The Bonds shall bear interest on the unpaid principal amounts from the date of delivery to the initial Purchaser (which date shall be the date noted in the Registration Certificate of the Paying Agent/Registrar appearing on the definitive Bonds delivered in exchange for the Initial Bond(s), and is anticipated to be April 29, 2020), and interest shall be calculated upon the basis of a 360-day year consisting of twelve 30-day months. Interest on the Bonds shall be payable on August 15, 2020 and each February 15 and August 15 thereafter until maturity or redemption.

SECTION 3: Terms of Payment – Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Bonds, due and payable by reason of maturity, redemption or otherwise, shall be payable only to the registered owners or holders of the Bonds (hereinafter called the "Holders") appearing on the registration and transfer books (the "Security Register") maintained by the Paying Agent/Registrar, and the payment thereof shall be in any coin or currency of the United States of America, which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders. A copy of the Security Register shall be maintained within the State of Texas at all times.

The selection and appointment of BOKF, NA, Dallas, Texas, as Paying Agent/Registrar for the Bonds is hereby approved and confirmed, and the Authority agrees and covenants to cause to be kept and maintained at the Designated Payment/Transfer Office (identified below) of the Paying Agent/Registrar the Security Register for the registration, payment and transfer of the Bonds, all as provided herein, in accordance with the terms and provisions of a "Paying Agent/Registrar Agreement", substantially in the form attached hereto as **Exhibit A**, and such reasonable rules and regulations as the Paying Agent/Registrar and Authority may prescribe; and the President or Vice President and Secretary or Assistant Secretary of the Board of Directors of the Authority are authorized to execute and deliver such Agreement in connection with the delivery of the Bonds. The Authority covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the Authority

agrees to promptly cause a written notice thereof to be sent to each Holder by United States mail, first-class, postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Bonds shall be payable at the Stated Maturities or on the redemption thereof, only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated office in St. Paul, Minnesota (the "Designated Payment/Transfer Office"). Interest on each Bond shall be paid to the Holder whose name appears in the Security Register at the close of business on the Record Date (the last business day of the month next preceding each interest payment date) and shall be paid by the Paying Agent/Registrar (i) by check sent United States mail, first-class, postage prepaid, to the address of the Holder recorded in the Security Register, or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. Provided, however, while the Texas Water Development Board (the "Board") is the registered owner of the Bonds, payments on the Bonds shall be made by wire transfer without expense to the Holder. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to be closed, then the date for such payment shall be the next succeeding day that is not such a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to be closed; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Authority. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class, postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 4: Redemption.

(a) Optional Redemption. The Bonds having Stated Maturities on and after August 15, 2031, shall be subject to redemption prior to maturity, at the option of the Authority, in whole or in part (in inverse order of Stated Maturity, if less than all the Outstanding Bonds are to be redeemed), in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected by lot by the Paying Agent/Registrar), on August 15, 2030, or on any date thereafter at the redemption price of par plus accrued interest to the date of redemption.

(b) Exercise of Redemption Option. At least forty-five (45) days prior to a redemption date for the Bonds (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the Authority shall notify the Paying Agent/Registrar of the decision to redeem Bonds, the principal amount of each Stated Maturity to be redeemed, and the date of redemption therefor. The decision of the Authority to exercise the right to redeem Bonds shall be entered in the minutes of the governing body of the Authority.

(c) Selection of Bonds for Redemption. If fewer than all Outstanding Bonds of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar

shall treat such Bonds as representing the number of Bonds Outstanding, which is obtained by dividing the principal amount of such Bonds by \$5,000, and shall select the Bonds to be redeemed within such Stated Maturity by lot.

(d) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States mail, first-class, postage prepaid, in the name of the Authority and at the Authority's expense, to each Holder of a Bond to be redeemed, in whole or in part, at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Bonds, (ii) identify the Bonds to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Bonds, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Bonds, or the principal amount thereof to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder. If a Bond is subject by its terms to prior redemption and has been called for redemption and notice of redemption thereof has been duly given as hereinabove provided, such Bond (or the principal amount thereof to be redeemed) shall become due and payable and interest thereon shall cease to accrue from and after the redemption date therefor; provided moneys sufficient for the payment of such Bond (or of the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar.

(e) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of, premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption and upon the satisfaction of any prerequisites set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient moneys are not received, such notice shall be of no force and effect, the Authority shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

SECTION 5: Registration – Transfer – Exchange of Bonds – Predecessor Bonds. A Security Register relating to the registration, payment, and transfer or exchange of the Bonds shall at all times be kept and maintained by the Authority at the Designated Payment/Transfer Office of the Paying Agent/Registrar, as provided herein and in accordance with rules and regulations as the Paying Agent/Registrar and the Authority may prescribe. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every Holder of the Bonds issued under and pursuant to the provisions of this Resolution, or if appropriate, the nominee thereof. Any Bond may be transferred or exchanged for Bonds of other authorized denominations by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation,

accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender of any Bond (other than the Initial Bond(s) authorized in Section 8 hereof) for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds of authorized denominations and having the same Stated Maturity and being of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond(s) authorized in Section 8 hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and being of a like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds to the Holder requesting the exchange.

All Bonds issued in any transfer or exchange of Bonds shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States mail, first-class, postage prepaid, to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the Authority, evidencing the same obligation to pay, and entitled to the same benefits under this Resolution, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu thereof pursuant to the provisions of Section 29 hereof, and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the Authority nor the Paying Agent/Registrar shall be required to issue or transfer to an assignee of a Holder any Bond called for redemption, in whole or in part, within forty-five (45) days of the date fixed for the redemption of such Bond; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 6: Book-Entry-Only Transfers and Transactions. Notwithstanding the provisions contained in this Resolution relating to the payment and transfer/exchange of the Bonds, the Authority hereby approves and authorizes the use of the "Book-Entry-Only" securities clearance, settlement, and transfer system provided by The Depository Trust Company ("DTC"), a limited purpose trust company organized under the laws of the State of

New York, in accordance with the operational arrangements referenced in a Blanket Issuer Letter of Representations by and between the Authority and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general, the Authority covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 3, 4, and 5 hereof.

The Authority agrees it will not discontinue its use of the DTC Book-Entry-Only System with respect to the Bonds without prior notice to and consent from the Texas Water Development Board while the Board is the Holder of any of the Bonds.

SECTION 7: Execution – Registration. The Bonds shall be executed on behalf of the Authority by the President or Vice President of the Board of Directors under its seal reproduced or impressed thereon and attested by the Secretary or Assistant Secretary of the Board of Directors. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the Authority on the date of the adoption of this Resolution shall be deemed to be duly executed on behalf of the Authority, notwithstanding that any of such individuals may cease to hold such offices at the time of delivery of the Bonds to the initial Holders and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Texas Government Code, Chapter 1201, as amended.

No Bond shall be entitled to any right or benefit under this Resolution, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 9(c), manually executed by the Comptroller of Public Accounts of the State of Texas or his or her duly authorized agent, or a certificate of registration substantially in the form provided in Section 9(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate upon any Bond duly signed shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered and delivered.

SECTION 8: Initial Bond(s). The Bonds herein authorized shall be initially issued either (i) as a single, fully registered Bond in the total principal amount of \$2,710,000 with principal installments to become due and payable as provided in Section 2 hereof and numbered T-1, or (ii) as multiple, fully registered Bonds, being one bond for each year of maturity in the applicable principal amount and numbered consecutively from T-1 and upward (hereinafter called the "Initial Bond(s)") and, in either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or designee thereof. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval,

certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond(s) delivered hereunder and exchange therefor definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 9: Forms.

(a) Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas to appear on the Initial Bond(s), the Registration Certificate of Paying Agent/Registrar to appear on the definitive Bonds, and the form of Assignment to appear on each of the Bonds shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Resolution, and the Bonds may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association if available) and such legends and endorsements (including insurance legends in the event the Bonds are purchased with insurance and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the Authority or determined by the officers executing such Bonds as evidenced by their execution. Any portion of the text of any Bond may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The Bonds shall be printed, lithographed, engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution thereof.

The Greater Texoma Utility Authority (hereinafter referred to as the "Authority"), for value received, hereby promises to pay to the Registered Owner of this Bond named above (the

"Holder") or the registered assigns thereof, solely from the revenues hereinafter identified, on the Stated Maturity date specified above, the Principal Amount hereinabove stated (or so much thereof as shall not have been paid upon prior redemption) and to pay interest on the unpaid principal amount hereof from the date of delivery to the initial purchaser (which delivery date is anticipated to be April 29, 2020) at the per annum rate of interest specified above computed upon the basis of a 360-day year consisting of twelve (12) 30-day months; such interest being payable on August 15, 2020, and on each February 15 and August 15 thereafter until maturity or prior redemption. Principal of this Bond is payable at its Stated Maturity date or date of redemption to the Holder thereof, upon presentation and surrender, at the Designated Payment/Transfer Office of the Paying Agent/Registrar executing the Registration Certificate hereon, or its successor. Interest is payable to the Holder of this Bond (or one or more Predecessor Bonds, as defined in the Resolution) whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the last business day of the month next preceding each interest payment date, and interest and principal due shall be paid by the Paying Agent/Registrar by check sent United States mail, first-class, postage prepaid, at the expense of the Authority or by such other method acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of the Holder. All payments of principal of, premium, if any, and interest on this Bond shall be in any coin or currency of the United States of America, which at the time of payment is legal tender for the payment of public and private debts.

