A RESOLUTION by the Board of Directors of the Greater Texoma Utility Authority authorizing the issuance of "Greater Texoma Utility Authority Contract Revenue Bonds, Series 2020 (City of Sherman Project)" for the construction, acquisition, and improvement of wastewater system facilities and necessary appurtenances for use by the City of Sherman, Texas, and the payment of all costs incident and related to the construction, acquisition, improvement, and financing thereof; pledging the Pledged Revenue to the payment of the principal of and interest on said Bonds; and resolving other matters incident and related to the issuance, sale, and delivery of said bonds

WHEREAS, the Board of Directors of the Greater Texoma Utility Authority (the "Authority") has determined that \$13,595,000 in principal amount of bonds should be issued at this time to provide funding for the Series 2020 Project more fully described in Section 1 hereof; and

WHEREAS, the Board of Directors of the Authority has determined that the bonds herein authorized may and shall be issued as Additional Bonds (herein defined) on a parity with the Outstanding Previously Issued Bonds (herein defined) in that:

(a) The Authority is not now in default as to any covenant, condition or obligation prescribed in a resolution authorizing the issuance of the Outstanding Bonds Similarly Secured or the Contract (herein defined), including any amendment or supplement thereto;

(b) A consulting engineer has certified to the Authority the need for an estimated amount of additional financing required for completion, expansion, enlargement or improvement of the Project (herein defined);

(c) The City of Sherman, Texas, will approve this resolution authorizing the issuance of the Bonds as to form and content and shall acknowledge that the payment of principal of and interest on such Bonds is payable, in whole or in part, from payments to be made by the City of Sherman, Texas, under and pursuant to the Contract;

(d) The Bonds mature on October 1 in each of the years in which they are scheduled to mature;

(e) This Resolution provides for deposits to be made to the Bond Fund in amounts sufficient to pay the principal of and interest on such Bonds as the same become due;

(f) This Resolution provides that the amount to be accumulated and maintained in the Reserve Fund shall be in an amount equal to not less than the average annual requirement (calculated on a Fiscal Year basis on the Outstanding Bonds Similarly Secured as of the date of the last series of Bonds Similarly Secured after giving effect to the issuance of the Bonds) for the payment of principal of and interest on all obligations to be secured by a first lien on and pledge of the Pledged Revenue, and provides that any additional amount to be maintained in the Reserve Fund shall be accumulated within not more than sixty (60) months from the date of the passage of this Resolution; and

(g) The Authority has demonstrated to the Board's Executive Administrator that the Pledged Revenues will be sufficient to pay the Previously Issued Bonds and the Bonds;

The Bonds shall bear interest on the unpaid principal amounts from the date of delivery to the initial Purchaser (which date shall be the date noted in the Registration Certificate of the Paying Agent/Registrar appearing on the definitive Bonds delivered in exchange for the Initial Bond, and is anticipated to be February 26, 2020), and interest shall be calculated upon the basis of a 360-day year consisting of twelve 30-day months. Interest on the Bonds shall be payable on April 1, 2020 and each October 1 and April 1 thereafter until maturity or prior redemption.

SECTION 3: Terms of Payment - Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Bonds, due and payable by reason of maturity, redemption or otherwise, shall be payable only to the registered owners or holders of the Bonds (hereinafter called the "Holders") appearing on the registration and transfer books (the "Security Register") maintained by the Paying Agent/Registrar, and the payment thereof shall be in any coin or currency of the United States of America, which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders. A copy of the Security Register shall be maintained within the State of Texas at all times.

The selection and appointment of BOKF, NA, Dallas, Texas, as Paying Agent/Registrar for the Bonds is hereby approved and confirmed, and the Authority agrees and covenants to cause to be kept and maintained at the Designated Payment/Transfer Office (identified below) of the Paying Agent/Registrar books and records (the "Security Register") for the registration, payment and transfer of the Bonds, all as provided herein, in accordance with the terms and provisions of a "Paying Agent/Registrar Agreement", substantially in the form attached hereto as **Exhibit A**, and such reasonable rules and regulations as the Paying Agent/Registrar and Authority may prescribe; and the President or Vice President and Secretary or Assistant Secretary of the Board of Directors of the Authority are authorized to execute and deliver such Agreement in connection with the delivery of the Bonds. The Authority covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a commercial bank, trust company, financial institution or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the Authority agrees to promptly cause a written notice thereof to be sent to each Holder by United States mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Bonds shall be payable at the Stated Maturities or the redemption thereof, only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated office in St. Paul, Minnesota (the "Designated Payment/Transfer Office"). Interest on each Bond shall be paid to the Holder whose name appears in the Security Register at the close of business on the Record Date (the fifteenth (15th) day of the month next preceding each interest payment date) and shall be paid by the Paying Agent/Registrar (i) by check sent United States mail, first class postage prepaid, to the address of the Holder recorded in the Security Register, or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. Provided, however, while the Texas Water Development Board (the "Board") is the registered owner of the Bonds, payments on the Bonds shall be made by wire transfer without expense to the Holder. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or

executive order to be closed, then the date for such payment shall be the next succeeding day that is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to be closed; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Authority. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 4: Redemption.

(a) Optional Redemption. The Bonds having Stated Maturities on and after October 1, 2030, shall be subject to redemption prior to maturity, at the option of the Authority, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected by lot by the Paying Agent/Registrar), on April 1, 2030, or on any date thereafter at the redemption price of par plus accrued interest to the date of redemption.

(b) Exercise of Redemption Option. At least forty-five (45) days prior to a redemption date for the Bonds (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the Authority shall notify the Paying Agent/Registrar of the decision to redeem Bonds, the principal amount of each Stated Maturity to be redeemed, and the date of redemption therefor. The decision of the Authority to exercise the right to redeem Bonds shall be entered in the minutes of the governing body of the Authority.

(c) Selection of Bonds for Redemption. If fewer than all Outstanding Bonds of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall treat such Bonds as representing the number of Bonds Outstanding, which is obtained by dividing the principal amount of such Bonds by \$5,000, and shall select the Bonds to be redeemed within such Stated Maturity by lot.

