go behind the scenes WITH THE COLLETTE TEAM

We have some truly amazing adventures sprawling across the USA, Canada and Costa Rica. Hear from some of the creators of these tours as well as longtime Tour Managers and get a sneak peek into what they're the most excited about this year.

Samantha K. TOUR DESIGNER

What are you most excited about for this travel season?

We have a new **Spotlight on Boston** tour and I'm so excited for it. Last year, travelers embraced exploring in their own backyards. Boston is such a cool city – from the Salem Witch Trials to Lexington and Concord, we embrace the city's fascinating history. We meet the people (*and their accents*) and try the food (*New England clam chowder and a cannoli? Need I say more?*).

Wesley G. TOUR MANAGER

What's the story from the road right now?

It's an exciting time to be on the road – travelers are so eager to explore again. There's definitely renewed interest in our most popular Tours-in-Demand like **National Parks of America** and **Canadian Rockies by Train** – but we are also seeing this huge interest in brand-new tours and it makes sense. Our tour designers work so hard to create the kind of moments you'd be hard-pressed to find on your own. They are experts in their destinations and on tour, it's all about uncovering the magic and going home having truly experienced the local culture.

Our travelers in Costa Rica get a birds-eye view in Monteverde's Cloud Forest.

Kelsie M. TOUR SUPERVISOR

What destinations right now are great for those looking to really switch up the scenery?

Costa Rica is always a traveler favorite and right now, it's trending big time. From the vast variety of wildlife to the incredible views of rainforests, volcanoes and beaches, there's so much to love! Two experiences in this natural paradise that people come home telling their friends and family about are trips above the rainforest and immersive moments like an interactive cooking class. Whether they're walking across the hanging bridges suspended over the rainforest floor in Arenal or ziplining over the Monteverde Cloud Forest, these birds-eye views are something that stick with our travelers.

NEW SMALL GROUP TOUR

On Montana: Exploring Big Sky Country, venture down Going-to-the-Sun Road in a 1930s vintage bus.

Jaclyn L. PRESIDENT

Has traveler feedback inspired any new tours for 2022?

We pride ourselves on always listening to our travelers, to see what they want and where they'd like to go. That's why we created our **brand-new Montana** Small Group Explorations tour. This past year, there was a huge desire to explore closer to home, to really discover the treasures in our own backyards. So many travelers told us they'd love to tour the gorgeous national parks located here and the demand for Big Sky Country has been great. It's a fun tour with some of the most beautiful scenery to be uncovered along the way.

Capture the moment

Our team is on the road all year and they send us the best snapshots of their travels! Every photo is a story from the road and these moments definitely capture the magic of travel.

Share your own travel snapshots with #gocollette and stay connected!

We love hearing your story and seeing these moments come to life!

EXPLORATIONS

Glacier National Park

Step outside, take a deep breath in, and look towards the mountains – you're in the big sky country of Montana.

Day 1: Bozeman, Montana – Tour Begins

Step outside, take a deep breath in, and look around you – you're in big sky country. Montana is wilderness, adventure, and beauty, and you're about to see what makes it unique, as well as its crown jewels. Today, arrive in Bozeman, the jumping off point to explore Yellowstone, America's first national park.

Day 2: Bozeman – Yellowstone Southern Loop – Gardiner

This morning, pass through Yellowstone's western gate and venture into the Lower Loop, the road that encircles the entire lower half of the national park. Your first stop will be at the Grand Prismatic Spring, where steaming azure-blue waters clash brilliantly with the bright orange of the clay earth surrounding it. The best spot to take it all in is at the overlook, and you'll have enough time to take the 20-minute hike up if you choose. Afterwards, head to Old Faithful, the legendary geyser that you can "set your watch to." Enjoy lunch on your own and walk the boardwalk trails surrounding Old Faithful. After you've explored Old Faithful, pass by the massive and beautiful Yellowstone Lake. Bison, elk, bears, eagles, wolves, and antelope call this incredible slice of wilderness their home. (B, D)

