

THE UNITED MONTHLY

PORT ST JOHN SOCCER CLUB NEWS & UPDATES

September 23, 2026

FROM THE PRESIDENT

At PSJ United, we believe that setting the standard of play also means setting the standard for how we treat one another. We recently had a situation transpire that encouraged me to remind everyone that our coaches, players, referees, opponents, volunteers, and fellow families deserve to be treated with respect at all times, and disagreements should always be handled calmly and appropriately, especially in front of our players. We will always encourage passion, competition, and advocacy for our children, but verbal abuse, profanity directed at others, intimidation, or physical aggression have no place at PSJ United and will not be tolerated.

Our players are watching us, and the example we set on the sidelines and around the fields is just as important as what happens during the game. We ask every member of our PSJ United family to help us create an environment where our players feel supported, our coaches feel respected, and everyone can enjoy the game we love. Let's continue to set the standard together.

THE DOC CORNER

The Power of Practicing on Your Own

Great players don't only develop at team training—they **take ownership of their development**. Encourage your player to spend a little time each week with a ball at their feet: dribbling, juggling, passing against a wall, working on their first touch, or simply playing and experimenting. You don't need a fancy field or hours of practice, just **20-30 minutes of purposeful practice can make a difference**. Most importantly, make it fun! The more players enjoy being around the ball, the more confident, creative, and comfortable they become on the field. **Find a ball, find some space, and go play!**

RECREATION UPDATES

Embracing Change & Growing Together

As we continue through the season, we encourage our players, parents, and coaches to approach new ideas and changes with an **open mind and a willingness to grow**. Change can bring new opportunities to learn, improve, and strengthen our program. Our goal is to continue developing not only our players' soccer skills, but also their confidence, teamwork, and love for the game. We truly appreciate the continued **support, patience, and partnership of our players, parents, and coaches** as we work together to make this season a positive and rewarding experience for everyone. **We're excited for what's ahead!**

Congratulations

A huge round of applause for our U12 Knights, who brought home the **championship** trophy from the **Vero Beach Tournament!** The team delivered an incredible performance, racking up dominating wins in every single game on their way to the title.

Congratulations to the players, coaches, and families—**your hard work and dedication paid off in a big way**. Go United!