(d) Notice of Redemption. Not fewer than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States mail, first class postage prepaid, in the name of the Authority and at the Authority's expense, to each Holder of a Bond to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

(e) All notices of redemption shall (i) specify the date of redemption for the Bonds, (ii) identify the Bonds to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Bonds, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Bonds, or the

principal amount thereof to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder. If a Bond is subject by its terms to prior redemption and has been called for redemption and notice of redemption thereof has been duly given as hereinabove provided, such Bond (or the principal amount thereof to be redeemed) shall become due and payable and interest thereon shall cease to accrue from and after the redemption date therefor; provided moneys sufficient for the payment of such Bond (or of the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar.

With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Resolution have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Authority shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

SECTION 5: Registration - Transfer - Exchange of Bonds - Predecessor Bonds. A Security Register relating to the registration, payment, and transfer or exchange of the Bonds shall at all times be kept and maintained by the Authority at the Designated Payment/Transfer Office of the Paying Agent/Registrar, as provided herein and in accordance with rules and regulations as the Paying Agent/Registrar and the Authority may prescribe. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every Holder of the Bonds issued under and pursuant to the provisions of this Resolution, or if appropriate, the nominee thereof. Any Bond may be transferred or exchanged for Bonds of other authorized denominations by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender of any Bond (other than the single Initial Bond authorized in Section 8 hereof) for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds of authorized denominations and having the same Stated Maturity and being of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the single Initial Bond authorized in Section 8 hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and being of a like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds to the Holder requesting the exchange.

All Bonds issued in any transfer or exchange of Bonds shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States mail, first class postage prepaid, to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the Authority, evidencing the same obligation to pay, and entitled to the same benefits under this Resolution, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu thereof pursuant to the provisions of Section 30 hereof, and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the Authority nor the Paying Agent/Registrar shall be required to issue or transfer to an assignee of a Holder any Bond called for redemption, in whole or in part, within forty-five (45) days of the date fixed for the redemption of such Bond; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 6: Book-Entry-Only Transfers and Transactions. Notwithstanding the provisions contained in this Resolution relating to the payment and transfer/exchange of the Bonds, the Authority hereby approves and authorizes the use of the "Book-Entry Only" securities clearance, settlement, and transfer system provided by The Depository Trust Company ("DTC"), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in a Blanket Issuer Letter of Representations by and between the Authority and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general, the Authority covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 3 and 5 hereof.

The Authority agrees it will not discontinue its use of the DTC Book-Entry-Only System with respect to the Bonds without prior notice to and consent from the Texas Water Development Board while the Board is the Holder of any of the Bonds.

SECTION 7: Execution - Registration. The Bonds shall be executed on behalf of the Authority by the President or Vice President of the Board of Directors under its seal reproduced or impressed thereon and attested by the Secretary or Assistant Secretary of the Board of Directors. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the Authority on the date of the adoption of this Resolution shall be deemed to be duly executed on behalf of the Authority, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial Holders and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Texas Government Code, Chapter 1201, as amended.

No Bond shall be entitled to any right or benefit under this Resolution, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 9(c), manually executed by the Comptroller of Public Accounts of the State of Texas or his or her duly authorized agent, or a certificate of registration substantially in the form provided in Section 9(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate upon any Bond duly signed shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered and delivered.

Notwithstanding the above and foregoing paragraph, the Initial Bonds authorized for delivery to the initial purchasers in Section 8 hereof shall have printed thereon both Certificates of Registration appearing in Section 9(c) and 9(d) hereof, and both such certifications shall be required to be manually executed in connection with the initial delivery of the Initial Bonds and both such certifications appearing on the Initial Bonds, duly signed, shall be conclusive evidence that such Initial Bonds have been duly certified, registered and delivered.

SECTION 8: Initial Bond(s). The Bonds herein authorized shall be initially issued either (i) as a single fully registered Bond in the total principal amount of \$13,595,000 with principal installments to become due and payable as provided in Section 2 hereof and numbered T-1, or (ii) as multiple fully registered Bonds, being one bond for each year of maturity in the applicable principal amount and numbered consecutively from T-1 and upward (hereinafter called the "Initial Bond") and, in either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or designee thereof. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond(s) delivered hereunder and exchange therefor definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial Purchaser, or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 9: Forms.

(a) Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas to appear on the Initial Bond, the Registration Certificate of Paying Agent/Registrar to appear on the definitive Bonds, and the form of Assignment to appear on each of the Bonds shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Resolution, and the Bonds may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association if available, and otherwise the reference to CUSIP NO. in the form of Bond may be omitted from the Bonds) and such legends and endorsements (including insurance legends in the event the Bonds are purchased with insurance and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the Authority or determined by the officers executing such Bonds as evidenced by their execution. Any portion of the text of any Bond may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The Bonds shall be printed, lithographed, engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution thereof.

The Greater Texoma Utility Authority (hereinafter referred to as the "Authority"), for value received, hereby promises to pay to the Registered Owner of this Bond named above (the "Holder") or the registered assigns thereof, solely from the revenues hereinafter identified, on the Stated Maturity date specified above, the Principal Amount hereinabove stated (or so much thereof as shall not have been paid upon prior redemption) and to pay interest on the unpaid principal amount hereof from the interest payment date next preceding the "Registration Date" of this Bond appearing below (unless this Bond bears a "Registration Date" as of an interest payment date, in which case it shall bear interest from such date, or unless the "Registration Date" of this Bond is the delivery date of this Bond to the initial Holder (which delivery date is anticipated to be February 26, 2020) or this Bond bears the originally executed Registration

Certificate of the Comptroller of Public Accounts, in which case it shall bear interest from such date) at the per annum rate of interest specified above computed upon the basis of a 360-day year consisting of twelve (12) 30-day months; such interest being payable on April 1, 2020, and on each October 1 and April 1 thereafter until maturity or prior redemption. Principal of this Bond is payable at its Stated Maturity date or date of redemption to the Holder hereof, upon presentation and surrender, at the Designated Payment/Transfer Office of the Paying Agent/Registrar executing the Registration Certificate hereon, or its successor. Interest is payable to the Holder of this Bond (or one or more Predecessor Bonds, as defined in the Resolution) whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the fifteenth (15th) day of the month next preceding each interest payment date, and interest and principal due shall be paid by the Paying Agent/Registrar by check sent United States mail, first class postage prepaid, at the expense of the Authority or by such other method acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of the Holder. All payments of principal of, premium, if any, and interest on this Bond shall be in any coin or currency of the United States of America, which at the time of payment is legal tender for the payment of public and private debts.

