# Who wants to go Shark Diving - Wednesdsay, June 21, 2023

Who wants to go SHARK diving !!! We have FOUR spots left for this awesome aquarium shark dive.... please let us know if you would like to join us !!

We realize it is short notice, we were not sure we would be able to go to the Georgia Aquarium this year....but we have just received notice that they are indeed running the programs as scheduled. There will be protocols in place due to the pandemic, but still think it is worth the trip!

**Turn Your Fear into Fascination**

Don a wetsuit and venture into the deep with some of our most fearsome sharks in this new animal interaction in our ***Sharks! Predators of the Deep gallery***.

This program has a very limited schedule and capacity for reservations, so book your space now.

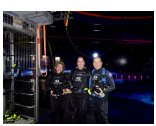
- Guests should arrive at the Animal Interactions Desk area at least 15-30 minutes prior to scheduled start time.
- Each program is limited to up to 8 guests to allow for proper social distancing.
- Guests are required to wear masks until they get in the cage.
- Guests are not required to be dive certified to participate in this program.
- Due to the nature of the cage and full-face mask, this experience may be difficult for those who have a hard time with confined spaces.
- All participants must be ages 12 and older.
- Participants under the age of 18 must be accompanied by a participating adult. For guests 15 and under, each minor must have a participating adult (one adult per 15-and-under minor required).
- All participants must be ticketed for the Interaction.
- General Admission NOT included

**SHARK CAGE DIVE COST BREAKDOWN:**
$254.77 per person (includes tax)
$43.24 for general admission to aquarium (required - includes tax)

**GRAND TOTAL - $298.01 (includes taxes)**

Reserve your spot now (by email atlantisnorthaquatics@gmail.com) by no later than April 30, 2023.

We can also take deposits for this trip; so if you want to hold a spot, it only takes $100. Deposits are non-refundable.
Please call (234-678-3708) to process that payment.

For the safety of our guests, team members and our animals, we've implemented some changes due to COVID-19:


- Georgia Aquarium is requiring that all guests age 3 and up wear a mask, covering their mouth and nose at all times. Masks will be available at our gate for those who might need one. All Georgia Aquarium team members are required to wear masks for the entirety of their shift.
- All guests must consent to a contactless temperature scan prior to entering the building. Any person exhibiting a fever (temperature of 100.4° or higher) will not be permitted entry.
- All dive / swim briefings will be completed using proper social distancing.
- At this time, friends & family members will NOT be allowed back stage but are still welcome to view from the "dry" side of the aquarium.
- Tickets are only available online and need to be purchased in advance of your visit. Entry to Georgia Aquarium will be scheduled in 30-minute timeslots. Your admission is only valid during the timeslot you select. Please arrive on time, this will allow us to ensure proper social distancing is maintained