Day 3: Gardiner – Yellowstone Northern Loop – Gardiner

Today, explore Yellowstone's northern loop. Head to the Grand Canyon of Yellowstone lookout first,

where you'll find yourself standing over the massive, 20-mile-long canyon. Its craggy walls are streaked with whites, pinks, and oranges from the volcanic minerals contained in the rocks. The Yellowstone River roars along at the bottom over three different waterfalls. Next, head to Mammoth Hot Springs. Here, bubbling pots of geothermal water trickle down the step-like rocks, creating incredible shapes and colors. Explore the boardwalks that wind through the steaming landscape before heading to your hotel in Gardiner, right outside Yellowstone's north gate. (B)

Day 4: Gardiner – Paradise Valley – Helena

This morning, head through the sweeping vistas of Montana's Paradise Valley. You'll arrive in the capital of Montana, Helena, a city with rich gold rush history and beautiful Victorian era architecture. These days, the "Queen City of the Rockies" is less known for gold and more known for its great local restaurants and microbreweries, as well as a stunning trail system in the surrounding landscape. (B, D)

Day 5: Helena – Gates of the Mountains – Helena

Start your day today with a local guide showing you around the beautiful mountain town of Helena. Delve into the history of the city's south side and get a view of its gritty past. This was where the rough-and-tumble elements of

Helena gathered, from bars filled with miners to the city's persecuted immigrant population in Chinatown. Learn about these oft-ignored communities as you make your way through these areas. You'll have time on your own to enjoy the charm of downtown Helena before heading to the Gates of the Mountains. Here, on the shores of the Missouri River, you'll follow in the footsteps of the most renowned explorers in American history – Lewis and Clark. Climb aboard a boat and cruise these storied waters, following the path Lewis and Clark took on their legendary journey across this vast wilderness. Meriwether Lewis himself named the stunning canyon the Gates of the Mountains. Tonight, return to Helena for an evening at leisure. (B)

Day 6: Helena – Great Falls – St. Mary Village, Glacier National Park

Today, venture to Great Falls, where the mighty Missouri River thunders down from the Rocky Mountains over five waterfalls to the great plains below. This was a massive obstacle for Lewis and Clark's expedition in 1805. They had to carry their boats over land for a month to make it from the lower falls to the upper falls. You will not have to work that hard, because **It's Your Choice!** Visit the Lewis and Clark National Historic Trail Interpretive Center where you can learn about the trials and travails of the legendary expedition, followed by hiking along the Missouri River **-OR-** explore the exhibits at the C.M. Russell Art Museum during a guided tour. See the art of Charles Russell, a cowboy-turned-artist from the turn of the century, as well as his original home and log studio. Afterwards, continue to St. Mary Village, the eastern entryway to Glacier National Park. (B, D)

Day 7: Glacier National Park – Going-to-the-Sun Road – Whitefish

Head into Glacier National Park to board one of the 1930s vintage red buses and venture down one of the most breathtaking roads in North America, Going-to-the-Sun Road. Sit back and admire the views of the valley as your "jammer", one of the experienced guides, drives you through this natural landscape. Relax and take in all the majestic sights, before heading to the town of Whitefish. (B)

Day 8: Whitefish

This morning, enjoy some leisure time in the picturesque town of Whitefish. Always listed as one of America's 25 prettiest towns, enjoy a stroll around, do some shopping, or just relax. Perhaps you'll stop for lunch at one of the great restaurants found along Central Avenue or buy some Huckleberry jam from a local shop. Your

morning leads into an adventurous afternoon, because **it's your choice!** Grab a paddle and get ready for a white-water rafting adventure **-OR-** take the calmer, scenic route on a float down the Flathead River. No matter which style river journey you choose, the awe-inspiring views of Glacier National Park await. Tonight, sit down for a mouth-watering barbecue dinner. (B, D)

