,

Danny Ellison

## Keep in Mind:

- Always be sure to sign in at the Pro Shop before playing
- Rake sand, fix ball marks, pick up trash and keep the course clean
- Always start on Hole #1 when possible

## *News from our Board Members & Staff*

### **Word from Paul**

The Board has created an email address for members to express concerns, ideas, praise, etc. to the Board. Everything sent will be confidential, only the board members have access. We are always willing to accept new ideas from members, please let us know what's on your mind.

### **Junior Golf**

Updates coming soon!

### **Word from Rick**

The MGCC Bylaws have been recently updated and are available for your viewing. You can request a copy in the Pro Shop or can have one emailed to you.

Rick Shultz

### **Word from Keith**

The winter has been mild for the most part with us covering the greens on 3 different occasions. Greens look pretty good going into spring. We are currently spraying the entire course with a herbicide for weeds and pre-emerge for summer weeds. All the green slopes and tees have been sprayed. We are currently spraying fairways when it's dry enough. Rough will be sprayed when fairways are finished, within next few weeks. Tee markers have been painted. All club golf carts have had oil changed and we are working on equipment maintenance preparing for our mowing season. Hopefully warmer, sunny (No Rain) is in the near future!! Hope to see everyone out on the course soon!!

Keith Ward

### **Word from The Pro Shop**

I hope everyone has been enjoying the excellent weather we've had in these winter months. Maybe this will continue since the Groundhog didn't see his shadow this year and we have an early spring.

We are excited to have new members coming in 2020! Josh Lunn joined in January, if you see him around the club, be sure to welcome him!

It will not be long before I start taking applications for life-guards. If you know of someone that would be excellent in this position, please send them my way.

Don't forget to come by and see the products that we have for sale in the Pro Shop.

Happy golfing!  
Lynn Brasfield

### **Tournament Update**

This is going to be an exciting year for our tournament committee! Steve Gibson, Matt Bean and I attended the West TN Golf Association meeting a couple of weeks ago and set dates for our 2020 tournaments. We also gained new ideas from other Club's about how to better our tournaments and hopefully gain new players. Stay on the lookout for upcoming announcements. I'm looking forward to a successful year!

Patrick Harris

### **Board Members**

President: Stephanie Williams

Vice President: Rachel Vester

Treasurer: Carol Manning

Secretary: Kelly Dobbs & Jean Hill

### **Tuesday Ladies Scramble**

Ladies Scramble will start sometime in April.

### **Word from The Ladies**

Good afternoon members! I am Stephanie Williams, the newly elected President of the Ladies Auxiliary. Serving as the Vice-President is Rachel Vester, the Treasurer is Carol Manning and the secretary is Julie Ward. The Ladies Auxiliary has recently gained a lot of momentum and there are a lot of exciting things on the horizon. This group meets monthly to talk about projects, events and fundraisers, all for the betterment of the club. Any lady who is a new member or the significant other of any member is welcomed to join the group. The yearly dues are \$25 and if you are interested in joining us in our efforts, please contact Lynn in the Pro Shop or any of the members listed above. One of the first projects the ladies took on was the remodeling of the parlor. The room got a fresh coat of paint, removed the carpet, and new furniture. There are still things we would like to do to call it finished, but we've come a long way. At our last meeting we were asked to be involved with the entertainment committee and wasted no time in implementing a "Glow Golf Tournament" coming up March 14<sup>th</sup>. So, grab a team and join us for fun and food! Details and sign-ups are in the lounge. Our meetings are the first Monday of each month in the parlor. Our next meeting is March 2<sup>nd</sup> at 6:30. We have a lot of exciting news to pass along and look forward to seeing everyone there. If you have any questions about how you can support the Ladies Auxiliary, please contact me at 731-487-5008.
