

ADVERTISEMENT FOR BIDS

Sealed bids for the construction of Elevated Water Storage Tank will be received by Greater Texoma Utility Authority on Behalf of City of Dorchester until: 1:30 PM, Tuesday, April 22, 2025 in the City of Dorchester City Office, 373 Main Street, Dorchester, Texas 75459 and then at City of Dorchester office, publicly opened and read aloud.

Information and Notice to Bidders, form of bid, plans specifications, and forms of bid bond, performance bond, and payment bond, together with other contract documents, may be examined at the offices of Biggs & Mathews, Inc., 2500 Brook, Wichita Falls, Texas. Copies may be obtained at the offices of Biggs & Mathews, Inc. upon payment of \$75.00 for each set, which is non-refundable.

Contact Kerry D. Maroney, P.E., Biggs & Mathews, Inc. 940-766-0156 or Email at kdm@bmiwf.com.

No Pre-Bid conference will be held for this project.

The major items to be furnished and installed are:

Construction of a 300,000 or 500,000 Gallon Steel Elevated Water Storage Tank and miscellaneous site work for Greater Texoma Utility Authority on Behalf of City of Dorchester

Bidders must submit with their bids a Bid Bond in the amount of Five (5%) percent of the maximum amount of bid payable without recourse to the Greater Texoma Utility Authority on Behalf of City of Dorchester from a reliable surety company as a guarantee that Bidder will enter into a contract and execute bond and guarantee forms provided within fourteen (14) days after notice of award of contract to him. Cashier's check in the amount of five (5%) percent of the bid amount will be accepted in lieu of Bid Bond. Bids submitted without a bid bond or cashier's check will not be considered.

This contract is contingent upon release of funds from the Texas Water Development Board. Any contract or contracts awarded under this Advertisement for Bids is/are expected to be funded in part by a loan or grant from the Texas Water Development Board.

Any contract(s) awarded under this Advertisement for Bids is/are subject to the United States Iron and Steel (U.S. I&S) requirements of Texas Water Code 17.183 and Texas Government Code, Chapter 2252, Subchapter F, as amended by SB 1289, 85th Legislative Session, as applicable.

The successful Bidder must furnish bond in the amount of 100% of the contract price from an approved surety company holding a permit from the State of Texas to act as surety and acceptable according to the latest list of companies holding certificates of authority from the Secretary of the Treasury of the United States, or other surety or sureties acceptable to the Owner.

The Owner has the right to reject any and all bids, and to waive any informalities in the bidding process.

In addition, a two (2) year warranty is required for all work on this project.
