Jazz dance incorporates many styles of steps, jumps, turns and floor work. Accompanying music ranges from traditional Broadway hits to current popular music. Lyrical is the more interpretive aspect of Jazz and is part of the Jazz Medal program and included in Adult Level 4 Jazz. Recreational classes for ages 5 through adult are offered. Classes for Youth Level 1 are combined with Tap.

To be eligible for the Jazz Medal program, Jazz students are required to take CDTA Jazz examinations and must take Ballet from Grade 3 Jazz upward.