If the date for payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to be closed, then the date for such payment shall be the next succeeding day that is not such a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to be closed; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Authority. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class, postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$2,710,000 (herein referred to as the "Bonds") pursuant to a Resolution adopted by the governing body of the Authority (herein referred to as the "Resolution for the construction and improvement of sewer system facilities and necessary appurtenances for use by the City of Kaufman, Texas (the "City"), including the rehabilitation of the wastewater treatment plant and the payment of all costs incident and related to the construction and financing thereof, under and in strict conformity with the Constitution and laws of the State of Texas.

The Bonds maturing on and after August 15, 2031, may be redeemed prior to their Stated Maturities, at the option of the Authority, in whole or in part (in inverse order of Stated Maturity, if less than all the Outstanding Bonds are to be redeemed), in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected by lot by the

Paying Agent/Registrar), on August 15, 2030, or on any date thereafter at the redemption price of par plus accrued interest to the date of redemption.

Not fewer than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States mail, first-class, postage prepaid, in the name of the Authority and at the Authority's expense, to each Registered Owner of a Bond to be redeemed and subject to the terms and provisions relating thereto contained in the Resolution. If this Bond (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date this Bond (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and, if moneys for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed.

In the event of a partial redemption of the principal amount of this Bond, payment of the redemption price of such principal amount shall be made to the Holder only upon presentation and surrender of this Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office, and there shall be issued, without charge therefor to the Holder hereof, a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Resolution for the then unredeemed balance of the principal sum hereof. If this Bond is selected for redemption, in whole or in part, the Authority and the Paying Agent/Registrar shall not be required to transfer this Bond to an assignee of the Holder within forty-five (45) days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Resolution have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied or sufficient moneys are not received, such notice shall be of no force and effect, the Authority shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

The Bonds constitute special obligations of the Authority, and, together with any Additional Bonds, if issued, are payable as to principal and interest solely from and equally secured by a first lien on the Pledged Revenue of the Authority (identified and defined in the Resolution, and including revenues to be received under and pursuant to Water and Sewer Facilities Contract between the Authority and the City of Kaufman, Texas, dated as of March 30, 2020, together with all amendments thereto). The Holder hereof shall never have the right to demand payment of this Bond out of any funds raised or to be raised by taxation.

Reference is hereby made to the Resolution, copies of which are on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by his or her acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the revenues pledged for the payment of the Bonds;

the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Resolution may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the Authority and the Paying Agent/Registrar; the terms and provisions upon which this Bond may be discharged at or prior to its maturity, and deemed to be no longer Outstanding thereunder; and for the other terms and provisions thereof. Capitalized terms used herein have the same meanings assigned in the Resolution.

The Authority expressly reserves the right to issue additional revenue bond obligations in all things on a parity with the Bonds, payable solely from and equally secured by a lien on the Pledged Revenue described above; provided, however, that any and all such Additional Bonds may only be issued in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Resolution, to which reference is hereby made for more complete and full particulars.

This Bond, subject to certain limitations contained in the Resolution, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the Holder hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and being of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The Authority and the Paying Agent/Registrar, and any agent of either, shall treat the Holder whose name appears on the Security Register (i) on the Record Date, as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond, as the owner entitled to payment of principal hereof at its Stated Maturity or redemption, in whole or in part, and (iii) on any other date, as the owner for all other purposes, and neither the Authority nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

It is hereby certified, covenanted, and represented that all acts, conditions, and things required to be performed, exist, and be done precedent to or in the issuance of this Bond in order to render the same a legal, valid and binding obligation of the Authority have been performed, exist, and have been done, in regular and due time, form, and manner, as required by law, and that the issuance of the Bonds does not exceed any constitutional or statutory limitation. In case any provision in this Bond or any application thereof shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Resolution shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the Board of Directors of the Authority has caused this Bond to be duly executed under the official seal of the Authority.

(o) The term "Series 2020 Project" shall mean, with respect to the Bonds, the project described in Section 1 of this Resolution.

SECTION 11: Pledge. The Authority hereby covenants and agrees that all of the Pledged Revenue is hereby irrevocably pledged for the payment of the Bonds Similarly Secured, and the interest thereon, and it is hereby declared and resolved that the Bonds Similarly Secured and the interest thereon shall constitute a first lien upon said Pledged Revenue.

Texas Government Code, Chapter 1208, as amended, applies to the issuance of the Bonds Similarly Secured and the pledge of the Pledged Revenue granted by the Authority under this Section of this Resolution, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while any Bonds Similarly Secured are Outstanding and unpaid such that the pledge of the revenues granted by the Authority under this Section is to be subject to the filing requirements of Texas Business and Commerce Code, Chapter 9, as amended, then in order to preserve to the Holders of the Bonds Similarly Secured the perfection of the security interest in said pledge, the Authority agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business and Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur.

SECTION 12: Fund Designations. The Authority hereby covenants and agrees with the Holders of the Bonds Similarly Secured that all income, receipts and revenues derived from the

operation and ownership of the Project shall be kept separate from other funds or accounts of the Authority. To that end the following special Funds (herein so called) are created and established and shall exist and govern the application of the Pledged Revenue while the Bonds Similarly Secured are Outstanding, to wit:

(a) Greater Texoma Utility Authority Revenue Fund, hereinafter called the "Revenue Fund". This Fund shall be kept in the Authority's depository bank.

(b) Greater Texoma Utility Authority Bond Interest and Sinking Fund, hereinafter called the "Bond Fund". This Fund shall be deposited with the depository bank of the Authority, or other authorized depository, as trustee of the Pledged Revenue, and moneys deposited therein shall be used to pay principal of and interest on Bonds Similarly Secured when and as the same shall become due and payable.

(c) Greater Texoma Utility Authority Bond Reserve Fund, hereinafter called the "Reserve Fund". This Fund shall be deposited with a depository bank of the Authority and money deposited therein shall be used to pay the principal of and interest on Bonds Similarly Secured falling due at any time when there is insufficient money available in the Bond Fund.

SECTION 13: Revenue Fund. All revenues and income of any kind or character received by the Authority by reason of (i) its ownership of all or a part of the Project, (ii) the operation of the Project, or (iii) the Contract, shall be deposited in the Revenue Fund.

Investment income and profits from the investment of the Revenue Fund shall be retained therein until used as provided in this Section 13.

Money in the Revenue Fund shall be used in the following order of priority:

1. Payments into the Bond Fund, as provided by Section 14;
2. Payments into the Reserve Fund, as provided by Section 15;
3. The curing of any deficiencies, as provided by Section 16;
4. The payment of other costs of the Project including maintenance and operation expenses not paid by the Authority and those purposes for which provision is made by Section 3.01(c) through 3.01(e) of the Contract; and
5. Money remaining in the Revenue Fund, after making the payments required in items (1) through (4) above, shall be transferred to any other fund referenced in this Resolution and used as a credit to the amount that would otherwise be required to be paid by the City under Section 3.01 of the Contract.

SECTION 14: Bond Fund. The Authority hereby covenants and agrees to deposit into the Bond Fund amounts sufficient to pay the principal of and interest on the Outstanding Bonds Similarly Secured as the same become due. There shall be deposited in the Bond Fund, by reason of the issuance of the Bonds, the following amounts:

From the Pledged Revenue on deposit in the Revenue Fund there shall be deposited in the Bond Fund (i) beginning on or before the first (1st) day of the month next following delivery of the Bonds and on or before the first (1st) day of each following month until and including the

first interest payment date, an amount equal to not less than the fractional amount required in order to have the amount of the first installment of interest on deposit by the first (1st) day of the month next preceding the first interest payment date, and thereafter on the first (1st) day of each following month, an amount equal to not less than one sixth (1/6) of the next installment of interest and (ii) beginning on or before the first (1st) day of the month next following delivery of the Bonds, and on or before the first (1st) day of each following month until and including the first principal payment date, an amount equal to not less than the fractional amount required in order to have the amount of the first installment of principal on deposit by the first (1st) day of the month preceding the first principal payment date, and thereafter on or before the first (1st) day of each month, an amount equal to one twelfth (1/12) of the next annual principal payment to become due on the Bonds.

The amounts required to be so deposited as specified above, shall take into account amounts already on deposit in the Bonds. Except in compliance with the rules of the Texas Water Development Board, no bond proceeds will be deposited to the Bond Fund.