If the date for payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to be closed, then the date for such payment shall be the next succeeding day that is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to be closed; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Authority. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$13,595,000 (herein referred to as the "Bonds") pursuant to a Resolution adopted by the governing body of the Authority (herein referred to as the "Resolution"), for the construction, acquisition, and improvement of wastewater system facilities and necessary appurtenances for use by the City of Sherman, Texas (the "City"), including aeration basin upgrades, control building expansion, and rehabilitation to the biological clarifier, storm water lift station, equalization basin, primary clarifier No. 1, sludge pump station, and other appurtenances as necessary for wastewater treatment plant improvements, construction of a brine line from the water treatment plant to an existing lift station, and other appurtenances and costs to transport the water treatment plant reject water, the payment of all costs incident and related to the construction, acquisition and financing thereof, and for the purpose of funding the portion of the Required Reserve Fund Amount attributable to the Bonds, under and in strict conformity with the Constitution and laws of the State of Texas.

The Bonds maturing on and after October 1, 2030, may be redeemed prior to their Stated Maturities, at the option of the Authority, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected by lot by the Paying Agent/Registrar) on April 1, 2030, or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

Not fewer than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States Mail, first class postage prepaid, in the name of the Authority and at the Authority's expense, to each Registered Owner of a Bond to be redeemed and subject to the terms and provisions relating thereto contained in the Resolution. If this Bond (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date this Bond (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and, if moneys for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed.

In the event of a partial redemption of the principal amount of this Bond, payment of the redemption price of such principal amount shall be made to the Holder only upon presentation and surrender of this Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office, and there shall be issued, without charge therefor to the Holder hereof, a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Resolution for the then unredeemed balance of the principal sum hereof. If this Bond is selected for redemption, in whole or in part, the Authority and the Paying Agent/Registrar shall not be required to transfer this Bond to an assignee of the Holder within forty-five (45) days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Resolution have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Authority shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

The Bonds constitute special obligations of the Authority, and, together with the Outstanding Previously Issued Bonds any Additional Bonds, if issued, are payable as to principal and interest solely from and equally secured by a first lien on the Pledged Revenue of the Authority (identified and defined in the Resolution, and including revenues to be received under and pursuant to a Contract For Water Supply and Sewer Service between the Authority and the City of Sherman, Texas, dated as of March 1, 1985, together with all amendments thereto). Reference is hereby made to the Resolution, copies of which are on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by his acceptance hereof hereby assents, for definitions of terms; the

description of and the nature and extent of the revenues pledged for the payment of the Bonds; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Resolution may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the Authority and the Paying Agent/Registrar; the terms and provisions upon which this Bond may be discharged at or prior to its maturity or redemption, and deemed to be no longer Outstanding thereunder; and for the other terms and provisions thereof. Capitalized terms used herein have the same meanings assigned in the Resolution.

The Authority expressly reserves the right to issue further and additional revenue bond obligations in all things on a parity with the Previously Issued Bonds and the Bonds, payable solely from and equally secured by a lien on the Pledged Revenue described above; provided, however, that any and all such Additional Bonds may be so issued only in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Resolution, to which reference is hereby made for more complete and full particulars.

The Holder hereof shall never have the right to demand payment of this Bond out of any funds raised or to be raised by taxation.

This Bond, subject to certain limitations contained in the Resolution, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the Holder hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and being of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The Authority and the Paying Agent/Registrar, and any agent of either, shall treat the Holder whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the Authority nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Authority. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, covenanted, and represented that all acts, conditions, and things required to be performed, exist, and be done precedent to or in the issuance of this Bond in order to render the same a legal, valid and binding obligation of the Authority have been performed, exist, and have been done, in regular and due time, form, and manner, as required by law, and that the issuance of the Bonds does not exceed any constitutional or statutory

limitation. In case any provision in this Bond or any application thereof shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Resolution shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the Board of Directors of the Authority has caused this Bond to be duly executed under the official seal of the Authority.

Similarly Secured and the interest thereon shall constitute a first lien upon said Pledged Revenue.

Texas Government Code, Chapter 1208, as amended, applies to the issuance of the Bonds Similarly Secured and the pledge of the Pledged Revenue granted by the Authority under this Section of this Resolution, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are Outstanding and unpaid such that the pledge of the Pledged Revenue granted by the Authority under this Section of this Resolution is to be subject to the filing requirements of Texas Business & Commerce Code, Chapter 9, as amended, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said Pledged Revenue, the Authority agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business & Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said Pledged Revenue to occur.

SECTION 12: Fund Designations. The Authority hereby covenants and agrees with the Holders of the Bonds Similarly Secured that all income, receipts and revenues derived from the operation and ownership of the Project shall be kept separate from other funds or accounts of the Authority. To that end the following special Funds (herein so called) were created and established by a resolution authorizing Previously Issued Bonds and shall exist and govern the application of the Pledged Revenue while the Bonds Similarly Secured are Outstanding, to wit:

(a) Greater Texoma Utility Authority Revenue Fund, hereinafter called "Revenue Fund". This Fund shall be kept in a depository of the Authority.

(b) Greater Texoma Utility Authority Bond Interest and Sinking Fund, hereinafter called "Bond Fund". This Fund shall be deposited with a depository of the Authority as trustee of the Pledged Revenue, and moneys deposited therein shall be used to pay principal of and interest on Bonds Similarly Secured when and as the same shall become due and payable.

