

Club Flamenco is a group of Flamenco enthusiasts who meet each Friday evening at Maple Ridge Dance Circle. We hold workshops with Flamenco teachers and choreographers and we invite anyone with an interest in Flamenco dance to join us either on Fridays regularly, or at our workshops with guest teachers, or both. Beginners are welcome!

Our dancers have between 1 and 30 years of experience studying the rhythms and regional flavours of Spanish dance. Some of the special techniques you will experience are foot and heel work, palmas (clapping) castanet work, arm and hand movements.

If you would like more information on Club Flamenco, please call