The monthly deposits to the Bond Fund for the payment of principal of and interest on the Bonds shall continue to be made as hereinabove provided until such time as (i) the total amount on deposit in the Bond Fund is equal to the amount required to pay all Outstanding Bonds Similarly Secured (principal and interest) for which said Fund was created and established or (ii) all Bonds Similarly Secured are no longer Outstanding.

Investment income and profits realized from the investment of the Bond Fund shall be retained therein until used as provided in this Section.

SECTION 15: Reserve Fund. The Authority hereby covenants and agrees with the Holders of the Bonds Similarly Secured that it will provide for the accumulation of, and when accumulated, will thereafter continuously maintain in the Reserve Fund an amount equal to the average annual principal and interest requirements of all Bonds Similarly Secured (the "Required Reserve Fund Amount"). For purposes of calculating the interest requirement on any Bonds Similarly Secured bearing interest at a variable rate, the interest rate shall be calculated at 5.00%. The average annual principal and interest requirements shall be calculated on a Fiscal Year basis on the Outstanding Bonds Similarly Secured on the date of delivery of the last series of Bonds Similarly Secured (after giving effect to the issuance of such last series); provided, however, the average annual requirement shall also be calculated at the end of each Fiscal Year or upon the redemption or defeasance of any Bonds Similarly Secured. If any Bonds Similarly Secured are subject to mandatory redemption, the amount required to be redeemed in any Fiscal Year shall be treated as if it matured in that Fiscal Year. Any amounts on deposit in the Reserve Fund in excess of such requirement shall be transferred to the Revenue Fund.

Beginning on or before the first (1st) day of the first month following the delivery of the Bonds, and on or before the first (1st) day of each month thereafter, there shall be deposited in the Reserve Fund an amount equal to not less than one-sixtieth (1/60) of the Required Reserve Fund Amount, and such monthly deposits shall take into account the amounts already on deposit in said Reserve Fund.

When the Required Reserve Fund Amount has been fully accumulated, said monthly payments to said Fund may be terminated; provided, however, thereafter should the amount in such fund be reduced to be less than the Required Reserve Fund Amount, monthly deposits shall be resumed and continued to be made in an amount not less than one-twelfth (1/12) of the

amount of the deficiency, on or before the first (1st) day of each month until the Required Reserve Fund Amount has been fully restored.

Investment income and profits realized from the investment of the Reserve Fund shall be retained therein as may be necessary to fully fund or restore the Required Reserve Fund Amount and thereafter shall be transferred to the Revenue Fund.

SECTION 16: Investments - Security of Funds. Money deposited to the credit of any Fund referenced in this Resolution may, at the option of the Authority, be invested in Authorized Investments; provided that all such investments shall be made in such a manner that the money required to be expended from said Funds will be available at the proper time or times. Such investments (except State and Local Government Series investments held in book entry form, which shall at all times be valued at cost) shall be valued in terms of current market value. All interest and income derived from deposits and investments in the Bond Fund immediately shall be credited to, and any losses debited to, the Bond Fund. All interest and interest income derived from deposits in and investments of the Reserve Fund shall, subject to the limitations provided in Section 15 hereof, be credited to and deposited in the Revenue Fund. All such investments shall be sold promptly when necessary to prevent any default in connection with the Bonds.

All moneys on deposit in the special Funds for which this Resolution makes provision (except any portions thereof as may be at any time properly invested) shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds, and moneys in such special Funds shall be used only for the purposes permitted by this Resolution.

SECTION 17: Transfer of Funds - Deficiencies in Funds. (a) While any of the Bonds Similarly Secured are Outstanding, the Board of Directors shall cause to be transferred to the Paying Agent/Registrar therefor, from funds on deposit in the Bond Fund and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly as each installment of interest on and/or principal of the Bonds accrues or matures or comes due by reason of redemption prior to maturity, such transfer of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds at the close of the business day next preceding the date of payment for the Bonds.

(b) If in any month the Authority shall, for any reason, fail to pay into the Bond Fund and Reserve Fund the full amounts above stipulated, amounts equivalent to such deficiencies shall be set apart and paid into said Funds from the first available and unallocated Pledged Revenue of the following month or months, and such payments shall be in addition to the amount hereinabove provided to be otherwise paid into said Funds during such month or months.

SECTION 18: Issuance of Additional Bonds. In addition to the right to issue bonds of inferior lien as authorized by the laws of this State, the Authority reserves the right hereafter to issue Additional Bonds. The Additional Bonds, when issued, shall be payable from and secured by a first lien on and pledge of the Pledged Revenue in the same manner and to the same extent as are the Bonds, and the Bonds and Additional Bonds shall in all respects be of equal dignity. The Additional Bonds may be issued in one or more installments provided, however, that no Additional Bonds, shall be issued unless and until the following conditions have been met:

(a) The Authority is not then in default as to any covenant, condition or obligation prescribed in a resolution authorizing the issuance of the Outstanding Bonds Similarly Secured or the Contract (including any amendment or supplement thereto).

(b) A consulting engineer certifies to the Authority the need for an estimated amount of additional financing required for completion, expansion, enlargement or improvement of the Project.

(c) The City shall have approved the resolution(s) authorizing the issuance of the Additional Bonds as to form and content and acknowledged that the payment of principal of and interest on such Additional Bonds is payable, in whole or in part, from payments to be made by the City, under and pursuant to the Contract.

(d) The Additional Bonds are made to mature on February 15 or August 15 or both in each of the years in which they are scheduled to mature.

(e) The resolution(s) authorizing the issuance of the Additional Bonds provide for deposits to be made to the Bond Fund in amounts sufficient to pay the Debt Service on such Additional Bonds as the same become due.

(f) The resolution(s) authorizing the issuance of the Additional Bonds provides that the amount to be accumulated and maintained in the Reserve Fund shall be in an amount equal to not less than the average annual principal and interest requirements (calculated on a Fiscal Year basis on the Outstanding Bonds Similarly Secured as of the date of the last series of Bonds Similarly Secured after giving effect to the issuance of the Additional Bonds) for the payment of principal of and interest on all obligations to be secured by a first lien on and pledge of the Pledged Revenue, and said resolution(s) provide that any additional amount to be maintained in the Reserve Fund as a result of the issuance of the Additional Bonds shall be accumulated within not more than sixty (60) months from the date of the passage of the resolution(s) authorizing the issuance of the proposed Additional Bonds. For purposes of calculating the interest requirement on any Bonds Similarly Secured bearing interest at a variable rate, the interest rate shall be calculated at 5.00%.

(g) The Authority will demonstrate to the Board's Executive Administrator that the Pledged Revenues will be sufficient to pay the Bonds and the proposed Additional Bonds.

Bonds Similarly Secured may be refunded (pursuant to any law then available) upon such terms and conditions as the governing body of the Authority may deem to be in the best interest of the Authority, and if fewer than all such Outstanding Bonds Similarly Secured are refunded, the proposed refunding bonds shall be considered as "Additional Bonds" under the provisions of this section but the certificate required in subparagraph (b) above shall not be required or be applicable to the issuance of such refunding bonds.

SECTION 19: Insurance. The Authority covenants that it will at all times keep insured such of its plants, structures, buildings, stations, machinery, equipment, apparatus, distribution pipelines and equipment, as are usually insured by corporations operating like properties, with a responsible insurance company or companies, against risks, accidents or casualties against which and to the extent insurance is usually carried by corporations operating like properties, and will also at all times maintain worker's compensation insurance and insurance against public liability and property damages to the extent permitted by law, in a reasonable amount with a responsible insurance company or companies; provided, however, that any time while the

City or any contractor engaged in construction work shall be fully responsible therefor, or the Authority has assumed such responsibility, the Authority shall not be required to carry such insurance. The Authority further covenants that such insurance with respect to the Project shall be in an amount sufficient to protect the Board's interest in the Project.

SECTION 20: Records - Accounts - Accounting Reports. The Authority hereby covenants and agrees that so long as any of the Bonds Similarly Secured or any interest thereon remain Outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts on a Fiscal Year basis pertaining to the operation of the Project separate and apart from all other records and accounts of the Authority in accordance with accepted accounting practices and complete and correct entries shall be made of all transactions relating to said Project. The Holder or Holders of any Bonds Similarly Secured, or any duly authorized agent or agents of such Holders, shall have the right at all reasonable times to inspect all such records, accounts and data relating thereto and to inspect the Project and all properties comprising same. The Authority further agrees that within ninety (90) days following the close of each Fiscal Year, or as soon thereafter as possible, it will cause an audit of such books and accounts to be made by an independent firm of Certified Public Accountants or Licensed Public Accountants. Each such audit, in addition to whatever other matters may be thought proper by the Accountant, shall particularly include the following:

- (a) A detailed statement of the receipts and disbursements from the Revenue Fund.
- (b) A balance sheet as of the end of such Fiscal Year.
- (c) The Accountant's comments regarding the manner in which the Authority and the City have complied with the covenants and requirements of this Resolution and the Contract and his recommendations for any changes or improvements in the operation, records and accounts of the Authority.
- (d) A list of the insurance policies in force (if obtained by the Authority) at the end of the Fiscal Year on the Project properties, setting out as to each policy the amount thereof, the risk covered, the name of the insurer, and the policy's expiration date.
- (e) A list of the securities that have been on deposit as security for money in the Bond Fund and Reserve Fund throughout the Fiscal Year, a list of the securities, if any, in which money in the Bond Fund and Reserve Fund has been invested, and a statement of the manner in which money in the Revenue Fund has been secured in such Fiscal Year.

