

SSI REACT RIGHT COURSE

Online Academics

To get started, simply create a free user profile at <https://my.divessi.com/register> or directly through the MySSI App. During registration you will need to select our SSI Training Center to affiliate with (#809986) we can help guide you through the registration & training process.

The course fee is \$75 for the online portion; and once that is paid we will send the course to your SSI app.

Classroom / Practical

Once you have completed all required training sessions & final exam - you're ready for the practical hands on session. Upon completion of those, we will issue your digital certification card which will show up instantly on your MySSI App, as well as order your plastic card!

The Classroom / Practical cost is \$95 for everything you need to finish your certification.

The React Right course is SSI's emergency first response course which provides you with the training and knowledge you need to act as a first responder in a medical emergency.

In this flexible dive program, you can choose which subjects you want to learn about, including primary assessment, first aid, CPR and primary stabilization techniques. You can also learn about oxygen administration in diving emergencies and Automated External Defibrillator (AED) basics. Using a combination of academic sessions and practical training scenarios, this program will give you the tools and confidence you need for emergency response. By the time you are certified, you will be able to act as an emergency first responder, provide first aid and CPR, administer oxygen and provide AED support in a medical emergency.

**Total course
is \$170**
