Greetings!

As Spring approaches, we are preparing for another great year of car related events as well as Club outings that are more about the people, not just the cars.

Our Ice Cream Sundays and frequent jaunts to out of town eateries are just a couple examples. If you have an idea for a get-together, day trip, or any other type of thing to do, let us know. We are always interested in different possibilities!

On another note, I am trying to "feature" a different Club member's car on the monthly meeting Facebook event picture each month. Please send me a picture of your car and I will use it when I create the event.

Hello Fellow Members,

We had a great time on our club trip to the Savoy Automobile Museum even with the crazy weather! As many of you know, the month of March is the start of our 2026 show season along with our Ice Cream socials and 3rd Saturday Cruise Ins at Sno-Cap! Club participation is a big part of making each of these events great and I look forward to seeing everyone at these events! As always, we will need help setting up our Car Show at C&C Automotive in Thomson, GA on March 21st. More info will come out as we get closer to the dates so make sure you stay posted to our Facebook and Club website for more info!

Greetings,

I don't have any exciting news to share right now. I wanted to remind everyone that if you are a current CSRAM&FC member and would like your Mustang or Ford vehicle to be featured in our monthly club newsletter, please send us some pictures and a brief description of your car, along with a little bit about yourself and your family (if you'd like). The idea is to help members get to know each other better. If you're looking to sell a Mustang or Ford vehicle or Mustang/Ford-related items, feel free to send that information, too. If you're a member in good standing, I'll include the item(s) in the newsletter each month. Items submitted for publication are subject to editing before inclusion in the newsletter.

Just a friendly reminder that club dues are due. You can pay at our meetings, events, or through PayPal.