Expenses incurred in making the audits referred to above are to be regarded as Maintenance and Operating Expenses of the Project and paid as such. Copies of the aforesaid annual audit shall be immediately furnished to the Executive Director of the Municipal Advisory Council of Texas at his or her office in Austin, Texas, the Texas Water Development Board, Attention: Executive Administrator, and, upon written request, to the initial Holder and any subsequent Holder of the Bonds Similarly Secured.

SECTION 21: Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the Authority covenants and agrees particularly that in the event (a) the Authority defaults (i) in payments to be made to the Bond Fund or Reserve Fund as required by this Resolution, or (ii) in the observance or performance of any other of the covenants, conditions or obligations set forth in this Resolution or (b) the City defaults under the Contract, any Holder shall be entitled to a writ of mandamus issued by a court of proper

jurisdiction compelling and requiring the Board of Directors and other officers of the Authority to observe and perform any covenant, condition or obligation prescribed in this Resolution or to compel the City to remedy the defaults under the Contract.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedy herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive.

SECTION 22: Special Covenants. The Authority hereby further covenants as follows:

(a) It has the lawful power to pledge the revenues supporting this issue of Bonds and has lawfully exercised said power under the Constitution and laws of the State of Texas; that the Bonds and the Additional Bonds, if issued, shall be ratably secured under said pledge of the Pledged Revenue in such manner that one bond shall have no preference over any other bond of said issues.

(b) Other than for the Bonds, the Pledged Revenue has in no manner been committed or pledged to the payment of any debt or obligation of the Authority.

(c) So long as any of the Bonds or any interest thereon remain Outstanding, the Authority will not sell or encumber the Project or any substantial part thereof; provided, however, this covenant shall not be construed to prohibit the sale of such machinery, or other properties or equipment which has become obsolete or otherwise unsuited to the efficient operation of the Project, and, also, with the exception of the Additional Bonds expressly permitted by this Resolution to be issued, it will not encumber the Pledged Revenue unless such encumbrance is made junior and subordinate to all of the provisions of this Resolution.

(d) The Authority will maintain rates and charges to the City sufficient to meet the debt service requirements on the Outstanding obligations of the Authority that are supported by such revenues and the establishment of the special funds maintained for the payment and security of such obligations.

None of the special covenants herein appearing shall be construed in any manner which would deprive the Authority of its right to pledge any revenues produced by modification of the Contract and specifically designated to meet obligations incurred in providing the Authority with enlarged or additional facilities; further, none of said covenants shall be construed in any manner that would deprive the Authority of its right to pledge that part of any revenue or income derived by it from other future contracts with other cities, towns or villages or the Authority or others and required to satisfy conditions for payment of other bonds or obligations issued by the Authority and such right is especially reserved.

SECTION 23: Bonds are Special Obligations. The Bonds are special obligations of the Authority payable from the Pledged Revenue and the Holders thereof shall never have the right to demand payment thereof out of funds raised or to be raised by taxation.

SECTION 24: Bonds are Negotiable Instruments. Each of the Bonds herein authorized shall be deemed and construed to be a "Security" and as such a negotiable instrument, within the meaning of Texas Business and Commerce Code, Chapter 8, as amended.

SECTION 25: Construction Fund. The Authority hereby creates a construction fund account in the Authority's depository bank, which is known as the "Construction Fund," into which shall be deposited all remaining proceeds derived from the sale of the Bonds in accordance with Section 30 of this Resolution and this Section. To the extent of any conflict between this Section and Section 30, Section 30 controls. In this Section, when the term "Cost(s) of the Project" is used, the reference is to the Series 2020 Project.

Moneys on deposit in the Construction Fund shall be disbursed only for payment of the respective Costs of the Project financed. All expenditures for construction, labor, and materials shall be disbursed only upon receipt of a certificate of the Engineer (as defined in the Contract) based upon estimates of work and material furnished as approved by such Engineer and submitted to the Authority and the City's Engineer for approval prior to payment. The Authority shall keep records of the nature and amount of all Construction Fund expenditures and make the same available to the City and the engineers at all reasonable times. Should there be any balance in the Construction Fund after all such Costs of the Project have been paid, such balance shall be deposited in the Bond Fund or the Reserve Fund subject to tax law limitations.

SECTION 26: Notices to Holders-Waiver. Wherever this Resolution provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States mail, first-class, postage prepaid, to the address of each Holder as it appears in the Security Register.

In any case in which notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Resolution provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 27: Cancellation. All Bonds surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the Authority, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The Authority may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered that the Authority may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Bonds held by the Paying Agent/Registrar shall be destroyed as directed by the Authority.

SECTION 28: Satisfaction of Obligation of Authority. If the Authority shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Resolution, then the pledge of the Pledged Revenue under this Resolution and all other obligations of the Authority to the Holders shall thereupon cease, terminate, and become void and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity or to the redemption date therefor,

together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The Authority covenants that no deposit of moneys or Government Obligations will be made under this Section and no use made of any such deposit that would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar or an authorized escrow agent, pursuant to this Section that is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the Authority or deposited as directed by the Authority. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall, upon the request of the Authority, be remitted to the Authority against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the Authority shall be subject to any applicable unclaimed property laws of the State of Texas.

SECTION 29: Mutilated – Destroyed – Lost and Stolen Bonds. In case any Bond shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Bond, or in lieu of and in substitution for such destroyed, lost or stolen Bond, only upon the approval of the Authority and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the Authority and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, or destroyed, lost or stolen.

Every replacement Bond issued pursuant to this Section shall be a valid and binding obligation, and shall be entitled to all the benefits of this Resolution equally and ratably with all other Outstanding Bonds; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 30: Sale of the Bonds. The sale of the Bonds to the Texas Water Development Board (herein referred to as the "Purchaser" and the "initial Holder") pursuant to a loan commitment received from said Board, at the price of par, less a loan origination fee of \$46,609.00, to provide for the Bonds to bear interest at an effective interest rate equivalent to the Purchaser's lending rate therefor, is hereby confirmed and declared to be in the best interests of the Authority. Delivery of the Bonds to said Purchaser shall occur as soon as possible upon payment being made therefor in accordance with the terms of sale.

SECTION 31: Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the initial Purchaser against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"Rebate Amount" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Regulations" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of (i) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and (ii) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The Authority shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on (1) any Bond issued hereunder or (2) any series of bonds or obligations issued or incurred by the Texas Water Development Board or the Texas Water Resources Finance Authority to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Authority receives a written opinion of counsel nationally recognized in the field of municipal

bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the Authority shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the Authority shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the Authority or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the Authority shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the Authority shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Authority shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The Authority shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The Authority shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six (6) years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the Authority may commingle Gross Proceeds of the Bonds with other money of the Authority, provided that the Authority separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the Authority shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The Authority shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six (6) years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchaser and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the Authority shall pay to the United States out of the Construction Fund, other appropriate fund or, if permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the Bond Fund, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The Authority shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Elections. The Authority hereby directs and authorizes the President, Vice President, Secretary and/or Assistant Secretary of the Board of Directors of the Authority, and the General Manager of the Authority, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or

appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(j) Nonpurpose Investments. No portion of the proceeds of the Bonds will be used, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire Nonpurpose Investments which produce a yield materially higher than the yield on the Board's bonds that were issued to provide financing for the Bonds (the "Source Series Bonds"), other than Nonpurpose Investments acquired with:

(i) proceeds of the Board's Source Series Bonds invested for a reasonable temporary period of up to three (3) years (reduced by the period of investment by the Board) until such proceeds are needed for the facilities to be financed;

(ii) amounts invested in a bona fide debt service fund, within the meaning of § 1.148-1(b) of the IRS Regulations; and

(iii) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed the least of maximum annual debt service on the Bonds, 125% of average annual debt service on the Bonds, or 10 percent of the stated principal amount (or, in the case of a discount, the issue price) of the Bonds.

SECTION 32: Control and Custody of Bonds. The President of the Board of Directors of the Authority shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas, including the printing and supply of definitive Bonds, and shall take and have charge and control of the Initial Bond(s) pending approval by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery thereof to the Purchaser.

Furthermore, the President, Vice President, Secretary, and/or Assistant Secretary of the Board of Directors of the Authority, and the General Manager of the Authority, are hereby authorized and directed to furnish and execute such documents relating to the Authority and its financial affairs as may be necessary for the issuance of the Bonds, the approval of the Bonds by the Attorney General and their registration by the Comptroller of Public Accounts and, together with the Authority's financial advisor, bond counsel and the Paying Agent/Registrar, make the necessary arrangements for printing of the definitive Bonds and the delivery of the Initial Bond(s) to the initial Purchaser and the exchange thereof for definitive Bonds.