(c) Greater Texoma Utility Authority Bond Reserve Fund, hereinafter called "Reserve Fund". This Fund shall be deposited with a depository of the Authority and money deposited therein shall be used to pay the principal of and interest on Bonds Similarly Secured falling due at any time where there is insufficient money available in the Bond Fund.

SECTION 13: Revenue Fund. All revenues and income of any kind or character received by the Authority by reason of (i) its ownership of all or a part of the Project, (ii) the operation of the Project, or (iii) the Contract, shall be deposited in the Revenue Fund.

In the event money is deposited in the Revenue Fund from sources other than those specified in Section 3.01 of the Contract, then such money may be invested or reinvested or placed on time deposit in the same manner as the Reserve Fund pending its application to the reduction of payments that would otherwise be required to be made by the City under Section 3.01 of the Contract. Investment income and profits from the investment of the Revenue Fund shall be retained therein until used as provided in this Section.

Money in the Revenue Fund shall be used in the following order of priority:

1. Payments into the Bond Fund, as provided by Section 14;
2. Payments into the Reserve Fund, as provided by Section 15;

3. The curing of any deficiencies, as provided by Section 16;
4. The payment of other costs of the Project including maintenance and operation expenses not paid by the Authority and those purposes for which provision is made by Section 3.01(c) through 3.01(e) of the Contract; and
5. Applied as provided in Section 17.

SECTION 14: Bond Fund. The Authority hereby covenants and agrees to deposit to the credit of the Bond Fund amounts sufficient to pay the principal of and interest on the Outstanding Bonds Similarly Secured as the same becomes due. There shall be deposited into the Bond Fund, by reason of the issuance of the Bonds, from the Pledged Revenue on deposit in the Revenue Fund (i) beginning on or before the twenty-fifth (25th) day of the month next following delivery of the Bonds and on or before the twenty-fifth (25th) day of each following month until and including the first interest payment date, an amount equal to not less than the fractional amount required in order to have the amount of the first installment of interest on deposit by the twenty-fifth (25th) day of the month next preceding the first interest payment date, and thereafter on the twenty-fifth (25th) day of each following month, an amount equal to not less than one sixth (1/6) of the next installment of interest; (ii) beginning on or before the twenty-fifth (25th) day of the month next following delivery of the Bonds, and on or before the twenty-fifth (25th) day of each following month until and including the first principal payment date, an amount equal to not less than the fractional amount required in order to have the amount of the first installment of principal on deposit by the twenty-fifth (25th) day of the month preceding the first principal payment date, and thereafter on or before the twenty-fifth (25th) day of each month, an amount equal to one twelfth (1/12) of the next annual principal payment to become due on the Bonds.

Except in compliance with the rules of the Texas Water Development Board, no bond proceeds will be deposited to the Bond Fund.

The monthly deposits to the Bond Fund for the payment of principal and interest on the Bonds shall continue to be made as hereinabove provided until such time as (i) the total amount on deposit in the Bond Fund is equal to the amount required to pay all Outstanding Bonds Similarly Secured (principal and interest) for which said Fund was created and established or (ii) the Bonds Similarly Secured payable therefrom are no longer Outstanding.

Moneys on deposit in the Bond Fund may be invested, to the extent such investments are Authorized Investments, in United States Treasury bills, in similar direct obligations of the United States of America, or in certificates of deposit of any bank that is a member of the Federal Deposit Insurance Corporation (which are fully secured by a pledge of direct obligations of, or obligations of which the principal and interest are guaranteed by, the United States of America to the extent such certificates are not insured) maturing at such dates and in such manner as will provide cash to discharge interest and/or principal payments on Bonds Similarly Secured when and as the same become due.

Investment income and profits realized from the investment of the Bond Fund shall be retained therein until used as provided in this Section. Accrued interest, if any, shall be deposited into the Bond Fund.

SECTION 15: Reserve Fund. Upon the delivery of the Bonds, amounts on deposit in the Reserve Fund, allocated as a part of the Reserve Fund for the security of "Bonds Similarly

Secured" under the resolutions authorizing the issuance of such Bonds Similarly Secured (including amounts held in the Reserve Fund by reason of the issuance of the Previously Issued Bonds) shall continue to be held as a part of the Reserve Fund for the security and payment, if required, of Bonds Similarly Secured as defined herein. The Authority hereby covenants and agrees with the holders of the Bonds Similarly Secured that it will provide for the accumulation of, and when accumulated, will thereafter continuously maintain in the Reserve Fund an amount equal to the average annual principal and interest requirement of all Bonds Similarly Secured (the Required Reserve Fund Amount). If any Bonds Similarly Secured are subject to mandatory redemption, the amount required to be redeemed in any Fiscal Year shall be treated as if it matured in that Fiscal Year. The average annual requirement shall be calculated on a Fiscal Year basis on the Outstanding Bonds Similarly Secured on the date of the last series of Bonds Similarly Secured (after giving effect to the issuance of such last series); provided, however, at such time as the Previously Issued Bonds identified in 1 through 3 of Section 10(I) hereof are no longer Outstanding, the average annual requirement shall also be calculated at the end of each Fiscal Year. Any amounts on deposit in the Reserve Fund in excess of such requirement shall be transferred to the Revenue Fund.

In addition, beginning on or before the twenty-fifth (25th) day of the month following the delivery of the Bonds, and on or before the twenty-fifth (25th) day of each month thereafter, there shall be deposited in the Reserve Fund substantially equal monthly deposits in an amount which will result in the Required Reserve Fund Amount being on deposit in the Reserve Fund within not more than sixty (60) months from the date of the passage of this Resolution, and such monthly deposits shall take into account the amounts already on deposit in said Reserve Fund.

When the Required Reserve Fund Amount has been fully accumulated, said monthly payments to said Fund may be terminated; provided, however, should the money in the Reserve Fund be utilized so the Reserve Fund balance is less than the Required Reserve Fund Amount, after the same has been accumulated, monthly deposits shall be made in an amount not less than one-twelfth (1/12th) of the amount of the deficiency and shall continue to be made on or before the twenty-fifth (25th) day of each month until the Required Reserve Fund Amount has been fully restored.

Money in the Reserve Fund may be, at the option of the Authority, invested or reinvested from time to time in direct obligations of or obligations the principal and interest of which are guaranteed by the United States of America or invested in direct obligations of or participation certificates guaranteed by the Federal Intermediate Credit Banks, Federal Land Banks, Federal National Mortgage Association, Federal Home Loan Banks, Banks for Cooperatives, and in certificates of deposit of any bank which is a member of the Federal Deposit Insurance Corporation, and such certificates of deposit are fully insured and/or secured by a pledge of the securities of any of the kind hereinabove specified, such obligations or securities to mature in not more than ten years from the date of such investment or not later than the final maturity of the Bonds Similarly Secured Outstanding for which the Reserve Fund is established, whichever is shorter. Any obligations in which money is so invested shall be kept in escrow with the custodian of said Fund, and shall be promptly sold when notified by the Authority that moneys on deposit in the Bond Fund are insufficient to make a current interest and/or principal payment on Bonds Similarly Secured, and the proceeds of sale of such investments and/or moneys on deposit in the Reserve Fund in an amount sufficient to meet the deficiency in the Bond Fund shall be immediately transferred to the Bond Fund, without further notice or authorization. The Authority shall direct the investment of moneys on deposit in the Reserve Fund.

Investment income and profits realized from the investment of the Reserve Fund shall be retained therein as may be necessary to fully establish or restore the Required Reserve Fund Amount and thereafter shall be transferred to the Revenue Fund.

Investments in the Reserve Fund shall be valued at the lower of cost or market on June 1 of each year, by the chief financial officer of the Authority. In the event the amount contained in the Reserve Fund (as the result of such valuation) is less than the amount then required to be on deposit, additional deposits in an amount equal to not less than 1/12th of the deficiency shall be made monthly, beginning on the 25th day of October next following until the deficiency has been corrected. In the event the amount contained in the Reserve Fund (as a result of such valuation) is more than the Required Reserve Fund Amount, the amount of such excess may be transferred to the Revenue Fund and shall be so transferred if directed by the Authority.

SECTION 16: Deficiencies in Funds. If in any month the Authority shall, for any reason, fail to pay into the Bond Fund and Reserve Fund the full amounts above stipulated, amounts equivalent to such deficiencies shall be set apart and paid into said Funds from the first available and un-allocated Pledged Revenue of the following month or months, and such payments shall be in addition to the amount hereinabove provided to be otherwise paid into said Funds during such month or months.

SECTION 17: Remainder of Revenues. Money remaining in the Revenue Fund, after making the payments required in items (1) through (4) of the last paragraph of Section 13, shall be transferred to any other fund created by this Resolution and used as a credit to the amount that would otherwise be required to be paid by the City under Section 3.01 of the Contract.

SECTION 18: Security of Funds and Their Transfer. All moneys on deposit in the special Funds for which this Resolution makes provision (except any portions thereof as may be at any time properly invested) shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds, and moneys in such special Funds shall be used only for the purposes permitted by this Resolution.

While any of the Bonds are Outstanding, the Board of Directors shall cause to be transferred to the Paying Agent/Registrar therefor, from funds on deposit in the Bond Fund and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly as each installment of interest and principal of the Bonds accrues or matures or comes due by reason of redemption prior to maturity, such transfer of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds at the close of the business day next preceding the date of payment for the Bonds.

SECTION 19: Issuance of Additional Parity Bonds. In addition to the right to issue bonds of inferior lien as authorized by the laws of this State, the Authority reserves the right hereafter to issue Additional Bonds. The Additional Bonds, when issued, shall be payable from and secured by a first lien on and pledge of the Pledged Revenue in the same manner and to the same extent as are the Bonds and the Previously Issued Bonds. Bonds Similarly Secured shall in all respects be of equal dignity. The Additional Bonds may be issued in one or more installments provided, however, that no Additional Bonds shall be issued unless and until the following conditions have been met:

(a) The Authority is not then in default as to any covenant, condition or obligation prescribed in a resolution authorizing the issuance of the Outstanding Bonds Similarly Secured or the Contract (including any amendment or supplement thereto).

(b) A consulting engineer certifies to the Authority the need for an estimated amount of additional financing required for completion, expansion, enlargement or improvement of the Project.

(c) The City of Sherman, Texas, shall have approved the resolution(s) authorizing the issuance of the Additional Bonds as to form and content and acknowledged that the payment of principal of and interest on such bonds is payable, in whole or in part, from payments to be made by the City of Sherman, Texas, under and pursuant to the Contract.

(d) The Additional Bonds are made to mature on October 1 or April 1 or both in each of the years in which they are scheduled to mature.

(e) The resolution authorizing the issuance of the Additional Bonds provides for deposits to be made to the Bond Fund in amounts sufficient to pay the principal of and interest on such Additional Bonds as the same become due.

(f) The resolution authorizing the issuance of the Additional Bonds provides that (i) the amount to be accumulated and maintained in the Reserve Fund shall be in an amount equal to not less than the average annual requirement (calculated on a Fiscal Year basis) of the Outstanding Bonds Similarly Secured, as of the date of the last series of Bonds Similarly Secured after giving effect to the issuance of the Additional Bonds) for the payment of principal of and interest on all obligations to be secured by a first lien on and pledge of the Pledged Revenue, and (ii) any additional amount to be maintained in the Reserve Fund shall be accumulated within not more than 60 months from the date of the passage of the resolution authorizing the issuance of the proposed Additional Bonds.

(g) The Authority will demonstrate to the Board's Executive Administrator that the Pledged Revenues will be sufficient to pay the Previously Issued Bonds, the Bonds and the proposed Additional Bonds.

Bonds Similarly Secured may be refunded (pursuant to any law then available) upon such terms and conditions as the governing body of the Authority may deem to be in the best interest of the Authority, and if less than all such Outstanding Bonds Similarly Secured are refunded the proposed refunding bonds shall be considered as "Additional Bonds" under the provisions of this Section, but the certificate required in subparagraph (b) shall not be required or be applicable to the issuance of such refunding bonds.

