

INVITATION TO BID FOR PRESELECTION OF EQUIPMENT

PUBLIC WORKS # 1556-U_1

Notice

Notice is hereby given that the City of Sherman, Texas (OWNER) will receive sealed Bids for the equipment preselection for the South Wastewater Treatment Plant (SWWTP) – MBR Thickening Improvements Project until **May 6, 2025**, if date/time stamped on or before **2:00 p.m. CDT**. Pre-selected equipment is to be procured by the CONTRACTOR for the following project:

**CITY OF SHERMAN, TEXAS
SWWTP – MBR Solids Thickening Improvements**

Equipment bid proposals are requested for the following:

- a. Rotary drum thickening equipment
- b. Thickened sludge pump
- c. Polymer feed system

A technically acceptable Bid with the lowest price that best meets the OWNER’s required need shall be the basis for evaluation of the Bids.

The requirements of this Invitation and the Bid proposal provided by the selected Bidder will be incorporated into the Contract Documents for the Construction Project, and the CONTRACTOR will be required to provide this equipment based on those Contract Documents.

Bids must include all supporting documentation and information, drawings, technical data, and forms required. Each Bidder must provide a Bid with itemized quotation for an individual equipment package. Failure to provide the required information in strict accordance with the referenced sections and the documents required may result in your Bid being deemed non-responsive and disqualified from the selection process.

Any Bid received after the date and hour specified may be rejected and returned unopened to the Bidder. Bids must be addressed to:

Engineering Office
317 South Travis
Sherman, Texas 75090

The preliminary equipment selection schedule is:
