Greetings fellow Ford lovers!

As we get into the warmer months, the car show season is heating up – pun intended. There seems to be an event (or multiple events) every weekend whether it be local or a day trip away. I try to keep tabs on the ones that might be interesting to the Club and post them on our Facebook page. Sometimes there may be a very short notice because I just discovered the event. If you hear or know of any events that hasn't been posted, please send me the information and I will get it out. You can use the Messenger app on Facebook or send it to me directly at [jaldridge9@comcast.net](mailto:jaldridge9@comcast.net).

Also related to the warmer months, please remember to use sunscreen and stay hydrated at any outdoor events. You can get sunburned without even thinking about it while looking at the cool cars or cleaning your own. Don't let the clouds fool you...

If you haven't already seen the posts, Mosh Pit Eats (our meeting location) will be launching MOSH PIT PLAZA & EVENT CENTER at their NEW location is at 250 Bobby Jones Expressway. They will be hosting their first event on Saturday, June 20. It would be nice if we could attend as a Club to show our support for hosting our monthly meetings. You can visit their Facebook page for more information on their event. Also, we will most likely have an organized event of our own to attend. More on that to come – watch for emails and posts on our Facebook page.

One other note: Mosh Pits Eats will remain at the current location for now. See you at the meeting!

Your Pres,

James Aldridge

Greetings,

I hope everyone had a fantastic month of May! I can't believe June is upon us! The club has some exciting requests for appearances at a couple of locations during the month of June, and we'll discuss them at the meeting. Once we announce them, you'll find all the details on the club website, so keep an eye out!

We're getting ready to roll out more plans our MCA National Show in April of 2028, and I'd love for you to consider joining a committee. It would be fantastic to plan another amazing show for the CSRA and the MCA. I'll share some updates with you to give you a sense of where we're at. Once we have the committees in place, we'll put together a sponsor packet to help us find sponsors, vendors, and show goodies.

I'm looking forward to seeing you all at the meeting on June 1!

Mike