SECTION 20: Insurance. The Authority covenants that it will at all times keep insured such of its plants, structures, buildings, stations, machinery, equipment, apparatus, distribution pipelines and equipment, as are usually insured by corporations operating like properties, with a responsible insurance company or companies, against risks, accidents or casualties against which and to the extent insurance is usually carried by corporations operating like properties, and will also at all times maintain worker's compensation insurance and insurance against public liability and property damages to the extent permitted by law, in a reasonable amount with a responsible insurance company or companies; provided, however, that any time while any contractor engaged in construction work shall be fully responsible therefor, or the Authority has assumed such responsibility, the Authority shall not be required to carry such insurance.

The Authority further covenants that such insurance with respect to the Project shall be in an amount sufficient to protect the Board's interest in the Series 2020 Project.

SECTION 21: Records - Accounts - Accounting Reports. The Authority hereby covenants and agrees that so long as any of the Bonds Similarly Secured or any interest thereon remain Outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts on a Fiscal Year basis pertaining to the operation of the Project separate and apart from all other records and accounts of the Authority in accordance with accepted accounting practices, and complete and correct entries shall be made of all transactions relating to said Project. The Holder or Holders of any Bonds Similarly Secured, or any duly authorized agent or agents of such Holders, shall have the right at all reasonable times to inspect all such records, accounts and data relating thereto and to inspect the Project and all properties comprising same. The Authority further agrees that within one hundred twenty (120) days following the close of each Fiscal Year, or as soon thereafter as possible, it will cause an audit of such books and accounts to be made by an independent firm of Certified Public Accountants or Licensed Public Accountants. Each such audit, in addition to whatever other matters may be thought proper by the Accountant shall particularly include the following:

- (a) A detailed statement of the receipts and disbursements from the Revenue Fund.
- (b) A balance sheet as of the end of such Fiscal Year.
- (c) The Accountant's comments regarding the manner in which the Authority and the City have complied with the covenants and requirements of this Resolution and the Contract and his recommendations for any changes or improvements in the operation, records and accounts of the Authority.

Expenses incurred in making the audits above referred to are to be regarded as Maintenance and Operating Expenses of the Project and paid as such. Copies of the aforesaid annual audit shall be immediately furnished to the Executive Director of the Municipal Advisory Council of Texas at his or her office in Austin, Texas, the Texas Water Development Board, Attention: Executive Administrator, and, upon written request, to the initial Holder and any subsequent Holder of the Bonds Similarly Secured.

By its approval of this Resolution, the City of Sherman, Texas, agrees, in order to secure its obligations under the Contract, to maintain rates and charges for its utility system sufficient to pay all of its obligations secured by and made payable from the revenues derived from the operation of its utility system.

SECTION 22: Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the Authority covenants and agrees particularly that in the event the Authority (a) defaults in payments to be made to the Bond Fund or Reserve

Fund as required by this Resolution, or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Resolution any Holder shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the Board of Directors and other officers of the Authority to observe and perform any covenant, condition or obligation prescribed in this Resolution.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedy herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive.

SECTION 23: Special Covenants. The Authority hereby further covenants as follows:

(a) It has the lawful power to pledge the revenues supporting this issue of Bonds and has lawfully exercised said power under the Constitution and laws of the State of Texas; that the Bonds, Previously Issued Bonds, and the Additional Bonds, when issued, shall be ratably secured under said pledge of the Pledged Revenue in such manner that one bond shall have no preference over any other bond of said issues.

(b) Other than for the Bonds and the Previously Issued Bonds, the Pledged Revenue has in no manner been committed or pledged to the payment of any debt or obligation of the Authority.

(c) So long as any of the Bonds or any interest thereon remain Outstanding, the Authority will not sell or encumber the Project or any substantial part thereof; provided, however, this covenant shall not be construed to prohibit the sale of such machinery, or other properties or equipment which has become obsolete or otherwise unsuited to the efficient operation of the Project, and, also, with the exception of the Additional Bonds expressly permitted by this Resolution to be issued, it will not encumber the Pledged Revenue unless such encumbrance is made junior and subordinate to all of the provisions of this Resolution.

(d) The Authority will maintain rates and charges to the City sufficient to meet the debt service requirements on the Outstanding obligations of the Authority that are supported by such revenues.

None of the special covenants herein appearing shall be construed in any manner which would deprive the Authority of its right to pledge any revenues produced by modification of the Contract and specifically designated to meet obligations incurred in providing the Authority with enlarged or additional facilities; further, that none of said covenants shall be construed in any manner which would deprive the Authority of its right to pledge that part of any revenue or income derived by it from other future contracts with other cities, towns or villages or the Authority or others and required to satisfy conditions for payment of other bonds or obligations issued by the Authority and such right is especially reserved.

SECTION 24: Bonds are Special Obligations. The Bonds are special obligations of the Authority payable from the Pledged Revenue and the Holders thereof shall never have the right to demand payment thereof out of funds raised or to be raised by taxation.

SECTION 25: Bonds are Negotiable Instruments. Each of the Bonds herein authorized shall be deemed and construed to be a "Security" and as such a negotiable instrument, within the meaning of Texas Business & Commerce Code, Chapter 8, as amended.

SECTION 26: Notices to Holders-Waiver. Wherever this Resolution provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States mail, first class postage prepaid, to the address of each Holder as it appears in the Security Register.

In any case in which notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Resolution provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 27: Cancellation. All Bonds surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the Authority, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The Authority may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered that the Authority may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Bonds held by the Paying Agent/Registrar shall be destroyed as directed by the Authority.