SECTION 33: Rules and Regulations of the Texas Water Development Board

The Authority, all contractors, and all subcontractors shall ensure that all Project contracts mandate compliance with Davis-Bacon. All contracts and subcontracts for the construction of the Series 2020 Project shall include in full in any contract in excess of \$2,000 the contracts clauses as provided by the Board.

The Authority shall be obligated to observe and perform the covenants specified in this Section with respect to the Authority and the Bonds while, but only while, the Authority remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the Authority in any event will give notice required by subsection (c) hereof of any Bond calls and defeasance that cause the Authority to be no longer such an "obligated person."

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Authority

undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the financial results, condition, or prospects of the Authority, the City, or the State of Texas or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Authority does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

No default by the Authority in observing or performing its obligations under this Section shall constitute a breach of or default under this Resolution for purposes of any other provision of this Resolution.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Authority under federal and state securities laws.

Notwithstanding anything herein to the contrary, the provisions of this Section may be amended by the Authority from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Authority, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Resolution that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a Person that is unaffiliated with the Authority (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the Authority if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the Authority's right to do so would not prevent underwriters of an initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the Authority so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

ARTICLE THREE PAYING AGENT

Section 3.01 Duties of Paying Agent. As Paying Agent, the Bank shall pay, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, on behalf of the Issuer the principal of each Security at its Stated Maturity, Redemption Date or Acceleration Date, to the Holder upon surrender of the Security to the Bank at the following address:

BOKF, NA Corporate Trust Services
111 Fillmore Avenue East
St. Paul, Minnesota 55107-1402

As Paying Agent, the Bank shall, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, pay on behalf of the Issuer the interest on each Security when due, by computing the amount of interest to be paid each Holder and making payment thereof to the Holders of the Securities (or their Predecessor Securities) on the Record Date (as defined in the Authorizing Document). All payments of principal and/or interest on the Securities to the registered owners shall be accomplished (1) by the issuance of checks, payable to the registered owners, drawn on the paying agent account provided in Section 5.05 hereof, sent by United States mail, first class postage prepaid, to the address appearing on the Security Register or (2) by such other method, acceptable to the Bank, requested in writing by the Holder at the Holder's risk and expense.

Section 3.02 Payment Dates. The Issuer hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Authorizing Document.

ARTICLE FOUR REGISTRAR

Section 4.01 Security Register - Transfers and Exchanges. The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office books and records (herein sometimes referred to as the “Security Register”) for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be reasonably required by the Issuer and subject to such reasonable regulations as the Issuer and the Bank may prescribe. All transfers, exchanges and replacements of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the Financial Industry Regulatory Authority, such written instrument to be in a form satisfactory to the Bank and duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02 Securities. The Issuer shall provide additional Securities when needed to facilitate transfers or exchanges thereof. The Bank covenants that such additional Securities, if and when provided, will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03 Form of Security Register. The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

Section 4.04 List of Security Holders. The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the required fee, a copy of the information contained in the Security Register. The Issuer may also inspect the information contained in the Security Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the Issuer so that the Issuer may contest the court order or such release or disclosure of the contents of the Security Register.

Section 4.05 Return of Cancelled Securities. The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, all Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

Section 4.06 Mutilated, Destroyed, Lost or Stolen Securities. The Issuer hereby instructs the Bank, subject to the provisions of the Authorizing Document, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such mutilated, destroyed, lost or stolen Security, only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, destroyed, lost or stolen.

Section 4.07 Transaction Information to Issuer. The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

ARTICLE FIVE THE BANK

Section 5.01 Duties of Bank. The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

Section 5.02 Reliance on Documents, Etc.

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in

a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document supplied by the Issuer.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

(g) The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum or letter as prepared by the Issuer, Issuer's financial advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum or letter acknowledged by the Issuer, the Issuer's financial advisor or other agent as the final closing memorandum or letter. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

Section 5.03 Recitals of Issuer. The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04 May Hold Securities. The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05 Moneys Held by Bank - Paying Agent Account/Collateralization. A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of moneys received from the Issuer under this Agreement for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such paying agent account shall be made by check drawn on such account unless the owner of the Securities shall, at its own expense and risk, request an alternative method of payment.

Subject to the applicable unclaimed property laws of the State of Texas, any money deposited with the Bank for the payment of the principal of, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Texas Property Code, as amended. The Bank shall have no liability by virtue of actions taken in compliance with this provision.

The Bank is not obligated to pay interest on any money received by it under this Agreement.

This Agreement relates solely to money deposited for the purposes described herein, and the parties agree that the Bank may serve as depository for other funds of the Issuer, act as trustee under indentures authorizing other bond transactions of the Issuer, or act in any other capacity not in conflict with its duties hereunder.

Section 5.06 Indemnification. To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

Section 5.07 Interpleader. The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the state and county where the administrative office of the Issuer is located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

Section 5.08 DTC Services. It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements", which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

Section 6.07 Merger, Conversion, Consolidation, or Succession. Any corporation or association into which the Bank may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion, or consolidation to which the Bank shall be a party, or any corporation or association succeeding to all or substantially all of the corporate trust business of the Bank shall be the successor of the Bank as Paying Agent under this Agreement without the execution or filing of any paper or any further act on the part of either parties hereto.

Section 6.08 Benefits of Agreement. Nothing herein, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, any benefit or any legal or equitable right, remedy, or claim hereunder.

Section 6.09 Entire Agreement. This Agreement and the Authorizing Document constitute the entire agreement between the parties hereto relative to the Bank acting as Paying Agent/Registrar and if any conflict exists between this Agreement and the Authorizing Document, the Authorizing Document shall govern.

Section 6.10 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which shall constitute one and the same Agreement.

This Agreement will terminate (i) on the date of final payment of the principal of and interest on the Securities to the Holders thereof or (ii) may be earlier terminated by either party upon sixty (60) days written notice; provided, however, an early termination of this Agreement by either party shall not be effective until (a) a successor Paying Agent/Registrar has been appointed by the Issuer and such appointment accepted and (b) notice has been given to the Holders of the Securities of the appointment of a successor Paying Agent/Registrar. However, if the Issuer fails to appoint a successor Paying Agent/Registrar within a reasonable time, the Bank may petition a court of competent jurisdiction within the State of Texas to appoint a successor. Furthermore, the Bank and the Issuer mutually agree that the effective date of an early termination of this Agreement shall not occur at any time which would disrupt, delay or otherwise adversely affect the payment of the Securities.

Upon an early termination of this Agreement, the Bank agrees to promptly transfer and deliver the Security Register (or a copy thereof), together with the other pertinent books and records relating to the Securities, to the successor Paying Agent/Registrar designated and appointed by the Issuer.

The provisions of Section 1.02 and of Article Five shall survive and remain in full force and effect following the termination of this Agreement.

Section 6.12 Iran, Sudan or Foreign Terrorist Organizations. The Bank represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website:

(b) It will timely pay to the Authority the full amount it is required to pay under the provisions of this Contract for the services supplied by the Project.

(c) It will plan, construct, maintain, operate, and finance its own utility system and set retail rates to individual customers for water and sewer service adequate to pay all City obligations secured by and made payable from the revenues derived from the operation of the City's combined Water and Sewer System (the "Utility System").

(d) It will cooperate with the Authority in the performance of the duties and responsibilities assigned to the Authority by this Contract.

SECTION 2.02: Representations and Agreements of Authority. In connection with its undertakings hereunder, the Authority represents to the City and agrees with the City as follows:

(b) It will finance all Costs of the Project not provided by the City and any grant secured for the construction of the Project.

SECTION 2.03: Construction. The Operator agrees to assume responsibility for the construction of the Project and the Authority will enter into such contracts as are necessary to construct the Project. To this end, the Authority and the City agree that:

(f) Unless otherwise agreed by the parties, the Operator shall be responsible for the acquisition of all land, rights-of-way, property rights, easements, and interest required to provide the Project, subject to the approval of the City and the Authority.

ARTICLE III FISCAL MATTERS

SECTION 3.01: Payment for Service. The Authority will provide from the proceeds received through the issuance and sale of its Bonds such funds as are necessary, when coupled with any funds or property provided by the City and any grant received, for the purpose of providing all or part of the Project; provided, however, proceeds from Bonds issued for refunding purposes may be used as provided in such Bond Resolution(s) authorizing such refunding Bonds. It is agreed that the City and its customers shall have the exclusive use of the entire Project for the useful life of the Project. In consideration for the Authority's obligation hereunder, the City recognizes and agrees that the Authority will acquire an undivided interest in the Project equivalent to the percentage of the total cost of the Project provided by the Authority through the issuance and sale of its Bonds. It is further agreed that the City's obligations to make any and all payments specified in this Article and the ownership interest of the Authority in the Project will terminate when all of the Authority's Bonds issued in connection with the Project have been paid

in full and retired and are no longer outstanding. It is further understood and agreed that the Authority's only source of funds to pay the principal of and interest on its Bonds is from the payments to be made by the City to the Authority under this Contract, and the City agrees that it will make to the Authority the following payments:

(a) Monthly amortization payment — Such amounts, payable monthly on or before the 20th day of each month, in approximately equal installments, as are necessary to pay (i) the principal coming due on the Authority's Bonds on the next succeeding principal payment date; (ii) the interest coming due on the Authority's Bonds on the next succeeding interest payment date; and, (iii) the fees and charges of the Paying Agent(s) for paying or redeeming the Bonds and interest thereon coming due on each applicable date.