Day 9: Whitefish – Flathead Lake – Missoula

Depart Whitefish and drive south, journeying along the western edge of beautiful Flathead Lake. Carved by the ancient glaciers that give Glacier National Park its name, Flathead Lake stretches almost 200 square miles. You might even spot some orchards, growing Flathead cherries. Encompassing most of the lake is the Flathead Reservation, home to the Confederated Salish and Kootenai Tribes of the Flathead Nation. At one point, these tribes had territories that stretched out of Montana and into Idaho, British Columbia, and Wyoming. The Hellgate Treaty of 1855 set aside Flathead Lake for the tribes, reducing their lands to a fraction of what it once was. Tribal land was once again shrunk in 1904 by over half a million acres. Despite all of this, the Tribal way of life continues on to this day, passed down from elders to children through a rich oral and spiritual tradition. Get a glimpse into these traditions when you meet a descendant of the last Kootenai chief, and learn about the importance of the land in native life. Afterwards, head to the eclectic city of Missoula, where you can enjoy a relaxing evening at leisure. (B)

Day 10: Missoula

Your day in Missoula starts off with a visit to the Smokejumper Visitor Center. Learn how and why these legendary firefighters do what they do – jump out of planes and parachute into dangerous wildfires. Missoula is home to the largest smokejumper base in the United States, and you'll visit the ready room, smokejumper loft, the National Smokejumper Memorial, and a fire lookout tower originally built in 1930. Later, experience an **Impact Moment** when you visit River Pines Farm Horse Sanctuary, a non-profit dedicated to providing a forever home to horses in need. This evening, enjoy a memorable farewell dinner with your fellow travelers, where you can raise a glass and toast to a wildly fun Montana adventure. (B, D)

Day 11: Missoula – Tour Ends

Say goodbye to Big Sky Country and its beautiful sights as you head home. (B)

SPECIAL EVENT

Cherry Blossom Season

Enjoy the festivities during this beautiful herald of spring. Please note: Blooming varies slightly every year. Dates are to be determined.

Our air passengers will arrive into and depart from Washington, D.C. Airport transfers are available for purchase. The National Cherry Blossom Festival is planned to coincide as near as possible with the blooming of the trees. "Peak Bloom Date" is defined as the day on which 70 percent of the blossoms of the Yoshino cherry trees are open. The date when the Yoshino cherry blossoms reach peak bloom varies from year-to-year, depending upon weather conditions. The mean date of blooming is April 4, but nature is not always cooperative and the National Park Service horticulturists cannot make an accurate prediction much more than 10 days prior. The blooming period starts several days before the Peak Bloom Date and can last as long as 14 days; however, frost or high temperatures combined with wind and/or rain can shorten this period. Ford's Theatre is a working, professional theatre and there may be occasions when access is restricted or not available.

FREQUENTLY ASKED *questions*

accommodations

What is the difference between a twin room and a double room?

In certain countries, hotel rooms tend to be smaller than U.S. standard accommodations. A double room is designed to accommodate two people, but may not have two separate beds. A twin bedded room has two separate beds of any size, and is the type most commonly utilized.

What size is a triple room? A triple room is the same size as a twin bedded room and beds will accommodate three people, but we cannot guarantee that there will be three separate beds. If there are only two beds, a rollaway may be requested but cannot be guaranteed due to size of room and fire codes. Please inquire at time of reservation.

Can my children travel on tour? Children over the age of 5 may travel on a Collette tour accompanied by an adult. Child land rates are valid for ages 5-12, sharing a room with two full-paying adults.

Are single and triple rooms always available? On many tours, triple and single accommodations are limited and are available on a first come, first served basis. Be advised that single rooms are often smaller.

