Next Meeting: February 2, 2026

6:30 pm to eat, Meeting at 7 pm

**Location:
Mosh Pit Eats
111 Old Evans Rd.
Martinez, GA 30907**

From the President

James Aldridge

Greetings fellow CSRA Mustang and Ford Club members - welcome to 2026!

We have a great new year planned as we have already scheduled a few shows and weekend events to attend. We have a couple open shows at C&C Automotive as well as a regional Mustang and Ford only show. We will be continuing our 1st Saturday Ice-cream run and and 3rd Saturday Cruise-in starting in March. There will other outings to attend throughout the year as we learn about them or come up with new stuff ourselves. Also, with this being the USA's 250th birthday, also known as the Semiquincentennial, I'm sure there will be celebratory events to attend. Keep watching our Facebook page, checking the calendar on the website, and reading your emails for information as it becomes available.

We had a good January Club meeting with the new President (myself) and Vice-president (Jarod Aldridge) discussing club business , previous events, and the upcoming year. We also learned our meeting location will be moving later this year as Mosh Pit Eats will be relocating to a bigger venue that will provide more room for the meeting and the possibility of them hosting events on their property that the Club will be able to participate. Please visit them for your dining needs and be sure to mention how much we appreciate them hosting our monthly meetings!

I would be remiss if i didn't discuss some business so here is a reminder to submit your Club dues for 2026. Your money goes to the normal operating expenses (no, the officers don't get paid...) and providing funds for our own events like the annual Christmas Party.

In closing, I would like to thank all of you in advance for your support of the Club and the love we have for America's favorite pony car, the Ford Mustang (as well as all its siblings in the Ford family)!

James Aldridge
President
CSRAM&FC

From the Vice President

Jarod Aldridge

Hello my fellow club members and Welcome to 2026!

First I would like to thank everyone for the opportunity to represent the club as your Vice President. I look forward to another great year in 2026 with multiple shows and events already on our calendar! Please make sure you check out the calendars on both our website and Facebook page to stay up to date on our already scheduled Car Shows and Cruise Ins! Coming up first on our agenda in 2026 is our Open Car Show at C&C Automotive in Thomson, GA on March 21st. This Car Show is open to all makes and models and for entry fee, all we ask is to make a donation to the Rebecca Erryn Moon Foundation. As many of you know, we have supported the Rebecca Erryn Moon Foundation multiple times throughout the years and look forward to multiple more opportunities in the future.

Some of y'all may have seen, our club cruise to the Savoy Automobile Museum was postponed due to weather and moved to February 21st. Hopefully the weather will hold out for us in February and we can have a great showing for this event! As for club other club events coming in 2026, the 3rd Saturday Sno-Cap Cruise-Ins start back up in March along with the 1st Sunday Ice Cream Socials! We are currently in talks about other events to go along with club activities in 2026 so make sure you stay tuned for that!

Finally, I would like to thank all of our club officials and members for the continuous support for all of our activities. Club participation is a key component to making our club as great as it is! With that being said, I look forward to seeing everyone at the events we have planned this year! If you have anything you would like to bring up as a possible event for this coming year, please feel free to bring it up to me at our next meeting or anywhere you may run across me.

Jarod Aldridge
Vice President