(b) Reserve Fund Payment — Such amount as is required to be paid into the Reserve Fund from the Revenue Fund (out of payments to be made by the City) under the Bond Resolution(s) in order to establish, maintain or replenish the Reserve Fund for the security and payment of Bonds.

(c) Administrative Payment — An amount sufficient to pay the administrative and overhead expenses of the Authority, directly attributable and chargeable to the Bonds and the Project, including the cost of routine annual accounting reports and the costs of all continuing disclosure undertakings.

(d) Extraordinary Expense Payment — Such amounts as are necessary to pay or reimburse the Authority for any extraordinary or unexpected expenses or costs reasonably and necessarily incurred by the Authority in connection with the Bonds and the Project, such as expenses of litigation, if any, and costs of special studies and special professional services, if and when required by any governmental directive or regulation or as may be agreed between the City and the Authority.

(e) Maintenance and Operation Costs — Such amounts as are necessary to pay or reimburse the Authority for costs of Maintenance and Operation of the Project (for which provision is made in Section 3.03), if the Authority is the Operator under that Section.

SECTION 3.02: Time for Making of Payments. The City agrees to make the payments required by Section 3.01 at the times hereafter specified:

(a) Monthly Amortization Payments — the City shall commence making monthly amortization payments at such time as any amount required by the Bond Resolution(s) to be deposited into an escrow account for the payment of interest on the Bonds during the Project construction period has been fully exhausted; provided that such payments shall commence in no event later than the earlier of (i) twelve months prior to the first principal payment date specified in the Bond Resolution(s), or (ii) six months prior to the first interest payment date for which moneys are not set aside for the payment of the interest coming due on such date from the proceeds of the Bonds. Monthly amortization payments shall continue to be made throughout the term of the Contract and shall be adjusted by the City so as to provide for the accumulation of the full amount of debt service requirements (principal, interest, and paying agent fees due on any given payment date) on or before the first day of the month such debt service requirements become due.

(b) Reserve Fund Payment — the City shall commence making these payments on the 10th day of the following month, as may be provided in the Bond Resolution, after the delivery of the initial series of Bonds issued to provide the Project, and upon the issuance of additional

Bonds, shall increase the payments in accordance with the Bond Resolution(s) authorizing such additional Bonds.

(c) Administrative Payment — the City shall commence making the administrative payment on the 10th day of the month following the effective date of this Contract, and thereafter such payment shall be made on the 10th day of each month thereafter throughout the term of this Contract.

(d) Extraordinary Expense Payment — the City shall make any extraordinary expense payment immediately upon receipt of the statement therefor.

(e) Maintenance and Operating Expenses — (i) if the City is designated as the Operator, such expenses shall be paid by the City as the same become due; or (ii) if the Authority is designated as the Operator, the City shall pay (up to the amount annually budgeted for such expenses) the amount which the Authority determines shall be required in such months, such payments to be made on or before the 10th day of each month after the Project becomes operational. The annual budget shall be prepared by the Authority at least thirty (30) days prior to the date the Project is to become operational, or, thereafter prior to the beginning of each Fiscal Year; the budget shall then be submitted to the City which may indicate exceptions or suggestions, which shall then be considered by the Board. If an annual budget is found to be insufficient or excessive, the parties agree the same shall be taken into consideration by an amendment as well as the budget for the following year, with the view that additional payments shall be made or credit shall be given so that expenditures match receipts over the Fiscal Year or an adjustment is made in the following month.

SECTION 3.03: Maintenance and Operation of the Project. Unless otherwise agreed by the parties, it is agreed that the Operator will be responsible for maintaining and operating the Project for the entire term of this Contract, and shall pay all costs and expenses incurred in regard to the maintenance and operation of the Project. The Operator hereby agrees and covenants to operate and maintain the Project in accordance with accepted good business and engineering practices and in accordance with all applicable federal and state laws, including any rules and regulations issued by appropriate agencies in the administration of said laws. If the City is the Operator under this Section, the City agrees, to the extent allowed by law, to indemnify and to save and hold harmless the Authority from any and all, exclusive of costs caused by or associated with the Authority's negligence, claims, damages, losses, costs, and expenses, including reasonable attorney fees, arising at any time from the acquisition, existence, ownership, operation, and maintenance of the Project.

SECTION 3.04: Insurance. The Operator specifically agrees to carry fire, casualty, public liability, or other insurance on the Project for purposes and in amounts which would ordinarily be carried by a municipal corporation owning and operating such facilities. Such insurance will provide, to the extent feasible and practicable, for the restoration of damages or destroyed properties and equipment so as to minimize the interruption of services of such facilities. All premiums for such insurance shall constitute a Maintenance and Operation Expense of the Project.

SECTION 3.05: Covenant of Timely Payment. The City covenants that it will timely make (i) the monthly amortization payments and (ii) the additional payments specified hereunder in accordance with the provisions of this Contract as the same shall become due and payable, irrespective of whether service of the Project has been abandoned or discontinued, or if the Project has been rendered wholly or partially unusable by reason of Force Majeure. The City recognizes the fact that the Authority will use the payment received from the City hereunder to

pay, secure, and finance the issuance of the Bonds, and the holders of the Bonds shall be entitled to rely upon the foregoing covenant of payment regardless of any other agreement that may exist between the Authority and the City.

SECTION 3.06: Late Payment Penalty. Should the City fail to make any payment at the time herein specified, interest on such amounts shall accrue at the rate of ten percent (10%) per annum from the date such payment becomes due until paid in full with interest as herein specified. In the event such payment is not made within sixty (60) days from the date such payment becomes due, the Authority may institute a proceeding for a mandatory injunction requiring the payment of the amount due and interest thereon, such action to be instituted in a court of competent jurisdiction.

SECTION 3.07: Priority of Charges - City to Fix Adequate Rates.

(a) The City represents and covenants that all payments to be made by it hereunder shall constitute "operating expenses" of the City's Utility System.

(b) The City further agrees to fix and collect such rates and charges for water and sewer services to its customers as will make possible the prompt payment of all expenses of operating and maintaining its Utility System, including all payments, obligations and indemnities contracted hereunder.

SECTION 3.08: Nature of Obligation of City. The payments required to be made by the City under the terms of this Contract shall be due and payable in any and all events regardless of whether there shall be, for any reason, a delay in the completion of all or any part of the Project and regardless of whether the Project shall have been wholly or partially destroyed or damaged. The agreements of the City shall be and are separate and independent covenants and the City shall have no rights of set off, recoupment, or counterclaim. The Authority shall never have the right to demand payment of any amounts due hereunder by the City out of funds raised or to be raised by taxation. Any obligations assumed or imposed on either party hereto shall never be construed to be a debt of such party of a kind that would require it to levy and collect taxes to discharge any such obligation, it being expressly understood by the parties hereto that the funds required for all payments due from the City pursuant to this Contract are to be collected from the sources referenced herein, and from no other source.

ARTICLE IV
MISCELLANEOUS PROVISIONS

SECTION 4.01: Contract Term. The obligation of the City to promptly make all prescribed payments shall commence with the effective date of this Contract and continue for the period during which the Bonds are outstanding and unpaid.

SECTION 4.02: Useful Life of Project. The City and Authority agree and mutually find that the anticipated useful life of a Project equals or exceeds the period specified in the Bond Resolution(s) for the maturity of all Bonds authorized to be issued to fund such Project.

SECTION 4.03: Abandonment of Use of Project. Except as provided by this Contract, the City may not obtain services provided for in this Contract from a source other than a contracting party. It is specifically recognized by the parties hereto that the City, during the term of this Contract, may acquire other facilities so as to make the continued operation of the Project

uneconomical so it will be to the best interest of the parties to discontinue the operation of the Project.

Should the City choose to discontinue the operation of all or part of the Project, the City shall have the exclusive right to the salvage of all of the properties and improvements constituting the Project so discontinued. Any cost of salvage will be a maintenance and operating expense of the City, and any money realized from such salvage will serve as a reduction of such expense. The City shall retain the use of the land where the Project is situated and all remaining improvements thereon for its corporate purposes.

The abandonment of the use of the Project shall have no effect upon the obligations of the City to the Authority provided for by this Contract and all payments provided for by this Contract shall remain obligations of the City of the same nature as provided for by this Contract.