When can I check into my hotel? Normal check-in time is late afternoon in most locations. Due to early arrival times into some cities, rooms may not always be available for immediate check-in.

air

Can Collette book our airline reservations? Collette is happy to assist you in accommodating your flight needs. Due to tour scheduling and limited availability, you are strongly encouraged to take advantage of Collette's air packages. We are not responsible for air arrangements you have made on your own. On occasion, it is necessary to change tour dates. In this case, we can only protect air reservations booked through Collette. For all air reservations, it is strongly recommended to reconfirm flights before departure, in the event that the airline has an unexpected schedule change. We cannot assume responsibility for schedule changes, routings or flight cancellations involving the airlines. Not all airlines offer pre-assigned seats. Some charge a fee for seats which will be at the guests' expense. Where pre-assigned seats are not offered, the guests must contact the airline directly to arrange seat assignments.

attractions & sightseeing

Are attractions always available? Access to some attractions or Collette Foundation sites may be affected by the observance of holidays, weather conditions or other circumstances. As a result, the days and order of sightseeing may change to best utilize your time on tour. Boat rides are weather permitting. Some attractions may not be available during the "off-season" months. When attractions are unavailable, other similar attractions will be substituted. Wildlife sightings are not guaranteed.

Is there a lot of walking on tour? We pride ourselves on bringing travelers the very best experiences a destination offers. Our itineraries include many activities and may consist of walking on uneven terrain or significant walking at times. Some of the most unique sightseeing can mean accessing locations that restrict motorcoaches, especially in historic areas. Some hotels/lodges in remote locations may not have elevators. For your comfort, we recommend bringing walking shoes. Review each tour's "Tour Activity Level" and "Tour Pacing" on the tour itinerary webpage.

Can you tell me more about the safaris? In order to most fully experience the wildlife, you will be traveling by custom-built safari vehicle which requires climbing in and out frequently and sometimes travels on bumpy roads. To experience Africa fully, we recommend that all travelers be in reasonably good health and prepare properly.

How can I plan for shore landings? Special clothing is required for the shore landings (Antarctica, Galapagos); please refer to your predeparture documents for important details.

Are all theater performances suitable for children? Some theater performances may be unsuitable for children – consult your Tour Manager.

documentation

Do I need a passport? Government-issued identification is required for all air travel. A valid passport is required for all trips outside the USA. All passengers should check with the appropriate foreign consulate for entry and validity requirements. We recommend that your passport has six months validity, and at least 3 blank pages. Passports and visas are the responsibility of each client.

International Borders Any child under age 16 (traveling without a parent or legal guardian to Canada) must have written permission from a parent or legal guardian.

Please be advised that if you have been convicted of an offense, or have committed a criminal act that is an offense under the laws where it occurred and would be an offense in Canada, you may be inadmissible into Canada. You will need to apply for a Minister's Permit of Approval of Rehabilitation at a Canadian Consulate. All other travelers should contact the appropriate consulate for entry requirements in other international destinations.

In South Africa, children are required to have a passport as well as additional documentation to travel with you into and out of the country. Please consult the South African Embassy for the current specific requirements related to your travel dates.

If traveling internationally with a child under the age of 18, please check directly with the airline for the legal documentation that is required. It is the sole responsibility of the guest to procure the proper documentation to travel and many requirements vary by airline and destination.

Collette will not be responsible for costs incurred for missed flights or canceled tours where a guest fails to secure proper documentation.

extending your stay

Can I extend my tour to see more of a region? Yes! You may enhance your tour by purchasing either an extension or pre/post hotel stays, offered on select tours. Extensions may be "hosted" rather than escorted. When hosted, passengers will be greeted upon arrival by a local tour manager who will provide all included services and be available on-call during the duration of the extension. A minimum number of passengers may be required to operate some extensions. Extensions not purchased at time of deposit are subject to availability and applicable charges at time of request.

