

THE DOC CORNER

Together We Train. Together We Compete. Together We Grow.

As many of you have noticed, I often close my emails with the motto, **"Together We Train. Together We Compete. Together We Grow."** These words represent more than just a slogan—they reflect the culture we strive to build every day at our club. To me, **"Together We Train"** means coaches, players, and families working side-by-side to create a positive learning environment where effort, development, and teamwork come first. **"Together We Compete"** reminds us that while we all want to win, we do so with sportsmanship, respect for opponents, referees, teammates, and the game itself. Finally, **"Together We Grow"** reflects our commitment to helping every player, coach, and family become better—not only in soccer, but also as people. When coaches support one another, parents encourage all players, and we focus on the success of the club as a whole, we create an environment where everyone can thrive. Together, we are building something bigger than any one team, and that is what makes our club special.

Thank you for being part of our soccer family—we can't wait to get started!

FROM THE PRESIDENT

Florida weather can change quickly, and the safety of our players, coaches, families, and volunteers will always be our highest priority. This season, PSJ United has adopted a formal **Inclement Weather Policy** that outlines how weather-related decisions are made, how field closures are communicated, and what is expected during rain and lightning events. We encourage every family to review the complete policy on our website or the printed copy posted at the fields so you'll know what to expect when weather impacts our schedule.

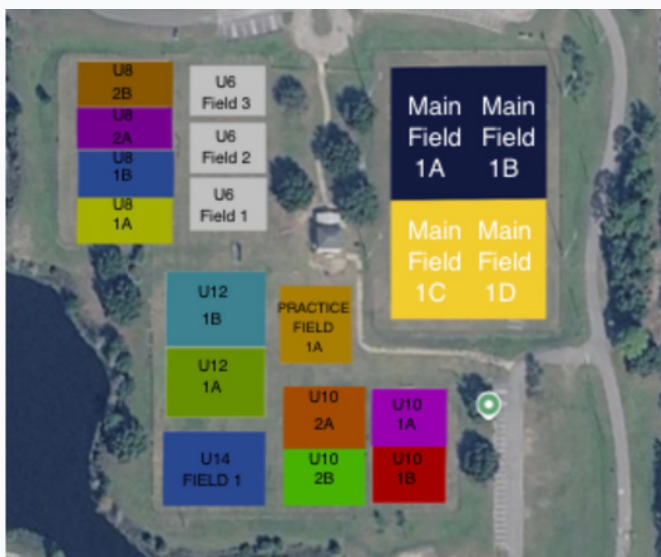

REFEREE REPORT

Advantage

Just because a foul occurs doesn't mean play must stop. If the fouled team has a better opportunity by continuing, the referee may apply advantage and deal with any misconduct at the next stoppage.

RECREATION & COMPETITION UPDATES

Fall 2026 is here! Please take a moment to review the field layout included, as we're excited about the refreshed setup for the upcoming season. Competition teams have started practicing and we can't wait to welcome all of our Recreation coaches and players back to the fields!

August 26, 2026

Rec Practice Begins
U6 and U8 Teams

September 12, 2026

GCF Opening Weekend
Rec Teams Opening Weekend

CLUB REMINDERS

Practice & Game Field Changes

As we kick off another exciting season, you may notice that some of our practice and game field locations have changed since last season, due to field closures. While change can take a little getting used to, these adjustments allow us to continue providing opportunities for all of our players to learn, grow, and enjoy the game. We appreciate the flexibility and support of our coaches, parents, and families as we adapt to these new locations. Your positive attitude and encouragement help create a fun and welcoming environment for our players. Together, we can make this a fantastic season filled with learning, teamwork, and great soccer memories!

Update On Power at the Soccer Fields

All power for concession and bathrooms is out, and the county is actively working to restore power to the restroom lights; however, the repair requires the installation of a new transformer, which may result in the lights & power being out a little longer than originally anticipated. We appreciate everyone's patience and understanding while this work is completed. The bathrooms are still usable, but limited lighting currently. In the meantime, additional restroom facilities are available near the front entrance of the park for your convenience.
