

Spring Break
Class of 2025

April 5 - April 12, 2025

I'm organizing a senior trip for our graduating class of 2025 at Country Day. I have selected the Outrigger Waikiki Beach Resort in Honolulu. I wanted a hotel that is beachfront, highly-rated, and on Waikiki beach...so kids can easily wonder around and have freedom. Honolulu is a city not a private resort. There will be some planned activities but I expect our teens to be independent and responsible. I do not expect them to need babysitting.

I am hoping that entire families will go and join in the fun. I think we can balance giving the seniors a city to play around in and freedom to roam with family time. If we have enough adults going, we should be able to accommodate kids who wish to travel without their parents. If you would like your child to go without you, he/she will be assigned a chaperone. This is not at all affiliated with Sacramento Country Day School.

7-NIGHTS OUTRIGGER WAIKIKI BEACH RESORT, HONOLULU

This pricing is subject to availability and to change. If everyone books through this program there will be a discount to be shared on each room.

When you are ready to book, I will provide a **custom quote** to meet your family's needs. You can book as a package (airfare included) for an additional discount. Or I can book your hotel only.

Setting it up this way gives our group a little more freedom without the rigid rules of a guaranteed room block. Booked together we should save a few hundred dollars per booking.