Collette also offers pre and post hotel nights before and/or after a tour for you to explore the destination independently. Should you purchase additional nights, please be advised that your Tour Manager will not be available during this time.

extras

What is not included in the tour price? The land price does not include air travel, airline fees, airport or departure taxes, transfers, visas, customary end-of-trip gratuities for your Tour Manager, driver, local guides, hotel housekeepers, cruise ship waitstaff, and any incidental charges.

late bookings

Do you accept late bookings? Tour sales normally close 7 days prior to departure. All late bookings are on request and must be guaranteed with a credit card if within 60 days of departure date.

on-tour experience

Where do I meet my Tour Manager? Your tour will begin at your first hotel. The Tour Manager will make contact with you at the hotel and will provide details relating to your tour. The hotel's address and phone number will be included in your documents.

Can I prepurchase optional excursions/activities? Yes, the majority of optional excursions and activities are available for advance purchase for applicable tours provided that you make your options purchase prior to 15 days of the tour departure. Collette makes it convenient to reserve presold options by visiting our website for a full listing of activities and excursions or when your reservation is made with our reservations staff. In addition, there are benefits to prepurchasing options including a price guarantee once your tour is paid in full. So, while the cost of an optional activity may change from the time you book your tour, once payment is received in full, your preselected options are guaranteed by Collette at their original price. Although you can still purchase options while on tour, reserving them ahead of time ensures you a spot in the event that the activity sells out. Collette will provide a refund if you cancel a presold option prior to tour departure. Any presold options canceled while on tour are nonrefundable.

revisions/changes

Would my tour date ever be changed? While it is unlikely, Collette does reserve the right to cancel a tour prior to departure. Should this happen, Collette will make every effort to put you on another departure date. If an alternate cannot be found, a full refund will be made. Air booked through Collette will be protected. We cannot be held responsible for penalties incurred if you have secured your own air.

Can I make changes to my reservation? Should you decide to change your reservation after initial booking, a handling fee of \$25 per transaction will be charged. A change of tour date, tour itinerary or passenger name, within the guidelines of the cancellation policy, will be treated as a cancellation and regular cancellation fees may apply.

Revisions to air tickets are subject to the rules and regulations of the airline. See our Cancellation Policy for more details.

tour pacing

How can I be best prepared for the pacing and physical requirements on a Collette tour? Tour pacing varies by itinerary, and each destination's sightseeing and activities are unique. Pacing is subject to personal interpretation. At Collette, we do include the best a destination has to offer, enhancing your overall tour experience. For overnight pacing of a tour, as well as day-by-day descriptions of the tour, please refer to our website.

The Tour Activity Level Ranking is featured on each tour itinerary webpage in a circle. The definition of each activity level is listed here. If you have additional questions regarding a specific tour, please inquire at time of reservation. For your comfort, we recommend packing comfortable walking shoes so you can fully enjoy every aspect of your tour.

Level 1: You're a leisurely traveler. You like to discover the energy of a new place, but typically take it easy. You can handle at least one flight of stairs, board a coach, and walk for 15-30 minutes at a time with little difficulty.

Level 2: You like a balanced approach to travel. You feel confident walking at least 30-45 minutes at a time over a variety of terrains - from cobblestone

streets to easy straightaways to a couple hills or flights of stairs. You're comfortable walking a few city blocks at a time, but need some time to unwind and relax.

Level 3: You're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (1-2 hours) isn't a big deal. You can navigate hills and uneven ground, climb into various modes of transportation (tuk-tuk, cable car, zodiac, etc.), and could possibly anticipate changes in elevation. You can expect some longer days balanced with free-time to recharge or set out on your own adventure.

Level 4: You're ready to seize the day, whatever it may bring. You lead an active life at home (walking, biking, and hiking are things you may enjoy) and few thousand steps a day isn't out of the norm. You can handle longer walking tours (more than 90 minutes), traversing dusty or uneven terrain, standing for periods of time, varying altitudes and temperatures, and don't mind being on the go with some early starts, late-night experiences, and full days. Unfortunately, this level is not appropriate for individuals who use wheelchairs or walkers.

transfers

Are airport and hotel transfers available? Roundtrip airport-to-hotel transfers are provided for all passengers who purchase airfare through Collette. These transfers also apply to pre- and post-night stays purchased through Collette. Passengers who do not purchase airfare through Collette can purchase transfers (for the first and last day of the tour) at an additional cost of \$100 per person, roundtrip. Some restrictions may apply. All transfers leave at prescheduled times.