SECTION 28: Satisfaction of Obligation of Authority. If the Authority shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Resolution, then the pledge of the Pledged Revenue under this Resolution and all other obligations of the Authority to the Holders shall thereupon cease, terminate, and become void and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The Authority covenants that no deposit of moneys or Government Obligations will be made under this Section and no use made of any such deposit that would cause the Bonds to be treated as

"arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar or an authorized escrow agent, pursuant to this Section that is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the Authority or deposited as directed by the Authority. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of four (4) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall, upon the request of the Authority, be remitted to the Authority against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the Authority shall be subject to any applicable unclaimed property laws of the State of Texas.

SECTION 29: Mutilated - Destroyed - Lost and Stolen Bonds. In case any Bond shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Bond, or in lieu of and in substitution for such destroyed, lost or stolen Bond, only upon the approval of the Authority and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the Authority and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, or destroyed, lost or stolen.

Every replacement Bond issued pursuant to this Section shall be a valid and binding obligation, and shall be entitled to all the benefits of this Resolution equally and ratably with all other Outstanding Bonds; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 30: Sale of the Bonds. The sale of the Bonds to the Texas Water Development Board (herein referred to as the "Purchaser" and the "initial Holder") pursuant to a loan commitment received from said Board, at the price of par, less a loan origination fee of ___%, to provide for the Bonds to bear interest at an effective interest rate equivalent to the Purchaser's lending rate therefor, is hereby confirmed and declared to be in the best interests of the Authority. Delivery of the Bonds to said Purchaser shall occur as soon as possible upon payment being made therefor in accordance with the terms of sale.

SECTION 31: Construction Fund. The Authority hereby creates a construction fund account in a depository of the Authority, which is known as the "Construction Fund," into which shall be deposited all remaining proceeds derived from the sale of the Bonds in accordance with Section 34 of this Resolution and this Section. To the extent of any conflict between this

Section and Section 34, Section 34 controls. In this Section, when the term "Cost(s) of the Project" is used, the reference is to the Series 2020 Project.

Moneys on deposit in the Construction Fund shall be disbursed only for payment of the respective Costs of the Project financed. All expenditures for construction, labor, and materials shall be disbursed only upon receipt of a certificate of the Engineer (as defined in the Contract) based upon estimates of work and material furnished as approved by such Engineers and submitted to the Authority and the City's Engineer for approval prior to payment. The Authority shall keep records of the nature and amount of all Construction Fund expenditures and make the same available to the City and the engineers at all reasonable times. Should there be any balance in the Construction Fund after all such Costs of the Project have been paid, such balance shall be deposited in the Bond Fund.

Moneys in the Construction Fund may be invested, to the extent such investments are Authorized Investments, in one or more of the following: (a) Government Obligations, (b) certificates of deposit of any bank or trust company that are fully secured by a pledge of direct obligations of, or obligations of which the principal and interest are guaranteed by, the United States of America to the extent such certificates are not insured, which obligations shall mature on dates that coincide as closely as practicable to the dates when money will be needed to pay construction costs as such dates are estimated in schedules prepared by the Engineer and furnished to the Authority. All earnings realized from these investments shall be retained in the Construction Fund until completion of the Series 2020 Project and shall be treated in the same manner as other moneys in the Construction Fund are treated as pursuant to this Resolution.

SECTION 32: Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the initial Purchaser against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"Rebate Amount" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Regulations" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue

Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of (i) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and (ii) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The Authority shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on (1) any Bond issued hereunder or (2) any series of bonds or obligations issued or incurred by the Texas Water Development Board or the Texas Water Resources Finance Authority to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Authority receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the Authority shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the Authority shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the Authority or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the Authority shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired,

constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the Authority shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the Authority shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The Authority shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The Authority shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six (6) years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the Authority may commingle Gross Proceeds of the Bonds with other money of the Authority, provided that the Authority separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the Authority shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The Authority shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six (6) years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the Authority shall pay to the United States out of the Construction Fund, other appropriate fund or, if permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the Bond Fund, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In

all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The Authority shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Elections. The Authority hereby directs and authorizes the President, Secretary and/or Assistant Secretary of the Board of Directors of the Authority, and the General Manager of the Authority, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(j) Nonpurpose Investments. No portion of the proceeds of the Bonds will be used, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire Nonpurpose Investments which produce a yield materially higher than the yield on the Board's bonds that were issued to provide financing for the Bonds (the "Source Series Bonds"), other than Nonpurpose Investments acquired with:

(i) proceeds of the Board's Source Series Bonds invested for a reasonable temporary period of up to three (3) years (reduced by the period of investment by the Board) until such proceeds are needed for the facilities to be financed;

(ii) amounts invested in a bona fide debt service fund, within the meaning of § 1.148-1(b) of the IRS Regulations; and

(iii) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed the least of maximum annual debt service on the Bonds, 125% of average annual debt service on the Bonds, or 10 percent of the stated principal amount (or, in the case of a discount, the issue price) of the Bonds.

SECTION 33: Control and Custody of Bonds. The President of the Board of Directors of the Authority shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas, including the printing and supply of definitive Bonds, and shall take and have charge and control of the Initial Bond(s) pending approval by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery thereof to the Purchaser.

Furthermore, the President, Vice President, Secretary, and/or Assistant Secretary of the Board of Directors of the Authority, and the General Manager of the Authority, are hereby authorized and directed to furnish and execute such documents relating to the Authority and its

financial affairs as may be necessary for the issuance of the Bonds, the approval of the Bonds by the Attorney General and their registration by the Comptroller of Public Accounts and, together with the Authority's financial advisor, bond counsel and the Paying Agent/Registrar, make the necessary arrangements for printing of the definitive Bonds and the delivery of the Initial Bond(s) to the initial Purchaser and the exchange thereof for definitive Bonds.

SECTION 34: Rules and Regulations of the Texas Water Development Board. In compliance with the published rules and regulations of the Texas Water Development Board (the "Board"), the Authority agrees and covenants that upon completion of the Series 2020 Project, the proper officials of the Authority promptly shall cause to be prepared and submitted to the Board (i) a final accounting of the total costs of the Series 2020 Project and the expenditure of funds therefor and (ii) a copy of the construction plans for the Series 2020 Project as built and completed. In addition to other information required by the Board, said final accounting shall identify (i) all funds utilized or represented to be available in the Authority's application, from whatever source derived, and (ii) all Series 2020 Project costs contained and approved in the Authority's application to the Board or approved in subsequent change orders. If the total cost of the Series 2020 Project is less than the amount of the Series 2020 Project funds available, then the Authority may use such surplus proceeds remaining after completion of the Series 2020 Project and completion of a final accounting in a manner as approved by the Executive Administrator. Execution and delivery of an Escrow Agreement, substantially in the form attached hereto as **Exhibit C**, by the President, Secretary, and/or Assistant Secretary of the Board of Directors of the Authority, is hereby approved. The Construction Fund shall be held subject to the Escrow Agreement and moneys deposited therein shall be kept separate from other funds and accounts of the Authority. The Authority further covenants and agrees (i) that certain proceeds of sale of the Bonds shall be deposited in the Construction Fund created by Section 31 of this Resolution and established with a depository of the Authority, and (ii) all funds deposited in such Construction Fund shall be disbursed only for the Series 2020 Project and, as is appropriate, in accordance with the provisions of Chapter 15 or 17 of the Texas Water Code.

The Authority further agrees and covenants as follows:

(i) to comply with all applicable laws of the State of Texas and all applicable rules and policies of the Board with respect to the acquisition and construction of the Series 2020 Project and the loan of funds to the Authority by the Board evidenced by the Bonds.

(ii) no bond proceeds will be used for sampling, testing, removing or disposing of contaminated soils and/or media at the project site and, to the extent permitted by law, to indemnify, hold harmless and protect the Board from any and all claims, causes of action or damages to the person or property of third parties arising from the sampling, analysis, transport and/or removal and disposition of any contaminated sewage sludge, contaminated sediments and/or contaminated media that may be generated by the Authority, its contractors, consultants, agents, officials and employees as a result of activities relating to the project.

(iii) all laborers and mechanics employed by contractors and subcontractors for the Series 2020 Project shall be paid wages at rates not less than prevailing on projects of a similar character in the locality in accordance with the Davis-Bacon Act, and the U.S. Department of Labor's implementing

regulations. The Authority, all contractors, and all subcontractors shall ensure that all Project contracts mandate compliance with Davis-Bacon. All contracts and subcontracts for the construction of the Series 2020 Project shall include in full in any contract in excess of \$2,000 the contracts clauses as provided by the Board.

(iv) the Authority will abide by all applicable construction contract requirements related to the use of iron and steel products produced in the United States, as required by 31 TAC § 375.3, 33 U.S.C. § 1388, and related State Revolving Fund Policy Guidelines.

(v) the Contract shall not be amended or revised in a manner to affecting the financial condition of the Authority and its ability to pay the Bonds without the prior written approval of the Board's Executive Administrator.

(vi) the Authority shall provide the Board with all information required to be reported in accordance with the Federal Funding Accountability and Transparency Act of 2006, Pub. L. 109-282, as amended by Pub. L. 110-252. The Authority shall obtain a Data Universal Numbering System ("DUNS") Number and shall register the System for Award Management ("SAM"), and maintain current registration at all times while the Bonds are outstanding.

(vii) all proceeds of the Bonds will be timely and expeditiously used, as required by 40 CFR § 35.3135(d) and the Authority will adhere to the approved project schedule.

(viii) the Board may exercise all remedies available to it in law or equity, and any provision of the Bonds that restricts or limits the Board's full exercise of these remedies shall be of no force and effect.

(ix) neither the Authority nor a related party thereto will acquire any of the Board's bonds that were issued to provide financing for the Bonds in the amount of the Bonds to be acquired from the Authority by the Board.

(x) prior to any action by the Authority to convey the project (including the related obligation to repay the Bonds) to another entity, the conveyance and assumption must be approved by the Board; the Authority notify the Board's Executive Administrator prior to taking actions to alter the Authority's legal status in any manner, including any transfer of substantially all of its assets to another entity.

(xi) the proceeds of the Bonds shall be held in a designated state depository institution or other properly chartered and authorized institution in accordance with the Public Funds Investment Act, Government Code, Chapter 2256, and the Public Funds Collateral Act, Government Code, Chapter 2257.

(xii) the Authority will refrain from using the proceeds of the Bonds or the proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Obligations in contravention of the requirements of Section 149(d) of the Code (relating to advance refundings).

SECTION 35: Legal Opinion. The Purchaser's obligation to accept delivery of the Bonds is subject to its being furnished a final opinion of Norton Rose Fulbright US LLP, Attorneys, concerning the validity of the Bonds, said opinion to be dated and delivered as of the date of delivery and payment for the Bonds by the Purchasers. A true and correct reproduction of said opinion is hereby authorized to be printed on the definitive Bonds, or an executed counterpart thereof shall accompany the global Bonds deposited with the Depository Trust Company.

SECTION 36: CUSIP Numbers. CUSIP numbers may be printed or typed on the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof and neither the Authority nor attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the Bonds.

SECTION 37: Effect of Headings. The Section headings herein are for convenience of reference only and shall not affect the construction hereof.

SECTION 38: Resolution a Contract - Amendments. This Resolution shall constitute a contract with the Holders from time to time, be binding on the Authority, and shall not be amended or repealed by the Authority so long as any Bond remains Outstanding except as permitted in this Section and in Section 39 hereof. The Authority, may, without the consent of or notice to any Holders, from time to time and at any time, amend this Resolution in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the Authority may, with the written consent of Holders holding a majority in aggregate principal amount of the Bonds Similarly Secured then outstanding, amend, add to, or rescind any of the provisions of this Resolution; provided that, without the consent of all Holders of the Bonds then outstanding, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Bonds, reduce the principal amount thereof, the redemption price, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount of Bonds required to be held by Holders for consent to any such amendment, addition, or rescission.

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Authority undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the financial results, condition, or prospects of the Authority or the State of Texas or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Authority does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE AUTHORITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE AUTHORITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

The provisions of this Section may also be amended from time to time or repealed by the Authority if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the Authority's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering.