SECTION 4.04: Modification of Provisions. This Contract may be changed and modified only with the consent of the governing bodies of the Authority and the City. Such modification may be requested by either party, in which event a joint meeting of the governing bodies or of their duly authorized and appointed representative shall be held not less than thirty (30) days after the giving of such notice. At such joint meeting, the suggested changes or modifications shall be considered, discussed and settled. No such change or modification may be made which will affect adversely the payment when due of all moneys required to be paid by the City under the terms of this Contract and no such change will be effective which affects adversely or causes a violation of any covenants contained in the Bond Resolution(s).

If for any reason the City may desire the construction of additional facilities over and above those now contemplated, and provided the same are within the legal and economic capabilities of the Authority, provision therefor shall be made by means of a supplement hereto, the terms of which are to be negotiated between the City and the Authority.

SECTION 4.05: Regulatory Provisions. This Contract shall be subject to all valid rules, regulations and laws applicable thereto, as promulgated by the United States of America, the State of Texas, or any other governmental body or agency having lawful jurisdiction or any authorized representative or agency of any of them.

SECTION 4.06: Taxes. In the event any sales or use taxes, or taxes of any nature, are hereafter imposed upon the Project or the Authority on account of the acquisition, existence, ownership, operation and maintenance of the Project, the amount of such taxes shall be treated as operating expenses of the Project.

SECTION 4.07: Title to Water and Sewage. Title to all water and sewage put into the Project under this Contract shall be in the City.

SECTION 4.08: Notices. Any notice, request, demand, statement or bill provided for in this Contract shall be in writing and shall be considered to have been fully delivered when sent by registered mail, addressed as follows:

To the Authority: 5100 Airport Drive
Denison, Texas 75020
Attention: President, Board of Directors

To the City: 209 S. Washington
Kaufman, Texas 75142
Attention: Mayor

as the case may be, except that routine communications may be sent by ordinary mail and except that either party, by the filing of an appropriate written notice to the other, may specify some other individual to whom communications thereafter are to be addressed.

SECTION 4.09: Covenant to Enforce Contractual Obligations. The Authority covenants that it will enforce the obligations of the City hereunder as may be required to accomplish the purpose of this Contract. Either party may enforce any obligations hereunder owed to it by the other party.

SECTION 4.10: Consequences of City Default. The Authority and the City agree that in the event of default or threatened default, in the payment of principal of or interest on the Bonds, any court of competent jurisdiction upon petition of the holders of twenty-five percent (25%) of the principal amount of the then outstanding Bonds of the Authority shall appoint a receiver with authority to collect and receive all resources pledged to the payment of the Bonds, enforce all rights arising from default, if any, by the City in making payment under this Contract, and take charge of the pledged funds on hand and manage the proprietary affairs of the Authority insofar as such affairs relate to the Project. The court may further vest the receiver with such powers and duties as the court may find necessary for the protection of the holders of the Bonds.

SECTION 4.11: Further Agreements of the Parties. The parties hereto specifically recognize that to the extent the City has heretofore issued, sold and delivered revenue bonds that were and are payable from and secured by a lien on and pledge of the surplus net revenues of its Utility System, and to the extent such bonds so issued and delivered are outstanding, the City has disclosed to the Authority the existence and terms of all such bonds.

Additionally, the City represents to the Authority that:

- (a) There is no provision in any ordinance of the City which prohibits the City from entering into and executing this Contract.
- (b) The execution of this Contract and the operation thereunder will not in any way impair the obligation of contract by and between the City and any other person. The Project is in furtherance of governmental policy, not inconsistent with the existing contractual obligations of the City.

SECTION 4.12: Control of Project by Operator. The parties hereto recognize and it is specifically agreed that after completion of the Project and during the term of this Contract, the Operator shall have the exclusive right to the use and utilization of the Project, for the benefit of the City; that the Operator without hindrance from the Authority or the City, or the employees or

other agents of either of them, may operate, maintain, repair, enlarge, improve, extend, provide for additions to or otherwise control, manage and keep up the Project.

Except as specified in this Article, the abandonment of the use of all or part of such Project has no effect upon the obligations of the parties.

SECTION 4.13: Force Majeure.

(a) If for any reason of Force Majeure either of the parties hereto shall be rendered unable wholly or in part to carry out its obligation under this Contract, other than the obligation of City to make the payments required under the terms of Section 3.01 hereof, then if such party shall give notice and full particulars of such reasons in writing to the other party within a reasonable time after the occurrence of the event, or cause relied upon, the obligation of the party giving such notice, so far as it is affected by such Force Majeure shall be suspended during the continuance of the inability then claimed, but for no longer period, and any such parties shall endeavor to remove or overcome such inability with all reasonable dispatch. The term "Force Majeure" as employed herein shall mean acts of God, strikes, lock-outs, or other industrial disturbances, acts of a public enemy, orders or actions of any kind of the Government of the United States of America or of the State of Texas or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, hurricanes, storms, floods, washouts, droughts, arrests, restraints of government and people, civil disturbances, explosions, breakages or accident to dams, machinery, partial or entire failure of water supply and inability on the part of the Authority to deliver water hereunder or to provide sewage treatment or of the City to receive water or to deliver sewage treatment, on account of any other cause not reasonably within the control of the party claiming such inability. It is understood and agreed that the settlement of strikes and lock-outs shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch, shall not require the settlement of strikes and lock-outs by acceding to the demands of the opposing parties when such settlement is unfavorable to it in the judgment of the party having the difficulty. No failure of Authority to meet any obligation by reason for Force Majeure shall relieve the City from its obligations to make the payments required under the terms of Section 3.01 hereof.

(b) No damage shall be recoverable from Authority by reason of the suspension of the operation of the Project due to any of the causes above mentioned. If Operator's ability to operate the Project is affected by any of such causes, the Operator shall promptly notify the other party in writing giving the particulars as soon as possible after the occurrence of the cause or causes for such interruption.

(c) It is expressly recognized by City that the Operator may be compelled to make necessary alterations, repairs or extensions of new or additional facilities from time to time during the life of this Contract, and any suspensions of the operation of the Project due to such operation shall not be cause for claim of damage on part of the Operator provided all reasonable effort is used by the Operator to provide City with the service afforded by the Project in accordance with this Contract. In such case, the Operator shall give the other party as much advance notice as may be practicable of the suspension of operation and of the estimated duration thereof.

SECTION 4.14: Easements. The City agrees that the Authority may have such easements over any easements, right-of-way, or property held by the City so that the facilities herein anticipated and the placement thereof and of all required equipment may be appropriately provided.

SECTION 4.15: Bond Approval by the City.

(a) Prior to the issuance and delivery of any Bonds which are (i) payable as to principal, interest, or redemption premium out of the debt service payments, or (ii) to provide facilities or service or any item which is to be maintained by the Authority utilizing any part of the base monthly payments, the City shall approve the issuance thereof as provided in this Section.

(b) If the Bonds are to be sold at a public sale, the governing body of the City shall, by resolution or ordinance, approve (i) the "Notice of Sale" issued or proposed to be issued by the Authority prior to their delivery; and (ii) the facilities to be constructed or acquired; or, if the Bonds are to be negotiated, or are refunding Bonds, the governing body of the City shall, by resolution or ordinance approve either (i) the form of purchase agreement or (ii) the resolution authorizing the issuance of the Bonds.

(c) If the Bonds are to be exchanged for property or services or are to be privately placed, the governing body of the City shall, by resolution or ordinance, approve (i) the form of the resolution adopted or to be adopted by the governing body of the Authority which authorizes the issuance of such Bonds; and (ii) the facilities to be constructed or acquired, or the services to be provided.

(d) The City and the Authority agree that the holders of the Bonds, and each party deemed a holder of a Bond by virtue of subrogation to the rights of the holders of the Bonds or otherwise, shall be express third-party beneficiaries of this Contract and shall have all available remedies pertaining to enforcement of this Contract.

SECTION 4.16: Severability. The parties hereto agree that if any of the provisions of this Contract contravene or are held to be invalid under the laws of the State, the same shall not invalidate the whole Contract, but it shall be construed as though not containing that particular provision, and the rights and obligations of the parties shall be construed and in force accordingly.

IN WITNESS WHEREOF, the parties hereto, acting under authority of their respective governing bodies, have caused this Contract to be duly executed in several counterparts, each of which shall constitute an original, all as of the day and year first above written.

THIS ESCROW AGREEMENT, dated as of March 16, 2020, made by and between the Greater Texoma Utility Authority, a political subdivision of the State of Texas in Collin, Cooke, Fannin and Grayson Counties (the "*Authority*"), acting by and through the President and Secretary of the Board of Directors and BOKF, N.A., a banking association duly organized and existing under the laws of the United States of America, or its successors (the "*Bank*"), as Escrow Agent (the "*Escrow Agent*") together with any successor in such capacity:

W I T N E S S E T H:

WHEREAS, pursuant to a resolution (the "*Resolution*") finally adopted on March 16, 2020, the Authority authorized the issuance of \$2,710,000 "Greater Texoma Utility Authority Contract Revenue Bonds, Series 2020 (City of Kaufman Project) (the "*Bonds*") for planning, design, acquisition, and constructing wastewater system facilities and necessary appurtenances for use by the City of Kaufman, Texas, as further described in the Resolution (the "*Project*"); and

WHEREAS, such Resolution also confirmed the sale of the Bonds to the Texas Water Development Board (the "*TWDB*"); and

WHEREAS, the Escrow Agent is a bank located in the State of Texas that is an insured depository institution with the Federal Deposit Insurance Corporation (the "*FDIC*") that has been designated a state depository institution by the Texas Office of the Comptroller and is otherwise qualified and empowered to enter into this Escrow Agreement, and hereby acknowledges its acceptance of the terms and provisions hereof; and

WHEREAS, a condition to the issuance of the Bonds by the TWDB is the deposit of the proceeds of sale of the Bonds (less amounts to pay costs of issuance) (the "*Proceeds*") in escrow subject to being withdrawn only with the approval of the Executive Administrator of the TWDB or another designated representative; provided, however, the Proceeds can be transferred to different investments so long as all parties hereto consent to such transfer;

NOW, THEREFORE, in consideration of the mutual agreements herein contained and in consideration of the amount to be paid by the Authority to the Escrow Agent, as set forth on Exhibit A, the receipt of which is hereby acknowledged, and in order to secure the delivery of the Bonds, the parties hereto mutually undertake, promise and agree for themselves, their respective representatives and successors, as follows:

SECTION 1: ESCROW ACCOUNT. Upon the delivery of the Bonds described above, the Proceeds identified under TWDB Commitment No. L1001061 shall be deposited to the credit of a special escrow account(s) or escrow subaccount(s) (the "*Escrow Account*") maintained at the Bank on behalf of the Authority and the TWDB and shall not be commingled with any other accounts or with any other proceeds or funds. The Proceeds received by the Escrow Agent under this Agreement shall not be considered as a banking deposit by the Authority, and the Escrow Agent shall have no right to title with respect thereto except as Escrow Agent under the terms of this Agreement.

The Escrow Account shall be entitled "GREATER TEXOMA UTILITY AUTHORITY CONTRACT REVENUE BONDS, SERIES 2020 (CITY OF KAUFMAN PROJECT) TEXAS WATER DEVELOPMENT BOARD L1001061 ESCROW ACCOUNT" and shall not be subject to warrants, drafts or checks drawn by the Authority but shall be disbursed or withdrawn to pay the

costs of the project for which the Bonds were issued or other purposes in accordance with the Resolution and solely upon written authorization from the Executive Administrator, or his/her designated representative. The Bank shall distribute to the Authority and to the Executive Administrator's staff of the TWDB the Escrow Account's bank statements on a monthly basis.

SECTION 2: COLLATERAL. All cash deposited to the credit of such Escrow Account and any accrued interest in excess of the amounts insured by the FDIC and remaining uninvested under the terms of this Agreement shall be continuously secured by a valid pledge of direct obligations of the United States of America or other collateral meeting the requirements of the Public Funds Collateral Act, Chapter 2257, TEX. GOV'T CODE ANN., as amended.

SECTION 3: INVESTMENTS. While the Proceeds are held in escrow, the Bank shall only invest Proceeds in investments that are authorized by the Public Funds Investment Act, Chapter 2256, TEX. GOV'T CODE ANN., as amended. It is the Authority's responsibility to direct the Escrow Agent to invest all public funds in a manner that is consistent not only with the Public Funds Investment Act but also with its own written investment policy.

SECTION 4: DISBURSEMENTS. The Bank shall not honor any disbursement from the Escrow Account, or any portion thereof, unless and until it has been supplied with written approval and consent by the Executive Administrator of the TWDB or another designated TWDB representative. However, no written approval and consent by the Executive Administrator shall be required if the disbursement involves transferring Proceeds from one investment to another provided that all such investments are consistent with the requirements of the Public Funds Investment Act.

SECTION 5: UNEXPENDED FUNDS. Any Proceeds remaining unexpended in the Escrow Account after completion of the Project and after the final accounting has been submitted to and approved by the TWDB shall be disposed of pursuant to the provisions of the Resolution. The Authority shall deliver a copy of such approval of the final accounting by the TWDB to the Escrow Agent together with instructions concerning the disbursement of unexpended Proceeds hereunder. The Escrow Agent shall have no obligation to ensure that such unexpended Proceeds are used as required by the provisions of the Resolution, that being the sole obligation of the Authority

SECTION 6: CERTIFICATIONS. The Bank shall be authorized to accept and rely upon the certifications and documents furnished to the Bank by the Authority and shall not be liable for the payment of any funds made in reliance in good faith upon such certifications or other documents or approvals, as herein recited.

SECTION 7: LIABILITY OF ESCROW AGENT. To the extent permitted by law, the Escrow Agent shall not be liable for any act done or step taken or omitted by it or any mistake of fact or law, except for its negligence or default or failure in the performance of any obligation imposed upon it hereunder. The Escrow Agent shall not be responsible in any manner for any proceedings in connection with the Bonds or any recitation contained in the Bonds.

SECTION 8: RECORDS. The Escrow Agent will keep complete and correct books of record and account relating to the receipts, disbursements, allocations and application of the money deposited to the Escrow Account, and investments of the Escrow Account and all proceeds thereof. The records shall be available for inspection at reasonable hours and under reasonable conditions by the Authority and the TWDB.

SECTION 9: MERGER/CONSOLIDATION. In the event that the Escrow Agent merges or consolidates with another bank or sells or transfers substantially all of its assets or corporate trust business, then the successor bank shall be the successor Escrow Agent without the necessity of further action as long as the successor bank is a state or national bank as well as an FDIC-insured depository institution. The Escrow Agent must provide the TWDB with written notification within 30 days of acceptance of the merger, consolidation, or transfer. If the merger, consolidation or other transfer has occurred between state banks, the newly-created entity shall forward the certificate of merger or exchange issued by the Texas Department of Banking as well as the statement filed with the pertinent chartering authority, if applicable, to the TWDB within a reasonable time of such merger, consolidation or exchange.

SECTION 10: AMENDMENTS. This Agreement may be amended from time to time as necessary with the written consent of the Authority and the TWDB, but no such amendments shall increase the liabilities or responsibilities or diminish the rights of the Bank without its consent.

SECTION 11: TERMINATION. In the event that this Agreement is terminated by either the Authority or by the Bank, the Escrow Agent must report said termination in writing to the TWDB within 5 business days of such termination. The Authority is responsible for ensuring that the following criteria are satisfied in selecting the successor escrow agent and notifying the TWDB of the change in escrow agents: (a) the successor escrow agent must be an FDIC-insured state or national bank designated by the Texas Comptroller as a state depository; (b) the successor escrow agent must retained prior to or at the time of the termination; (c) an escrow agreement must be executed by and between the Authority and the successor escrow agent and must contain the same or substantially similar terms and conditions as are present in this Agreement; and (d) the Authority must forward a copy of the executed escrow agreement with the successor escrow agent within 5 business days of said termination. No funds shall be released by the TWDB until it has received, reviewed and approved the escrow agreement with the successor escrow agent. If the Authority has not appointed a successor escrow agent within thirty (30) days of the notice of termination, the Escrow Agent may petition any court of competent jurisdiction in Texas for the appointment of a successor escrow agent or for other appropriate relief, and any such resulting appointment shall be binding upon the Authority. Whether appointed by the Authority or a court, the successor escrow agent and escrow agreement must be approved by the TWDB for the appointment to be effective. The Escrow Agent is responsible for performance under this Escrow Agreement until a successor has been approved by the TWDB and has signed an acceptable escrow agreement.

SECTION 12: EXPIRATION. This Agreement shall expire upon final transfer of the funds in the Escrow Account to the Authority.

SECTION 13: POINT OF CONTACT. The points of contact for the Escrow Agent and the TWDB are as follows:

No modification or amendment of this Agreement shall be valid unless the same is in writing and is signed by the Authority and consented to by the Escrow Agent and the TWDB.

SECTION 17: **VALIDITY OF PROVISIONS.** If any term, covenant, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

SECTION 18: **COMPENSATION FOR ESCROW SERVICES.** The Escrow Agent shall be entitled to compensation for its services as stated in Exhibit A, which compensation shall be paid by the Authority but may not be paid directly from the Escrow Account; provided however, notwithstanding anything herein or in Exhibit A to the contrary, the aggregate value of this Agreement shall not exceed the dollar limitation set forth in Section 2271.002(a)(2) of the Texas Government Code, as amended.

SECTION 19: **IRAN, SUDAN AND FOREIGN TERRORISTS ORGANIZATIONS.** The Escrow Agent represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website:

<https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>,
<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Escrow Agent and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Escrow Agent understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the Escrow Agent and exists to make a profit.