What is Roundtrip Home to Airport Sedan Service? It's your ticket to and from the airport. This service is available for all air-inclusive tour bookings. This personalized service is included in many U.S. cities within a 50 mile radius from more than 90 airport gateways.* Service is available between 51 and 75 miles for a small fee. Not valid on group travel.

*One transfer per room booking. Additional stops are not permitted on route.

What is the Collette Passport Club? Collette Passport Club members receive a \$150 travel credit for each trip they take* along with various other benefits.

*Full credit is valid for your next tour when travel is completed within 12 months of the original trip. \$100 of the credit remains valid for travel within 13-24 months. Credit expires 24 months after the original trip.

Consumer Protection Plans

Some of these associations operate a consumer protection plan to cover deposits placed with any tour operator member.

Collette is proud to be a member of USTOA (United States Tour Operators Association), an association that represents the tour operator industry. The USTOA logo on our brochures signifies that Collette is a member in good standing and is backed by their \$1 Million Travelers Assistance Program. Collette, as an Active Member of USTOA, is required to post \$1 million with USTOA to be used to reimburse, in accordance with the terms and conditions of the USTOA Travelers Assistance Program, the advance payments of Collette customers in the unlikely event of Collette's bankruptcy, insolvency or cessation of business. Further, you should understand that the \$1 million posted by Collette may be sufficient to provide only a partial recovery of the advance payments received by Collette. Complete details of the USTOA Travelers Assistance Program may be obtained by email to information@ustoa.com or by visiting their website at www.ustoa.com.

Collette is pleased to give this additional protection to our clients.

Collette's Travel Protection Plan

The following is an outline of the Non-Insurance Pre-Departure Cancellation Fee Waiver, Insurance Benefits and non-insurance assistance services that make up the Travel Protection Plan.

Part A Waiver Only provided by Collette Travel Service, Inc.: The Pre-Departure Cancellation Fee Waiver is provided by Collette, is not an insurance benefit and is not underwritten by United States Fire Insurance Company. Payment of a per person Travel Protection Plan fee guarantees a full refund of all payments (including deposit), except the Travel Protection Plan fee itself, made to Collette for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Cancellation Fee Waiver reimburses airline tickets you have purchased from Collette.

Exception: If you originally purchased Instant Purchase airline tickets, this Part A Travel Protection Plan does not provide a refund for the airline tickets, taxes or fees, in the event of a cancellation. This air ticket may be covered by Collette's Travel Protection Plan under Part B, if you cancel your trip for covered reasons (see Part B for more details).

The Part A Waiver portion of Collette's Travel Protection Plan protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. The Part A Waiver portion of the Travel Protection Plan does not indemnify you from penalties if you choose to cancel partial tour components or air. If you choose to partially cancel your tour, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation.

For Residents of MN, MO, NY and WA Only: The Pre-Departure Cancellation Fee Waiver (Part A) can be purchased separately without the purchase of the Travel Protection Plan. Contact Collette at 1-800-832-4656 in order to purchase the Pre-Departure Cancellation Fee Waiver separately.

Collette's Part A Waiver portion of the Travel Protection Plan does not reimburse any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. In this case, the single supplement will be deducted from the refund of

the person who cancels. (However, the Part B Benefits referenced below include a single supplement benefit for certain covered reasons, as detailed in Part B.) Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement.

Your payment for the Travel Protection Plan (if chosen) must be received by Collette with your deposit. The fee is non-refundable, nontransferable and valid for each applicant only.

Collette can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees.

Where to Present Part A Claims

To request a refund under the Part A Pre-Departure Cancellation Fee Waiver portion of the Travel Protection Plan, please call Collette and send any unused airline tickets to:
