Next Meeting: July 6, 2026

6:30 pm to eat, Meeting at 7 pm

Location:
Mosh Pit Eats
111 Old Evans Rd.
Martinez, GA 30907

From the President

James Aldridge

Happy Semiquincentennial!

This great country has been around for 250 years! Let's be thankful we are lucky enough to live in a country where we can enjoy our Ford vehicles without too much government intervention. In fact, President Trump just signed a bill that allows us to work on and repair our cars without being arrested - I didn't know I was breaking the law the past few years!

The Club had a busy June which included a couple of out of the ordinary events.

On June 13, we took a bunch of cars to the Canaan Baptist Church Youth car wash fundraiser to help attract attention. Our cars were aligned along the street and driveway for an impressive display of Mustangs. There were several folks that pulled in to get their vehicle washed because they saw our cars. We made a donation to their cause while we were there and they were very appreciative. Mike has included a note from them expressing their thanks. We even picked some new members while we there. As I said before, this is what makes us more than just a "car club"!

Then on June 20, we supported the opening of the new MoSH Pit Event Plaza on Bobby Jones Expressway by again putting on an impressive display of Mustangs. They have plans to add shops and hold other events there in the future. There is also talk of hosting a cruise-in or car show there. Our meeting location, The MoSH Pit restaurant, will still be in its current location - for now. We are excited about the possibilities!

Also on June 20, the 3rd Saturday Cruise-in at the SnoCap is getting bigger and bigger. One will need to arrive an hour early to get prime parking on the premises. We are getting a pretty good reputation for our little event.

Well, that's all for now. I hope everyone has a good 4th of July and try to stay cool!

From the Secretary/Editor

Mike Anchor

On Saturday, June 13, approximately 13 CSRA Mustang & Ford Club members attended a fund raiser for a local church, Canaan Baptist Church in Windsor Springs Rd. The Club was there to support the church youth car wash, which was being held to raise money to help fund two camps during this summer. After some conversation with the youth pastor, all the Club Officers in attendance decided that we would like to make a donation to the fundraiser to assist with sending youth in need of funds to attend the camps. After the Club Officers decided that the Club had the funds to provide the donation, a motion was made to the Club members in attendance. The motion was seconded and discussion was conducted. The members in attendance decided that we would make a donation with an amount that would enable two youths who may not have the funds to attend the camps over the summer.

The following is the thank you email that was sent from the church:

"I just want to "Thank you" for your donation to the youth at Canaan Baptist Church. I know that having an opportunity to go to Arise will make a lasting impact on these youth. Using them to hopefully turn our younger generation back to God and what our country was built on and for. I'm sorry I missed seeing your wonderful cars. I have loved Mustang's as long as I can remember. What a blessing to have a beautiful car associated with caring people.

Does anyone know someone interested in buying and redoing a 73 Mach 1 , 68,000 miles, 2 owners , 351 Cleavland all original except the carb. If you know you can text me at 803 439 9756.

Again Thank you for your generous donation

Lisa Atchley
