

Creative Movement

Tuesday afternoons

Saturday mornings

During Covid 19, each child must have a parent stay during class

Designed specifically for pre-schoolers ages 3 ½ to 5, Creative Movement is an exploration of body movement and music.

Children are given an early introduction to the patterns, rhythms, contrasts and imagery of dance—an excellent preparation for all forms of dance. Classes are 45 minutes.

Tiny Tots Creative Movement

Saturday mornings

A modified Creative Movement program that runs in 6-week sessions for 2 ½ - 3 ½ year olds.

Parents are in the room but will be expected to participate only minimally in the class. Classes are 30 minutes.
